Shop Tucson!-Susan L. Miller 2006-11-01 Live in Tucson or plan on visiting soon and (this is important) have wads of cash and/or credit burning fresh holes in your designer jeans? Susan L. Miller's weekly column appeared in the Tucson Shopper for over two years. Focusing on locally owned, independent businesses, she outlines dozens of irresistible opportunities to unload excess funds and exercise your plastic when the cash runs out. Put the laughs back in your shopping cart...whether it's food, hobbies, art, music, books, pets, gifts, pawn shops, vintage clothing, tools or cars, you'll find it here. And don't miss the small but satisfying "Protecting the Family Jewels" Chapter. Email Susan at: TucsonShopping@comcast.net

You Are the Music-Victoria Williamson 2014-03-06 'You are the music / While the music lasts' T.S. Eliot, The Four Quartets Do babies remember music from the womb? Can classical music increase your child's IQ? Is music good for productivity? Can it aid recovery from illness and injury? And what is going on in your brain when Ultravox's 'Vienna', Schoenberg's Verklärte Nacht or Dizzee Rascal's 'Bonkers' transports you back to teenage years? In a brilliant new work that will delight music lovers of every persuasion, music psychologist Victoria Williamson examines our relationship with music across the whole of a lifetime. Along the way she reveals the amazing ways in which music can physically reshape our brains, explores how 'smart music listening' can improve cognitive performance, and considers the perennial puzzle of what causes 'earworms'. Requiring no specialist musical or scientific knowledge, this upbeat, eye-opening book reveals as never before the extent of the universal language of music that lives deep inside us all.
