A Light in Dark Times -Maxine Greene 1998 A Light in Dark Times: Maxine Greene and the Unfinished Conversation features a list of extraordinary contributors who have been deeply influenced by Professor Greene's progressive philosophies. While Maxine Greene in the focus for this collection, each chapter is an encounter with her ideas by an educator concerned with his or her own works and projects. In essence, each featured author takes off from Maxine Greene and then moves forward. Just as Maxine Greene herself has, this unique and fascinating collection of essays will influence a wide range of worlds: arts and aesthetics, literature and literacy studies, cultural studies, school change and improvement, the teaching of literacy, teacher education, peace and social justice, women's studies, and civil rights.
Accounting -Charles T. Horngren 2003-10-01 The Demo Docs System of instruction replicates the classroom experience by providing more "I get it" moments outside of class.We've talked to tons of POA instructors and our editors have even taken the accounting course (numerous times!) to figure out the following issue in this course that is consistent: & Students understand (or "get it") right after you do a problem in class, but as soon as they leave class, with each passing hour, their ability to do the problems again and complete their homework diminishes to the point of them either having to come to office hours to get help, or they just quit and get behind in the course.& On top of this, you can end up getting behind in the course as well, in order to keep everyone on track.& The Demo Docs system helps to recreate the "I get it" moments outside of class-keeping both you and the students on track.

Accounting Principles, 12th Edition Volume II for Delgado Community College with WileyPLUS LMS Card Set -Jerry J. Weygandt 2015-07-01
Introduction to Financial Accounting -Henry Dauderis 2019 This textbook, originally by D. Annand and H. Dauderis, was intended for a first course in introductory financial accounting. It focuses on core introductory financial accounting topics that match pre-requisite requirements for students advancing to Intermediate Financial Accounting. A corporate approach is utilized versus beginning with a sole proprietorship emphasis and then converting to a corporate approach; this consistency throughout the book reduces confusion for the introductory student. This most recent revision by D. Marchand converted the text from IFRS to reflect the Generally Accepted Accounting Principles of the United States (U.S. GAAP).
Understanding Business -William G. Nickels 2013
