Your studio is where all the gear comes together. This is your controlled environment, where you set up your camera, lighting, and other accessories.

## Sony a7S III review: Digital Photography Review

Feb 03, 2021 · The color mode option on the a7S III have been re-named 'Creative Look' but the default 'Standard' mode still looks pretty similar to the color response in previous Sony cameras. The change has been subtle with less magenta blues and both greens and yellows that look more like the Nikon response than that of the a7R IV.

## Hasselblad X1D-50c Review: Take the studio wherever you go

Aug 01, 2018 · The Hasselblad X1D-50c is a 50MP mirrorless medium format camera, built around a 44 x 33mm sensor that's 70% larger than 'full frame.' It's the smallest camera by far to feature such a large sensor and, as well as offering adapted compatibility with older Hasselblad HC and HCD lenses, the X1D sits at the center of a new system with its own family of XCD lenses.The result is the most convincing ...
