The Collected Short Stories of Louis L'Amour, Volume 6, Part 2 -Louis L'Amour 2016-08 One of America's most beloved storytellers, Louis L'Amour's vibrant tales of adventure bring the American West to life. Now, in this sixth volume of collected short stories, L'Amour takes us beyond the frontier with thirty-three gripping stories of crime, sports, and the murky world where the two often meet. From suspenseful whodunits to rueful tales of fortunes gained and lost, this remarkable collection will enthrall and entertain L'Amour fans old and new. Traversing a vivid landscape, from sunblasted hills and canyons to the nighttime streets of America's greatest cities, some of Louis L'Amour's most compelling fiction was set in his own time— whether in the naked electric glare of boxing rings where men go head-to-head with their dreams and demons in an underworld rife with corruption, or along freight docks where laborers toil to earn just enough to get by, or in the penthouses of the rich and arrogant who calculate the odds of how to get even more. Here are tales of innocents caught in the schemes of criminals, detectives hunting down truths that hide more lies, gamblers and beauties, wiseguys and cops. Here is a world populated by the kinds of people who risk their lives to right a wrong, make a buck, or save a friend.

Collected Short Stories and Novellas -Andre Dubus 2018 Andre Dubus's short stories and novellas illuminate the lives of women and men cast against harrowing and heartrending circumstances. The gripping themes of Dubus's uvre-faith and family, violence and loyalty, guilt and morality-have earned him comparisons to master storytellers such as Raymond Carver, Flannery O'Connor, and Anton Chekhov. With a deft touch, Dubus tackles nearly unspeakable subjects. Yet, without succumbing to sentimentality he imbues his characters with a quiet dignity in stories infused with an unerring belief that even the most complicated moments of our lives contain the possibility of grace. Dubus is a shrewd student of people who come to accept pain as a fair price for pleasure, and to view right and wrong as a matter of degree... Dubus ... continues to introduce us to ourselves, to see into the private worlds of everyday people as they live, dream and act, taking soundings that are deep and true. Book jacket.
