Bone-Marion Woodman 2001-11-29 A woman diagnosed with uterine cancer in 1993 chronicles her fight for survival and spiritual balance, quoting Rumi, Emily Dickinson, William Blake and others along the way to recovery. Reprint.

Coming Home to Myself-Marion Woodman 2001-04-01 A meditation book for women seeking to raise to their self-esteem & connect more fully with themselves.

Massage for the Hospital Patient and Medically Frail Client-Gayle MacDonald 2005 This is an essential resource for learning massage in the acute care setting. As the need for massage in hospitals has grown, many massage therapists and massage students are developing their skills in this environment to broaden their practice and meet market demand. The text explores pressure adjustments, site restrictions, and positioning needs for hospital patients and medically frail clients. An easy-to-use conceptual format covers common medical devices and procedures, standard precautions, the relationship between pharmaceuticals and massage, charting, and collecting patient data. Illustrations demonstrate body mechanics, draping, room preparation, and more.

Writing Wild-Tina Welling 2014-04-01 Align Your Creative Energy with Nature's "Everything we know about creating," writes Tina Welling, "we know intuitively from the natural world." In Writing Wild, Welling details a three-step "Spirit Walk" process for inviting nature to enliven and inspire our creativity.

True Compass-Edward M. Kennedy 2009-12-25 In this landmark autobiography, five years in the making, Senator Edward M. Kennedy tells his extraordinary personal story--of his legendary family, politics, and fifty years at the center of national events. TRUE COMPASS The youngest of nine children born to Joseph P. Kennedy and Rose Fitzgerald Kennedy, he came of age among siblings from whom much was expected. As a young man, he played a key role in the presidential campaign of his brother John F. Kennedy, recounted here in loving detail. In 1962 he was elected to the U.S. Senate, where he began a fascinating political education and became a legislator. In this historic memoir, Ted Kennedy takes us inside his family, re-creating life with his parents and brothers and explaining their profound impact on him. For the first time, he describes his heartbreak and years of struggle in the wake of their deaths. Through it all, he describes his work in the Senate on the major issues of our time--civil rights, Vietnam, Watergate, the quest for peace in Northern Ireland--and the cause of his life: improved health care for all Americans, a fight influenced by his own experiences in hospitals. His life has been marked by tragedy and perseverance, a love of family, and an abiding faith. There have been controversies, too, and Kennedy addresses them with unprecedented candor. At midlife, embattled and uncertain if he would ever fall in love again, he met the woman who changed his life, Victoria Reggie Kennedy. Facing a tough reelection campaign against an aggressive challenger named Mitt Romney, Kennedy found a new voice and began one of the great third acts in American politics, sponsoring major legislation, standing up for liberal principles, and making the pivotal endorsement of Barack Obama for president. Hundreds of books have been written about the Kennedys.

TRUE COMPASS will endure as the definitive account from a member of America's most heralded family, an inspiring legacy to readers and to history, and a deeply moving story of a life like no other.

American Book Publishing Record- 2001

Die Empty-Todd Henry 2015-04 "Most of us live with the stubborn idea that we'll always have tomorrow. But sooner or later all of our tomorrows will run out. Each day that you postpone the hard work and succumb to the clutter that chokes creativity, discipline, and innovation will result in a net deficit to the world, to your company, and to yourself. Die Empty is a tool for individuals and companies that aren't willing to put off their best work. Todd Henry explains the forces that keep people in stagnation and introduces a three-part process for tapping into your passion: Excavate: Find the bedrock of your work to discover what drives you. Cultivate: Learn how to develop the curiosity, humility, and persistence that save you from getting stuck in ruts. Resonate: Learn how your unique brilliance can inspire others"--

Dust Eaters North-Ronan Cray 2016-09-23 Ronan Cray's debut novel, Red Sand, won the 2014 Indy Reader Discover Award and earned him a spot on Horror Novel Review's "Top 10 New Horror Authors" list. Now he's back with Dust Eaters North, an epic, globe-trotting, zombie adventure novel with a twist. "You aren't lucky enough to die." As the dead feed, an ill-equipped, untrained, desperate band of stragglers trudge 1700 miles north to Churchill, Manitoba. Rumors of a cure in China give them hope, but getting there after the world collapsed isn't easy. Dead villages, wild animals, unusual locals, -40 degree wind chill, and a lack of transportation pose obstacles even when Eaters aren't present, but Eaters outnumber the living 600:1. Cray's characters are like you and me, thrust into a world of chaos without any prior training. Cray introduces us to an unlikely band of survivors: Buck, an Oklahoma oil field worker whose last hope depends on climate change Tara, a housewife and former advertising executive thrust into the wilderness when her home explodes Cuba, a reformed gang member and inspiring Big Brother now forced to break a promise not to kill Fifty, a silent mountain of a man who is absolutely terrified of zombies Stokes, an alcoholic music professor still surprised to be alive The Kid, a Russian engineering student and the last survivor of Winnipeg No super-soldiers here. "That human factor, the one that's often overlooked in the zombie genre, is a welcomed presence here, and adds a level of depth often missing in similar stories." - Jess Landry, The Horror Review With nothing in common but their homeless path, these six find ways to bolster and support each other, to give hope in a hopeless world. "Those hopes become the sweetness that makes the story an adventure rather than an endless forced march through a killing field. The resolution, though horrifying, feels as earned as it is heartbreaking." - Publisher's Weekly Just like Red Sand, the horror of the novel is grounded in extensive research. Things happen for a reason; nothing supernatural here. Survivors persist with realistic, practical methods you can learn from. "If you enjoyed 'The Zombie Survival Guide', you will enjoy reading this." - Ben Sanders Ronan Cray researched the book on location in Churchill, Manitoba in the dead of winter. While he didn't encounter any zombies, he did eat moose and dogsled through the taiga. Now back in New York with most of his fingers and toes, he produces short films and documentaries when he isn't writing a sequel. Come along on a journey across continents in Cray's new Compass Series. Hopeful and horrifying, startling and relentless, Dust Eaters will haunt you long after you turn the last page. Dust Eaters delivers!

Into the Breach-J. A. Karam 2010-04-01 Into the Breach is the true story of paramedics, emergency medical technicians, and heavy-rescue specialists fighting to control trauma and medical emergencies in one of America's toughest and most violent cities: Newark, New Jersey. A riveting account that hauls readers on a first-hand tour of street medicine today, Into the Breach shows what really happens inside an ambulance and some of the diverse and bizarre places EMS workers tread. Through authentic accounts, every facet of emergency care is on display—from the first 911 call to patient discharge or death, including an exclusive look at what is perhaps the biggest decontamination operation ever conducted, which crews performed for victims of the September 11, 2001 terrorist attack. A hybrid profession that blends public safety and public health, EMS attracts careerists and volunteers from all sectors of society—from Boy Scouts and housewives to Fortune 500 vice presidents and workfare recipients. The men and women that make up the Newark EMS graveyard shift, one of the busiest, full-time teams in the nation, are quintessential EMS workers: intense, irreverent, hard-working action junkies who crave autonomy and the instant gratification of solving critical problems in real time. This unflinching profile hones in on award-winning EMS workers as well as those who pollute the industry, ironically, sometimes one and the same. Into the Breach offers an unusual opportunity to bear witness to unimaginable suffering, heroic stoicism, and the inventiveness of American EMS workers fighting to save lives.

The Sun Is a Compass-Caroline Van Hemert 2019-03-19 For fans of Cheryl Strayed, the gripping story of a biologist's human-powered journey from the Pacific Northwest to the Arctic to rediscover her love of birds, nature, and adventure. During graduate school, as she conducted experiments on the peculiarly misshapen beaks of chickadees, ornithologist Caroline Van Hemert began to feel stifled in the isolated, sterile environment of the lab. Worried that she was losing her passion for the scientific research she once loved, she was compelled to experience wildness again, to be guided by the sounds of birds and to follow the trails of animals. In March of 2012, she and her husband set off on a 4,000-mile wilderness journey from the Pacific rainforest to the Alaskan Arctic, traveling by rowboat, ski, foot, raft, and canoe. Together, they survived harrowing dangers while also experiencing incredible moments of joy and grace -- migrating birds silhouetted against the moon, the steamy breath of caribou, and the bond that comes from sharing such experiences. A unique blend of science, adventure, and personal narrative, The Sun is a Compass explores the bounds of the physical body and the tenuousness of life in the company of the creatures who make their homes in the wildest places left in North America. Inspiring and beautifully written, this love letter to nature is a lyrical testament to the resilience of the human spirit. Winner of the 2019 Banff Mountain Book Competition: Adventure Travel

Compass-Mathias Enard 2018-03-27 Winner of the 2015 Prix Goncourt, an astounding novel that bridges Europe and the Islamic world On the shortlist for the 2017 Man Booker International Prize As night falls over Vienna, Franz Ritter, an insomniac musicologist, takes to his sickbed with an unspecified illness and spends a restless night drifting between dreams and memories, revisiting the important chapters of his life: his ongoing fascination with the Middle East and his numerous travels to Istanbul, Aleppo, Damascus, and Tehran, as well as the various writers, artists, musicians, academics, orientalist, and explorers who populate this vast dreamscape. At the center of these memories is his elusive, unrequited love, Sarah, a fiercely intelligent French scholar caught in the intricate tension between Europe and the Middle East. With exhilarating prose and sweeping erudition, Mathias Enard pulls astonishing elements from disparate sources—nineteenth-century composers and esoteric orientalist, Balzac and Agatha Christie—and binds them together in a most magical way.

The Varieties of Goddess Experience-Mary Ellen Shaw 2001

The Creed and the Prayer-James Wesley Johnston 1896

The Smoke Thieves-Sally Green 2018-05-01 Unforgivable betrayals, devious motives, and forbidden love collide in the first installment of internationally bestselling author Sally Green's epic new fantasy series, perfect for Game of Thrones fans. In a land tinged with magic and a bustling trade in an illicit supernatural substance, destiny will intertwine the fates of five players: A visionary princess determined to forge her own path. An idealistic soldier

whose heart is at odds with his duty. A streetwise hunter tracking the most dangerous prey. A charming thief with a powerful hidden identity. A loyal servant on a quest to avenge his kingdom. Their lives intersect with a stolen bottle of demon smoke. As war approaches, they must navigate a tangled web of political intrigue, shifting alliances, and forbidden love in order to uncover the dangerous truth about the strangely powerful smoke that intertwines their fates.

When Breath Becomes Air-Paul Kalanithi 2016 A cloth bag containing eight copies of the title.

Deeply into the Bone-Ronald L. Grimes 2000-06-29 Over the past two decades, North Americans have become increasingly interested in understanding and reclaiming the rites that mark significant life passages. In the absence of meaningful rites of passage, we speed through the dangerous intersections of life and often come to regret missing an opportunity to contemplate a child's birth, mark the arrival of maturity, or meditate on the loss of a loved one. Providing a highly personal, thoroughly informed, and cross-cultural perspective on rites of passage for general readers, this book illustrates the power of rites to help us navigate life's troublesome transitions. The work of a major scholar who has spent years writing and teaching about ritual, Deeply into the Bone instigates a conversation in which readers can fruitfully reflect on their own experiences of passage. Covering the significant life events of birth, initiation, marriage, and death, chapters include first-person stories told by individuals who have undergone rites of passage, accounts of practices from around the world, brief histories of selected ritual traditions, and critical reflections probing popular assumptions about ritual. The book also explores innovative rites for other important events such as beginning school, same-sex commitment ceremonies, abortion, serious illness, divorce, and retirement. Taking us confidently into the abyss separating the spiritual from the social scientific, the personal from the scholarly, and the narrative from the analytical, Grimes synthesizes an impressive amount of information to help us find more insightful ways of comprehending life's great transitions. As we face our increasingly complex society, Deeply into the Bone will help us reclaim the power of rites and understand their effect on our lives.

The Gold Hunters' Adventures-William Henry Thomes 1869

Love, Lucas-Chantele Sedgwick 2015-05-05 A 2015 Whitney Award Nominee! A powerful story of loss, second chances, and first love, reminiscent of Sarah Dessen and John Green. When Oakley Nelson loses her older brother, Lucas, to cancer, she thinks she'll never recover. Between her parents' arguing and the battle she's fighting with depression, she feels nothing inside but a hollow emptiness. When Mom suggests they spend a few months in California with Aunt Jo, Oakley isn't sure a change of scenery will alter anything, but she's willing to give it a try. In California, Oakley discovers a sort of safety and freedom in Aunt Jo's beach house. Once they're settled, Mom hands her a notebook full of letters addressed to her—from Lucas. As Oakley reads one each day, she realizes how much he loved her, and each letter challenges her to be better and to continue to enjoy her life. He wants her to move on. If only it were that easy. But then a surfer named Carson comes into her life, and Oakley is blindsided. He makes her feel again. As she lets him in, she is surprised by how much she cares for him, and that's when things get complicated. How can she fall in love and be happy when Lucas never got the chance to do those very same things? With her brother's dying words as guidance, Oakley knows she must learn to listen and trust again. But will she have to leave the past behind to find happiness in the future? Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

My Corner of the Ring-Jesselyn Silva 2019-06-04 The Middle Grade Memoir of a Girl Boxer and Future Olympian. In this Lean-In style inspirational memoir, twelve-year-old Jesselyn Silva offers a ringside seat to girl power and what it takes to win in the ring and in life: punch by punch. My Corner of the Ring shows kids what it

means to be true to yourself and stick with your dreams even when facing adversity and ridicule. Supported by her single dad, Jesselyn (JessZilla in the ring) first donned her boxing gloves at seven years of age, making her one of very few female boxers in the country. My Corner of the Ring charts Jesselyn's oft times exhilarating and heartbreaking journey to success in a male dominated sport where she struggles to find partners to spar with and combats the viewpoint that no one wants to see a girl fight. Despite an inhospitable environment, Jesselyn still has her sights set on the Olympics. With the help of her very dad, Pedro, who has instilled in her a strong work ethic, she just might make it. It is an exciting and motivational read that will provide kids with the roadmap and encouragement to accomplish whatever goals they set for themselves. Jesselyn's positive can-do attitude and determination make this a must read.

The Maiden King-Robert Bly 1999-10-15 From Robert Bly, author of the groundbreaking bestseller Iron John, and famed Jungian analyst Marion Woodman comes an interpretation of a primordial folktale that takes the message behind Iron John to its next phase: the reunion of masculine and feminine. Bly and Woodman interpret the archetypal symbols embedded in an ancient Russian story, The Maiden King, a tale woven of an absent father, a possessive stepmother, a false tutor, and a young man over-whelmed by a beautiful maiden. When the young man's weak response to the maiden ss her retreating in anger, he must go on a quest for self-discovery that leads to Baba Yaga, the fierce yet empowering old woman of Russian folk tradition. The male tency toward impotence in the face of feminine magnificence, the female fear of power and abandonment that leads to rage, the need to get beyond oppositional thinking en route to the Divine, these are issues the book addresses with wisdom and lyricism. The true heir to Iron John, The Maiden King may be the intellectual answer to Men Are from Mars, Women Are from Venus.

Hebrew History from the Death of Moses to the Close of the Scripture Narrative-Henry Cowles 1875

Conscious Femininity-Marion Woodman 1993-01-01 Candid and wide-ranging interviews dating from 1985 through 1992 with the best-selling author and Jungian analyst, Marion Woodman. Touches on sexuality, creativity, relationships, addictions, healing, rituals, and the environment.

From Mah Jong to Masquerade-Christopher A. Shinn 2000

From Grief to Joy-Donna Miesbach 2012-08-01 Donna's story is an elegant illustration of how to recognize that, despite how it may seem, the world around you is not coming apart; it is just the turbulence that is necessary to project you into the next level of life. Do not be afraid of what this life brings you. Use it, and know that in the realm of uncertainty, your destiny is found. Donna walks this path. She has experienced it first hand, and her message is a powerful communication inspired by practice. Upon finishing this book, you will know more than you imagined possible about the power of life, faith, love and compassion. - From the Foreword by Dr. David Morehouse, Founder of Remote Viewing Technologies, and author of "Psychic Warrior"

The Century Dictionary and Cyclopaedia: Dictionary- 1897

Apostolic Life as Revealed in the Acts of the Apostles-Joseph Parker 1883

The Ravaged Bridegroom-Marion Woodman 1990 Continues the author's long-standing concern with the feminine, focusing on the ways in which a woman may be undermined by a crippling relationship with her inner man. Powerful images from poetry, myth, dreams, analysis and personal experience.

Dragon Mated-Jaymin Eve 2016-03-16 In the stunning conclusion to the Supernatural Prison trilogy, Jessa Lebron finds herself deep in the world of Larkspur, the dragon king. She will have to play it smart and fight with everything to stay one step ahead of him and while at times it's tough to keep her focus, she will do anything to escape and reunite with her boys, the Compass quads. Of course, it's impossible to be where she is and not dig deeper into the curse of the dragon mark. As more information is uncovered, she starts to understand why she, of all supernaturals, was the one to be singled out. And this changes everything she thought she knew. Turns out she doesn't know a damn thing. There will be decisions to make. Tough decisions. Jessa has to be strong enough for the sake of the supernatural races, but sometimes that's easier said than done.

Six Thousand Illustrations of Moral and Religious Truths-John Bate 1899

The Century Dictionary-William Dwight Whitney 1914

The People's Bible: Acts I-Joseph Parker 1887

The People's Bible-Joseph Parker 1887

The People's Bible-Joseph Parker 1883

Time's Fool and Other Stories-Grant Carrington 2015-04-01 This lyrical story collection asks the price of life, as you travel alongside the Timedippers and the Immortals, from the present to the far-distant future. "If his heart was pounding now, it was not in fear but in exultation. He was alive, come what may, come death and extinction, as surely it must. You can't go back, he though, and you can't stand still. He had to go forward or he would surely die. That was where his strength and his art lay, in the constant fight against Death, spitting in its very face, not in conquering it and then living in a fearful immortality. So he would die. So what? In the meantime, he would live life to its fullest, not cringing before time." Annapolis Town sets the stage for a story arc covering centuries and light years with a lovely tale of music, love, and the dangers of manipulating time. Annapolis Town introduces the Timedippers, and musical innovations that echo through the future. Stella Blue carries the tale into the future, where a divided society grasps for life and feeling in a world where the wealthy grope after the richness of emotion in the songs of the underclasses. Young Garcia finds his musical voice in tragedy. Time's Fool, originally published as a stand-alone novel, is Garcia's tale of the temptations of time and immortality. With music his life, would eternal life blunt his art? On The Deck of the Starship takes the tale of Timedippers and musicians to the stars, as Philip Steinbrunner answers the questions of life, love, and time for himself in a haunting tale of the price and power of love. The Worm Beneath the Skull concludes the Time's Fool tales on a planet at the far rim of human space. Struggling to choose between freedom and life, young musician Madeira finds voice through the music and the lessons of those who came before, learning what the famed Garcia meant when he said, "Without the worm, there is no rose."

A Five-Minute Life-Emma Scott 2019-05-14 Remember us...when I can't.Thea Hughes has five minutes to live.A car accident stole her parents and left her with the second-worst documented case of amnesia in the world. She now has only minutes of experiences, of consciousness, of life...before her memory is wiped clean. The once effervescent artist with a promising future is reduced to scribbling with pens and paper, living an empty, quiet life, three hundred seconds at a time.Jim Whelan is on autopilot.A foster kid shuffled around the system since birth, he's lived his entire life without knowing love...and it's taken its toll-until he learned to fight back, carry his armor, and keep his head down.Working as an orderly in the Blue Ridge Sanitarium, deep in Virginia countryside, Jim looked up...and found Thea.When Thea has the chance to break free of her five-minute prison with a risky, experimental surgery, it could lead them both to an epic love they never thought possible... or one that could require the ultimate sacrifice.***50 First Dates meets Awakenings in this emotional love story by international and best-selling author, Emma Scott. A Five-Minute life contains subject matter that might be sensitive to some readers.#standalone #newadultrromance

Wild Game-Adrienne Brodeur 2019-10-15 A NATIONAL BESTSELLER "Exquisite and harrowing." —New York Times Book Review "This electrifying, gorgeously written memoir will hold you captive until the last word." —People NAMED A BEST FALL BOOK BY People * Refinery29 * Entertainment Weekly * BuzzFeed * NPR's On

Point * Town & Country * Real Simple * New York Post * Palm Beach Post * Toronto Star * Orange Country Register * Bustle * Bookish * BookPage * Kirkus* BBC Culture* Debutiful A daughter's tale of living in the thrall of her magnetic, complicated mother, and the chilling consequences of her complicity. On a hot July night on Cape Cod when Adrienne was fourteen, her mother, Malabar, woke her at midnight with five simple words that would set the course of both of their lives for years to come: Ben Souther just kissed me. Adrienne instantly became her mother's confidante and helpmate, blossoming in the sudden light of her attention, and from then on, Malabar came to rely on her daughter to help orchestrate what would become an epic affair with her husband's closest friend. The affair would have calamitous consequences for everyone involved, impacting Adrienne's life in profound ways, driving her into a precarious marriage of her own, and then into a deep depression. Only years later will she find the strength to embrace her life—and her mother—on her own terms. Wild Game is a brilliant, timeless memoir about how the people close to us can break our hearts simply because they have access to them, and the lies we tell in order to justify the choices we make. It's a remarkable story of resilience, a reminder that we need not be the parents our parents were to us.
