Slavic Native Faith - Wikipedia

The Slavic Native Faith, commonly known as Rodnovery, and rarely as Slavic Neopaganism, is a modern Pagan religion. Classified as a new religious movement, its practitioners harken back to the historical belief systems of the Slavic peoples of Central and Eastern Europe, though the movement is inclusive of external influences and hosts a variety of currents.

Practical reason - Wikipedia

In philosophy, practical reason is the use of reason to decide how to act. It contrasts with theoretical reason, often called speculative reason, the use of reason to decide what to follow. For example, agents use practical reason to decide whether to build a telescope, but theoretical reason to decide which of two theories of light and optics is the best.
