## Notre-Dame de Paris - Wikipedia

It is believed that before the arrival of Christianity in France, a Gallo-Roman temple dedicated to Jupiter stood on the site of Notre-Dame. Evidence for this is the Pillar of the Boatmen, discovered in 1710. This building was replaced with an Early Christian basilica. It is unknown whether this church, dedicated to Saint Stephen, was constructed in the late 4th century and remodelled later, or if it was built in the 7th century from an older church, possibly the cathedral of Childebert I. The basilica, later Cathedral of Saint-Étienne [
