For wine lovers who have never tasted ptolemy nouveau or watched the uncorning of the kangarouge, these experiences are related with warmth and humor. **To the Kwai and Back**-Ronald Searle 2018-10 In 1939, as an art student, Ronald Searle volunteered for the army, embarking for Singapore in 1941. Within a month of his arrival he became a prisoner of the Japanese, and after 14 months in a POW camp, was sent north to a work camp on the Burma Railway. In May 1944, he was sent to the notorious Changi Gaol in Singapore, becoming one of the few British soldiers to survive imprisonment there. Throughout his captivity he made drawings to record his experiences, which he smuggled from place to place, stained with the sweat and dirt of his captivity. A record of one man's war, they are among the most important and moving accounts of World War II.

**Cellar**-Natasha Preston 2014-03-01 "Lily?" My stomach dropped as a tall, dark-haired man stepped into view. Had he been hiding between the trees? "No. Sorry." Gulping, I took a step back. "I'm not Lily." He shook his head, a satisfied grin on his face. "No. You are Lily." "I'm Summer. You have the wrong person." You utter freak! I could hear my pulse crashing in my ears. How stupid to give him my real name. He continued to stare at me, smiling. It made me feel sick. "You are Lily," he repeated. Before I could blink, he threw his arms forward and grabbed me. I tried to shout, but he clasped his hand over my mouth, muffling my screams. My heart raced. I'm going to die. For months Summer is trapped in a cellar with the man who took her—and three other girls: Rose, Poppy, and Violet. His perfect, pure flowers. His family. But flowers can't survive long cut off from the sun, and time is running out...

**Secrets in the Cellar**-John Glatt 2009-03-03 Josef Fritzl was a 73-year-old retired engineer in Austria. He seemed to be living a normal life with his wife, Rosemarie, and their family—though one daughter, Elisabeth, had decades earlier been "lost" to a religious cult. Throughout the years, three of Elisabeth's children mysteriously appeared on the Fritzls' doorstep; Josef and Rosemarie raised them as their own. But only Josef knew the truth about Elisabeth's disappearance... For twenty-seven years, Josef had imprisoned and molested Elisabeth in his man-made basement dungeon, complete with sound-proof paneling and code-protected electric locks. There, she would eventually give birth to a total of seven of Josef's children. One died in infancy—and the other three were raised alongside Elisabeth, never to see the light of day. Then, in 2008, one of Elisabeth's children became seriously ill, and was taken to the hospital. It was the first time the nineteen-year-old girl had ever gone outside—and soon, the truth about her background, her family's captivity, and Josef's unspeakable crimes would come to light. John Glatt's Secrets in the Cellar is the true story of a crime that shocked the world.

There's something off about his presence, especially because when she checks at the end of the tour...he's gone. The number 396 appears everywhere she turns. And the boy with the dark eyes starts following her. Claire is being haunted. The boy from the bus wants something...and Claire needs to find out what before it's too late.

**Bacchus & Me**-Jay McInerney 2000-10-01 With acerbic wit, irreverent tone, and bountiful hilarious anecdotes, Jay McInerney writes the first wine book that makes sense to all those dazed by the prevailing, dull technical wine writing. McInerney generously reveals all he's learned on his worldwide journey to understand wine in chapters on reds, whites, dessert wines, champagne, aperitifs, and more. McInerney holds forth in forty-nine essays - with agile humor; an astonishing amount of hard fact, and an ample dose of personal taste - on: how to make your way around a German wine label; what to drink with Thanksgiving turkey; the truth about Zinfandels; why Burgundy is so hard to predict; Napa Valley's finest winemakers; the pleasure of flinty Chablis, the deep satisfaction of port, the glorious potential of Oregon's Pinot Noir; the respectability of RoS; and the most colorful characters in the business. It is actually possible for a reader of Bacchus & Me to take what is learned to the bank, and immediately thereafter to wine shop or restaurant to indulge in the wine of his or her fantasy with the confidence of a sommelier. Bacchus & Me is for everyone interested in learning more about the wines of the world. For both those of broad means and of modest purse, there is intense vicarious pleasure to be found in McInerney's vinous adventures.

**Girl in the Cellar**-Allan Hall 2010-03-09 Eight years of darkness On March 2, 1998, while on her way to school, ten-year-old Natascha Kampusch was abducted. More than eight years later, on August 23, 2006, she escaped with a story that shocked and horrified the entire world. She spent the most delicate years of her life hidden in a cellar underneath an ordinary Austrian suburban home. How was she able to survive? What sort of woman had emerged? What kind of man was Wolfgang Priklopil, her abductor—and what demands had he made of her? Journalists Allan Hall and Michael Leidig covered Natascha's story from the beginning. The result of extraordinary investigative reporting, Girl in the Cellar gets to the heart of this very tragic case to reveal a truth no one would have imagined.

**The Cellar**-Minette Walters 2016-02-02 Chilling psychological suspense with “exceptional punch” from the Edgar Award-winning author of The Dark Room (Kirkus Reviews, starred review). It seems like a respectable British home, occupied by the Songolis, an upstanding family of African immigrants. But hidden within the cellar is Muna—a teenage girl who cooks for them, cleans for them, endures brutal abuse from them . . . and is powerless to escape. Then one day, the Songolis' ten-year-old son fails to come home from school, and Scotland Yard arrives at the house to investigate. While they look into the boy's disappearance, Muna must play the role of beloved daughter. She suddenly has a real bedroom, with sunlight, and real clothing to wear. But she must continue to keep quiet—and hide the fact that she has learned how to speak English. Even as the police are watching, her secret life of enslavement goes on. But Muna is hatching a plan—and her acts of rebellion and revenge will be more terrifying than this family could have imagined—in this dark, twisting tale that represents “contemporary crime writing at its absolute peak” (Val McDermid).

**The Boy in the Cellar**-Stephen Smith 2019-12-26 Stephen Smith is the boy who did not exist. Born out of wedlock in the early 1960s, Steve's parents hid him away from the world by locking him in the cellar...for thirteen years. Starved and beaten, the little boy's world was a darkened room that measured just eight feet by ten with a single makeshift bed, bare light bulb, and a solitary table. Steve would spend his days conjuring up an imaginary world full of monsters he would draw to try and block out the physical and mental torture inflicted on him by his brutal father. Apart from a few admissions to hospital as a result of his 'imprisonment', Steve remained in the coal cellar of the family home where he was deprived of daylight, his childhood, school, and human contact until he'd reached his teenage years. Eventually, he escaped only to fall prey to the instigators of two of the worst cases of institutional abuse in the UK at Aston Hall hospital and St. William's Catholic School. The Boy in the Cellar is a horrifying true story of torture and cruelty, that reveals a human's full capacity to fight for survival and search out happiness and hope.

**Stalin's Wine Cellar**-John Baker 2020-08-18 In the late 1990s, John Baker was known as a purveyor of quality rare and old wines. Always entrepreneurial and up for adventure, he was the perfect person for an occasional business partner to approach with a mysterious wine list that was foreign to anything John, or his second-in-command, Kevin Hopko, had ever come across. The list was discovered to be a comprehensive catalogue of the wine collection of Nicholas II, the last Tsar of Russia. The wine had become the property of the state after the Russian Revolution of 1918, during which Nicholas and his entire family were executed. Now owned by Stalin, the wine was discreetly removed to a remote Georgian winery when Stalin was concerned the advancing Nazi army might overrun Russia, and inevitably loot artefacts and treasures. Half a century later, the wine was rumoured to be hidden underground and off any known map. John and Kevin embarked on an audacious, colourful and potentially dangerous journey to Georgia to discover if the wines actually existed; if the bottles were authentic and whether the entire collection could be bought and transported to a major London auction house for sale. Stalin's Wine Cellar is a wild, sometimes rough ride in the glamorous world of high-end wine. From Double Bay Sydney to Tbilisi Georgia, via the streets of Paris, the vineyards of Bordeaux and iconic Château d'Yquem. A multimillion dollar cellar and a breathtaking collection of wine (and one very expensive broken bottle) is the elusive treasure. The cast of characters include Stalin, Hitler, Tsar Nicholas II and a motley bunch of Georgian businessmen/cowboys toting handguns, in the early days of Russian business development that led to the world of Putin and oligarchs.

**Cellar Girl**-Josefina Rivera 2014-01-30 'I stood there for a moment, silently speaking to myself: Josefina, you will survive this. You are strong. You are a fighter. You adapt.' As a young mum-of-three, Josefina Rivera was determined to get her troubled life back on track. But then she met Gary Heidnik and the next four months became a living nightmare. Along with five women Josefina was held captive in a cellar where she was starved, beaten, and repeatedly raped to fulfil Heidnik's desire of creating a 'family' of ten children. **The Road**-Cormac McCarthy 2007-03-20 NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Of course, the dress was white. This is what I'm supposed to die in, I thought. Not many people knew what their last outfit would be. I pulled it over my head. It fit me perfectly. It had long, loose fitting sleeves, a modest neckline, and waves of material on the skirt. I hated it. There were no shoes, and I was afraid I'd have to run through the forest barefoot but there weren't a lot of options. Besides, I'd run barefoot over a bed of nails to get away. "Scarlett, are you ready?" he called. I looked in the mirror and took a deep breath. Time to fight for my life. Scarlett Garner doesn't remember anything before the age of four-until a car accident changes everything. She starts to remember pieces of a past that frighten her. A past her parents hid from her...and a secret that could get her killed.

**The Red Blazer Girls: The Ring of Rocamadour**-Michael D. Beil 2009-04-14 The perfect series for kids who loved THE LEMONADE WAR series and are ready for more mysteries! Edgar Award Nominee for Best Mystery! "With wit, cunning, snappy dialogue and superior math skills, The Red Blazer Girls represent the best of girl-detectives while still feeling relatable and real. Nancy Drew would be right at home with this group." -- Huffington Post's 15 Greatest Kid Detectives List It all began with The Scream. And ended with . . . well, if we told you that, it wouldn't be a mystery! But in between The Scream and The Very Surprising Ending, three friends find themselves on a scavenger hunt set up for a girl they never met, in search of a legendary ring reputed to grant wishes. Are these sleuths in school uniforms modern-day equivalents of Nancy, Harriet, or Scooby? Not really, they're just three nice girls who decide to help out a weird lad, and end up hiding under tables, tackling word puzzles and geometry equations, and searching rather moldy storage rooms for "the stuff that dreams are made of" (that's from an old detective movie). Oh, and there's A Boy, who complicates things. As boys often do. Intrigued? The Red Blazer Girls offers a fun, twisty adventure for those who love mystery, math (c'mon, admit it!), and a modest measure of mayhem. Michael Beil, a New York City high school English teacher and life-long mystery fan, delivers a middle-grade caper that's perfect for middle-grade readers who have finished THE LEMONADE WAR series and are ready for more advanced mysteries!

**The Cement Garden**-Ian McEwan 2011-02-08 Orphaned siblings create a macabre secret world for themselves in this “irresistibly readable” novel by the New York Times-bestselling author (The New York Review of Books). This “powerful and disconcerting” novel by the Booker Prize-winning author of The Children Act and Atonement (The Daily Telegraph) tells the story of a dying family who live in a dying part of the city. A father of four children decides, in an effort to make his garden easier to control, to pave it over. In the process, he has a heart attack and dies, leaving the cement garden unfinished and the children to the care of their mother. Soon after, the mother too dies and the children, fearful of being separated by social services, decide to cover up their parents’ deaths: they bury their mother in the cement garden. The story is told from the point of view of Jack, one of the sons, who is entering adolescence with all of its attendant curiosity and appetites. Julie, the eldest, is almost a grown woman. Sue is rather bookish and observes all that goes on around her. And Tom is the youngest and the baby of the lot. The children seem to manage in this perverse setting rather well—until Julie brings home a boyfriend who threatens their secret by asking too many questions. “[A] beautiful but disturbing novel.”—The AV Club “McEwan’s evocative detail and perfect British prose lend a genteel decorum to the death and decay that surround the family.”—The New Yorker
