Its for that reason certainly easy and consequently fats, isnt it? You have to favor to in this freshen

## Spontaneous symmetry breaking - Wikipedia

Spontaneous symmetry breaking is a spontaneous process of symmetry breaking, by which a physical system in a symmetric state ends up in an asymmetric state. In particular, it can describe systems where the equations of motion or the Lagrangian obey symmetries, but the lowest-energy vacuum solutions do not exhibit that same symmetry. When the system goes to one of those vacuum solutions, the ...

## Linda Evangelista - Wikipedia

Linda Evangelista (Italian: [evandʒe'lista]; born May 10, 1965) is a Canadian fashion model and one of the top supermodels from the 1990s. She is regarded as one of the most accomplished and influential models of all time, and has been featured on over 700 magazine covers.
