**Our Days Are Like Full Years**-Harriet Pattison 2020-10-27 An intimate glimpse into the professional and romantic relationship between Harriet Pattison and the renowned architect Louis Kahn On a winter day in 1953, a mysterious man in a sheepskin coat stood out to Harriet Pattison, then a theater student at Yale. She would later learn he was the architect Louis Kahn (1901-1974). This chance encounter served as preamble to a fifteen-year romance, with Pattison becoming the architect’s closest confidante, his intellectual partner, and the mother of his only son. Here for the first time, Pattison recounts their passionate and sometimes searing relationship. Married and twenty-seven years her senior, Kahn sent her scores of letters—many from far-flung places—until his untimely death. This book weaves together Pattison’s own story with letters, postcards, telegrams, drawings, and photographs that reveal Kahn’s inner life and his architectural thought process, including new insight into some of his greatest works, both built and unbuilt. What emerges is at once a poignant love story and a vivid portrait of a young woman striving to raise a family while forging an artistic path in the shadow of her famous partner.

**Teach Us to Number Our Days**-David Roper 2013-07-01 In the modern world of high technology and advanced medicine, people are living longer and healthier lives. “Middle age” has taken a leap ten years further down the road until reaching signs that indicate the beginning of the second half of life. In his book Teach Us to Number Our Days, David Roper shows you why and how this season of your life can truly be the best. Offering biblical wisdom and reassurance for you as you mature, Roper invites you to travel with him on his own “journey to maturity.” Calling you to both frank self-reckoning and joy, Roper presents an uplifting look at the possibilities that lie ahead. “So enjoy!” he says. “Enjoy your journey to maturity as you gain perspective on the past and hope for the future. Make the most of every moment of your life.”

**Child and Country**-Will Levington Comfort 1915

**The Sum of Our Days**-Isabel Allende 2020-09-29 Narrated with warmth, humor, exceptional candor and wisdom, The Sum of Our Days is a portrait of a contemporary family, tied together by the love, strong will, and stubborn determination of a beloved matriarch, the indomitable New York Times bestselling author of The House of the Spirits, Isabel Allende. "An inspiring and thought-provoking work." -Denver Post Isabel Allende reconstructs the painful reality of her own life in the wake of the tragic death of her daughter, Paula. Narrated with warmth, humor, exceptional candor, and wisdom, this remarkable memoir is as exuberant and as full of life as its creator. Allende bares her soul while sharing her thoughts on love, marriage, motherhood, spirituality and religion, infidelity, addiction, and memory—and recounts stories of the wildly eccentric, strong-minded, and eclectic tribe she gathers around her and lovingly embraces as a new kind of family.

**The Days of My Life**-Mrs. Oliphant (Margaret) 1868

**Louis Kahn**-John Lobell 2020-06-23 For everyone interested in the enduring appeal of Louis Kahn, this book demonstrates that a close look at how Kahn put his buildings together will reveal a deeply felt philosophy. Louis I. Kahn is one of the most influential and poetic architects of the twentieth century, a figure whose appeal extends beyond the realm of specialists. In this book, noted Kahn expert John Lobell explores how Kahn's focus on structure, respect for materials, clarity of program, and reverence for details come together to manifest an overall philosophy. Kahn's work clearly conveys a kind of "transcendent rootedness"—a rootedness in the fundamentals of architecture that also asks soaring questions about our experience of light and space, and even how we fit into the world. In Louis Kahn: The Philosophy of Architecture, John Lobell seeks to reveal how Kahn's buildings speak to grand humanistic concerns. Through examinations of five of Kahn's great buildings--the Richards Medical Research Building in Philadelphia; the Salk Institute for Biological Studies in La Jolla; the Phillips Exeter Academy Library in New Hampshire; the Kimbell Art Museum in Fort Worth; and the Yale Center for British Art in New Haven--Lobell presents a clear but detailed look at how the way these buildings are put together presents Kahn's philosophy, including how Kahn wishes us to experience them. An architecture book that touches on topics that addresses the universal human interests of consciousness and creativity, Louis Kahn: The Philosophy of Architecture helps us understand our place and the nature of well-being in the built environment.

**You Say to Brick**-Wendy Lesser 2017-03-14 Born in Estonia 1901 and brought to America in 1906, the architect Louis Kahn grew up in poverty in Philadelphia. By the time of his mysterious death in 1974, he was widely recognized as one of the greatest architects of his era. Yet this enormous reputation was based on only a handful of masterpieces, all built during the last fifteen years of his life. Wendy Lesser’s You Say to Brick: The Life of Louis Kahn is a major exploration of the architect’s life and work. Kahn, perhaps more than any other twentieth-century American architect, was a “public” architect. Rather than focusing on corporate commissions, he devoted himself to designing research facilities, government centers, museums, libraries, and other structures that would serve the public good. But this warm, captivating person, beloved by students and admired by colleagues, was also a secretive man hiding under a series of masks. Kahn himself, however, is not the only complex subject that comes vividly to life in these pages. His signature achievements—like the Salk Institute in La Jolla, the National Assembly Building of Bangladesh, and the Indian Institute of Management in Ahmedabad—can at first seem as enigmatic and beguiling as the man who designed them. In attempts to describe these structures, we are often forced to speak in contradictions and paradoxes: structures that seem at once unmistakably modern and ancient; enormous built spaces that offer a sense of intimate containment; designs in which light itself seems tangible, a raw material as tactile as travertine or Kahn’s beloved concrete. This is where Lesser’s talents as one of our most original and gifted cultural critics come into play. Interspersed throughout her account of Kahn’s life and career are exhilarating “in situ” descriptions of what it feels like to move through his built structures. Drawing on extensive original research, lengthy interviews with his children, his colleagues, and his students, and travel to the far-flung sites of his career-defining buildings, Lesser has written a landmark biography of this elusive genius, revealing the mind behind some of the twentieth century’s most celebrated architecture.

**How Our Days Became Numbered**-Dan Bouk 2018-02-06 Classing -- Fatalizing -- Writing -- Smoothing -- A modern conception of death -- Valuing lives, in four movements -- Failing the future.

**The Book of Humorous Verse**-Various 2019-11-27 "The Book of Humorous Verse" by Various. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

**Measure of My Days**-Florida Scott-Maxwell 2013-07-31 At eighty-two, Florida Scott-Maxwell felt impelled to write about her strong reactions to being old, and to the time in which we live. Until almost the end this document was not intended for anyone to see, but the author finally decided that she wanted her thoughts and feelings to reach others. Mrs. Scott-Maxwell writes: "I was astonished to find how intensely one lives in one's eighties. The last years seemed a culmination and by concentrating on them one became more truly oneself. Though old, I felt full of potential life. It pulsed in me even as I was conscious of shrinking into a final form which it was my task and stimulus to complete." The territory of the old is not Scott-Maxwell's only concern. In taking the measure of the sum of her days as a woman of the twentieth century, she confronts some of the most disturbing conflicts of human nature—the need for differentiation as against equality, the recognition of the evil forces in our nature—and her insights are challenging and illuminating. The vision that emerges from her accumulated experience of life makes this a remarkable document that speaks to all ages.

**The Days Are Just Packed**-Bill Watterson 1993-09-01 The irrepressible Calvin, aided by his mischievous tiger

sidekick, Hobbes, sets out to save the world with his alter egos, Spaceman Spiff and Stupendous Man, while coping with Miss Wormwood, Santa, Susie, and the monsters under his bed. Simultaneous.

**How John Wrote the Book of Revelation: From Concept to Publication**-Kim Mark Lewis 2015-11-22 How John Wrote the Book of Revelation is the first of its kind, and introduces genetic literary reconstruction to Biblical studies. It enables the reader to produce prior drafts of Hebrew and Christian Scriptures, thereby allowing the reader to apply the literary science of genetic criticism to a book in the Bible. How John Wrote the Book of Revelation takes the most difficult book to understand in the Christian Scriptures and reveals the sequence in which it was written, from the very first line to the final parallel. This provides the reader, for the first time, with the experience of observing how a Biblical book was written, and does this from an intimate perspective, as though they were looking over John's shoulders as he crafted it. How John Wrote the Book of Revelation is the first book that teaches the reader how to read Revelation the way it was written. After centuries of blind guess work trying to divine meaning, and weak interpretations of symbols, this book finally presents a clear, precise, and consistent method. It is a guidebook to identify all the rich symbols and their meanings within Revelation. Inside the pages of this book is the all-encompassing theory of construction for the book of Revelation. It includes three prior drafts of the book of Revelation, along with hundreds of charts and illustrations. How John Wrote the Book of Revelation is like no other book that has been written before, and sets a new paradigm for all Biblical works.

**Holiness**-John Charles Ryle 2002

**Love Like a Rock**-Allison Kohn 2016-02-20 This is the sixth book in the Baker Family Saga. The Civil war is over and it is time for Linda to make her way back to the Willamette Valley. She starts back late in the season - the war didn't end till April, two months after most people set out for the west coast - with Phillip and Major Thomas. Phillip plans to ask her father for her hand in marriage when they get there. They started the trip in a stage coach but had to abandon it and travel in a private wagon. The book starts after their hasty marriage and takes them through all the complications of starting late without the preparations that travelers on the Oregon trail usually made.

**For All Our Days**-Various 2020-08-04 For All Our Days is a sweeping collection of 50 poems and musings to read at a wedding ceremony. Readings range from Shakespearean sonnets and historical love letters to excerpts from classic novels and children's books—and even stand-up comedy routines. Covering a wide range of speech themes and styles, this book ensures there is something for every couple. • A must-have for any couple planning their wedding • Organized into secular and spiritual sections, with religious texts from five major faiths • A sweet reminder of what marriage is all about Engaged couples will love exploring For All Our Days before the big day. This elegant collection of readings is also wonderful for wedding officiants and planners alike. You'll love this book if you love books like The Knot Guide to Wedding Vows and Traditions: Readings, Rituals, Music, Dances, and Toasts by Carley Roney; The Wedding Ceremony Planner: The Essential Guide to the Most Important Part of Your Wedding Day by Judith Johnson; and A Wedding Ceremony To Remember: Perfect Words For The Perfect Wedding by Marty Younklin.

**The Book of Mormon**- 1918

**Number Our Days**-Barbara Myerhoff 1980-05-09 This investigation into the lives of a group of elderly Jews living in Venice, California, establishes correlations between their ethnic heritage and rituals and their acceptance of physical hardship and approaching death

**Ennara and the Book of Shadows**-Angela Shelley 2014-10-31 When strange accidents start happening around thirteen year-old necromancer Ennara and her friends, she must search for the mysterious stolen artifacts causing the attacks while learning the highest form of magic—the spells that could prevent the fruition of a terrible prophecy.

**To Serve Them All My Days**-R. Delderfield 2009-03-01 "R.F. Delderfield is a born storyteller." — Sunday Mirror The beloved classic saga from master author R. F. Delderfield, subject of a landmark BBC miniseries. To Serve Them All My Days is the moving saga of David Powlett-Jones, who returns from World War I injured and shell-shocked. He is hired to teach history at Bamfylde School, where he rejects the formal curriculum and teaches the causes and consequences of the Great War. Eventually David earns the respect of his students and many of his fellow teachers, against the backdrop of a country struggling to redefine itself. As David falls in love and finds himself on track to possibly take on the headmaster role, he must search to find the strength to hold true to his beliefs as the specter of another great war looms. To Serve Them All My Days is a brilliant picture of England between the World Wars, as the country comes to terms with the horrors of the Great War and the new forces reshaping the British government and society. Subject of a Landmark BBC Miniseries Includes Bonus Reading Group Guide WHAT PEOPLE ARE SAYING: "I sometimes still wake up in the morning and look forward to reading more about P.J. and Bamfylde." "From the stationmaster on the first page to the last boy on the last page, these characters all have a very human aspect that connects to you immediately." "This book should be in everyone's library." "This is an ennobling book...it showed a person wounded in body and spirit who found that concentrating on the details of teaching the schoolboys under his care was, in a sense, a healing meditation." "...just the book for a cold rainy day...with a hot cup of tea and a scone." "Mr. Delderfield's manner is easy, modest, heartwarming." Evening Standard "He built an imposing artistic social history that promises to join those of his great forebears in the long, noble line of the English novel. His narratives belong in a tradition that goes back to John Galsworthy and Arnold Bennett." Life Magazine "Sheer, wonderful storytelling." Chicago Tribune "Highly recommended. Combines tension with a splendid sense of atmosphere and vivid characterization. An excellent read." Sunday Express

**The Days Before**-Luke Rajkumar 2012-08 Do you ever wonder why age old prophesies continue to fascinate us? Somewhere in a deep corner in your mind, you must sense some truth in these age old beliefs that we conveniently call myths. Yes, this is true with other people living in faraway lands, who do not understand your thoughts and culture. Jake, a NYC cop is hot on the trail of Rashid a terrorist who is planning attacks on American soil. Ram an Indian scientist is poised to achieve one of biggest scientific breakthroughs in history. Little do they realize that their paths are about to cross, a long time ago a Mayan priest had prophesized the end of the world. Tick tock, the clock is ticking. The universe began with a bang; will a Mayan priest, or a terrorist on the run, maybe an evil cop or even a scientist change the future? Will the end of the world be good or bad?

**As the Days of Noah Were**-Dante Fortson 2014-03-04 What does the Bible really say about the last days on earth? Who were the sons of God? What is the truth behind the birth of giants in the book of Genesis? Did God really hide everything we need to know about the last days in the stories of Noah and Lot? Who or what is really behind all of the UFO sightings and the abduction of humans all over the world? These are just a few of the questions that this book seeks to answer. During our journey we will explore stories from Babylon, Greece, Ireland, Ethiopia, and various other cultures to fill in the missing pieces to one of the biggest mysteries on our planet. This 2nd Edition takes reading to an entirely new level with integrated video and audio interviews that you can listen to and watch while you read. This book features 30+ additional hours of audio and video.

**They Say Our Days Are Numbered**-Ian Salmon 2016-08 At the end of the 1985/86 season, a much younger Ian Salmon was on the verge of becoming a season ticket holder at Anfield - but life had other plans in store. At the start of the 2015/16 season he inherited his late father's season ticket and took ownership of a seat which had been in his family for decades, arriving just in time for a season of change, A reason which would see the

redevelopment of the main stand around it and make his new seat's very future an uncertain one. Uncertainty was also just as apparent out on the field; high-profile signings arrived, Brendan Rodgers departed and Jurgen Klopp, who'd achieved legendary status via his exploits at Borussia Dortmund, entered in a blaze of glory. Still, inconsistency and injury threatened to derail all hope. Fighting on two fronts, at home and in Europe, could Klopp make it a season to remember for the Anfield faithful? They Say Our Days Are Numbered is Liverpool Football Club's 2015/16 season through one Book jacket.

**Ketchup Soup**-James Houck 2011-07-08 A roaring, rollicking, foot-stomping farce. Ketchup Soup is an epic, and at times ribald, comedy about the lovable James Reichardt, a verbose junior copywriter who's just landed his first job at a sleepy advertising agency in New Orleans. Part genius, part naive miscreant, James suffers from illusions of grandeur, not the least of which are the beliefs that business is the key to happiness and that he is Caesar reincarnated. In his first 364 days in the Big Easy he'll join forces with the many colorful characters of the city to bring down the ad agency, swear allegiance to art and lead a revolt against capitalism at the height of Mardi Gras. A tale that is both hilarious and heartfelt, Ketchup Soup is the side-splitting story of one young man's journey through the nonconformists and dank back alleys of New Orleans.

**Ruling Your Days**- 2012-07-17

**From the Days of Dirt**-J. D. Hutchins 2016-07-19 From the Days of Dirt is the memoir of Marcus Hastings, a rebellious teenager who grew up in Maine in the 1990's. Marcus believed it was his mission as a young person to have as much fun as possible by causing high-quality mischief. Even when he isn't looking for trouble, which isn't often, trouble seems to find him. Marcus' journal entries trigger a series of stories chronicling his crooked, haphazard journey into adulthood. His cynical and oddly refreshing perspective on what it means to feel alive finds humor in just about everything- whether that be setting his pants on fire, falling in love or being thrown in jail. Many of his recollections are timeless and relatable. We all had that crazy friend or that weird neighbor, and if not, now you do.

**When All Our Days are Numbered Marching Bands Will Fill the Streets & We Will Not Hear Them Because We Will be Upstairs in the Clouds**-Sasha Fletcher 2010 Fiction. "My advice: those who are to read Sasha Fletcher's delightful enjoiner WHEN ALL OUR DAYS ARE NUMBERED should go into an empty house of an afternoon, shut themselves in a backroom closet on a low shelf, and read straight through without stopping"—Jesse Ball. "Sasha Fletcher, with his dream catastrophes and immense loves, can wand us into a new world. Here is a story that glistens"—Deb Olin Unferth.

**All the Frequent Troubles of Our Days**-Rebecca Donner 2021-08-05 Born and raised in America, Mildred Harnack was twenty-six when she enrolled in a PhD programme in Berlin and witnessed the meteoric rise of the Nazi party. In 1932, she began holding secret meetings in her apartment - a small band of political activists that by 1940 had grown into the largest underground resistance group in Berlin. She helped Jews escape, plotted acts of sabotage and wrote leaflets denouncing Hitler's regime. On the outbreak of the Second World War she became a spy, couriering top-secret intelligence to the Allies. On the eve of her escape to Sweden, she was ambushed by the Gestapo. At a Nazi military court she was sentenced to six years at a prison camp, but Hitler overruled the decision and ordered her execution. On 16 February 1943, she was strapped to a guillotine and beheaded. Fusing elements of biography, political thriller and scholarly detective story, Harnack's great-great-niece Rebecca Donner brilliantly interweaves family archives, original research, exclusive interviews with survivors, and a trove of declassified intelligence documents into a powerful, enthralling story, reconstructing the moral courage and previously untold story of an enigmatic woman nearly erased by history.

**Make Me Beautiful**-Pamela Lundy 2017-06-02 Take this journey through the life and times of Pamela Lundy, an African-American "Baby Boomer" from Detroit, Michigan. Her intriguing, impactful story spans over five decades of time. Her parents were divorced when she was very young, and her mother was denied visitation of her children. Subsequently, Pamela was left feeling unwanted and unloved. Her workaholic father took her and her five siblings to live with his parents in their overcrowded home. They became lost somewhere in the shuffle...It was there that she and her siblings were violated and became the frightened, fragile, voiceless victims of incest. Left carrying a boatload of baggage, guilt and shame, Pamela refuses to fade into the background. Though the survivor in her emerges, the traumatizing experience stays with her throughout most of her lifetime. She suppresses her feelings and attempts to hide her dirty little secret behind attaining and maintaining the outer image of beauty. Time after time, in desperation she attempts to capture it. Walk through her times of childhood bliss, those days of pony tail wearing, hop scotch playing and penny candy eating. Get a feel for the 1950's and 60's smoke-filled beauty shops as the "pressing comb" works its transitional magic converting Black women's hair from kinky to straight. Learn the plight of this Black woman's attempt to replicate the images of the Caucasian women which graced the covers of popular magazines, the ones that set the standard for what was deemed as beautiful. March through the times of civil unrest and experience a revolution in America. Read about Pamela's personal encounter with racial prejudice, after which she develops a clear perception of the magnitude of the raw, uncut hatred toward her people. Her journey continues as she evolves from a child into a woman. Her life seems plagued with obstacles. She faces many challenges. This is a story about the vicissitudes of life and everything in between. Ultimately, Pamela learns to view life as a series of experiences and lessons learned. Throughout this book she has incorporated her reflections, of which she shares with her readers. And for the most part, she is

successful at turning her struggles into triumphs. Her story concludes as she finds the strength and courage to dig deep inside herself and break free from the demons of her past. As she unmask her outer image of beauty and perfection, she relinquishes her heavy load of shame and realizes what the true essence of beauty really is.

**Your Days Are Numbered**-John Perritt 2016-03-20 Wasting time might not seem like a big deal to some, except for the fact that our time really isn't ours, but God's. Not only that, but it is a limited resource. You can be the richest person in the world and you still can't buy more time. If we want a heart of wisdom, according to the psalmist, we must number our days. Your Days are Numbered takes a biblical look at the way in which we spend our time to cultivate this mind-set of seeing each day as a vital opportunity to live for the glory of God.

**Edwy the Fair ; Or, The First Chronicle of Aescendune**-A. D. CRAKE 1930

**Garden of Life**-Jana Kennedy-Spicer 2016-12-04 Let your soul be inspired with the "Garden of Life" Adult Coloring Book. Inspirational Scripture and encouraging quotes are featured on each page through beautifully hand-drawn artwork. Be inspired as you spend time reflecting on scripture as well as enjoying the calming and refreshing benefits of coloring. **Blackout**-Joey Jameson 2013 He's the one you dream about. He's the one you obsess over. He's the one you'd kill for. Dice Valentine was born to strip. With the body of a god that drips with sex appeal, his dance moves leave his male clients breathless and begging for more. But lost in a dark world of hedonism and indulgence, Dice is beginning to want out. That is until a night of mind-blowing sex with a mysterious lover takes a grim, shocking turn, and he finds himself in a desperate attempt to clear his name...as the hunter becomes the hunted. "Blackout" is a dark tale of sex and betrayal that will haunt you, possess you until the final moments, and make you doubt everything you thought you knew about the truth.

**Jesus Is Speaking to You**-Melissa Michelle 2017-10-14 This book is filled with lovely, "stream of consciousness" devotions and words of encouragement from the heart of Melissa Michelle. Her thoughts pour onto the page just as her heart pours out to Jesus. Poetry and prose blend together into timely inspiration for your everyday life.

**Vagabond Souls**-Pamela Stewart 2017-08-21 In 2155, being different could cost you your life. After surviving a terrorist attack on her home in Antarctica, Ionia travels deep into NAR Territory. She wants to get her new eye, figure out her feelings about her bot-boyfriend Den, learn to cope with her hell-cat mom, and maybe figure out her place in the world. But from the moment they arrive, Den is targeted and marked as a fleshie, a droid designed to appear human. And worse, her extended family has been keeping a deadly secret about her past which could make her a target as well. When Ionia and Den are separated, Ionia must risk everything to find and save him. Can Ionia escape the NAR territory without losing her love, her freedom and maybe even her humanity? Fans of Cinder, Divergent, and Configured will love this mysterious adventure tale of love, bravery, and sacrifice.

**What Real Love Taught Me**-Arlene Galinos 2014-12-07 An inspirational book to encourage you in your personal walk with the Lord. Lessons taken from the authors life will bring you closer to the Father's heart.

**The days of our age**-Harry Jones 1894

**The Academy and Literature**- 1878

**England as Seen by Foreigners in the Days of Elizabeth & James the First**-William Brenchley Rye 1865

**Numbering Our Days**-Frederick W. Brauns 1868

**The Book of Days**-Robert Chambers 1881
