**Blue Mind**-Wallace J. Nichols 2014-07-22 A landmark book by marine biologist Wallace J. Nichols on the remarkable effects of water on our health and well-being. Why are we drawn to the ocean each summer? Why does being near water set our minds and bodies at ease? In BLUE MIND, Wallace J. Nichols revolutionizes how we think about these questions, revealing the remarkable truth about the benefits of being in, on, under, or simply near water. Combining cutting-edge neuroscience with compelling personal stories from top athletes, leading scientists, military veterans, and gifted artists, he shows how proximity to water can improve performance, increase calm, diminish anxiety, and increase professional success. BLUE MIND not only illustrates the crucial importance of our connection to water-it provides a paradigm shifting "blueprint" for a better life on this Blue Marble we call home.

**Tender Buttons Illustrated**-Gertrude Stein 2021-01-21 Tender Buttons is a 1914 book by American writer Gertrude Stein consisting of three sections titled "Objects", "Food", and "Rooms". While the short book consists of multiple poems covering the everyday mundane, Stein's experimental use of language renders the poems unorthodox and their subjects unfamiliar.Stein began composition of the book in 1912 with multiple short prose poems in an effort to "create a word relationship between the word and the things seen" using a "realist" perspective. She then published it in three sections as her second book in 1914

**9 Years on the 7 Seas With S/Y Nor Siglar**-Anne E. Brevig 2014-03-23 At the peak of their careers, Anne Brevig and Martin Vennesland made the decision of their lives: they chose freedom and a highly uncertain future on the high seas instead of secure jobs and the safety and comfort of life ashore.In order to finance their dream, they sold their house and most of their belongings and moved onboard their 40-foot sailboat. It became their one and only home for 15 years. Neither imagined that they were going to spend 9 years on the 7 seas and journey more than 56,000 nautical miles. Back on terra firma, their once-in-a-lifetime adventure, which was packed with drama and excitement, was immortalized in a beautiful coffee table book, “9 Years on the 7 Seas”. It quickly became a bestseller, and when it sold out in paper format, the adventurous couple decided to share their experiences with the world in the equally exciting "Seven Seas Adventures” Series, which is now available both in print and several eBook formats.Anne and Martin's blue water adventure is not about breaking any records. Its main focus is meeting people from different backgrounds and cultures - encounters that take on entirely different dimensions when sailing off the beaten track far away from the traditional tourist routes. Anne and Martin crossed the big oceans and visited 76 countries and island nations. They realized their dreams. Now, they hope that their books in the "Seven Seas Adventures" Series, which are saturated with enchanting encounters, danger and unique experiences, will inspire others to pursue their own dreams - whatever they may be. At least, to “dare to take the leap”. The Series certainly gives a rare opportunity to live vicariously in theirs, and their beloved sailboat, “NOR SIGLAR’S” wake.

**One Line a Day**-Annie Watts 2015-02-09 Do you ever stop to wonder what you have been through until you got where you are?Or simply want to record your journey in a one line a day five year memory journal? The One line a day 5 Year Journal shows you what you were thinking each day—for five years of your life. Simply turn to today's date, record the one life changing moment you had, and when you finish the journal, start over. As you return to the daily pages again over the years, you'll notice how your focus change (or don't)! This classically but simply designed journal—is the perfect gift for anyone who loves to reflect back at some point in their life.

**Cabin Fever Illustrated**-B M Bower 2021-01-25 There is a certain malady of the mind induced by too much of one thing. Just as the body fed too long upon meat becomes a prey to that horrid disease called scurvy, so the mind fed too long upon monotony succumbs to the insidious mental ailment which the West calls cabin fever. True it parades under different names, according to circumstances and caste. You may be afflicted in a palace and call it ennui, and it may drive you to commit peccadilloes and indiscretions of various sorts. You may be attacked in a middle-class apartment house, and call it various names, and it may drive you to cafe life and affinities and alimony.

**Interracial Romance**-Blue Davis 2016-01-29 Winter Monroe isn't your average ballerina. She's strong, she's confident, and... she's black. She is an African-American student who attends the Moskva Ballet Academy in Moscow. Her biggest dream is to grace the stage with legendary Russian ballet dancers and she has worked her entire life just to be able to be trained by the best. Will she actualize her dream of dancing on stage with the Company, or will she remain a starving student, forever longing to be a world-class ballerina? Nikolai Vasilek's sole desire is to leave the life of crime behind. His wife was killed last year, due to his own negligence. He's had it. He's done with it all. He wants to check out of Russia, and find a small oasis in Croatia or Greece, where he can spend the rest of his life in solitude. However, a friend is in peril and calls for help. Nikolai reluctantly commits to a single task. His job is to steal the ballerina and keep her locked away for three days, no questions asked. Will he succeed in kidnapping her for the duration of the job? Further, will Nikolai be able to control his urges around the limber ballerina, or will he succumb to her curves and screw the job up, forfeiting his chances of ever leaving the treacherous mafia life behind? WARNING: This is a fast-paced story that contains elements of sex and violence. For adults only. Interview with Blue Davis Why did you choose to have the main character be a black ballerina? I love the stories of successful black ballerinas. Many of them are phenomenal dancers that have raised our level of awareness to support black ballerinas in their quest to succeed on a stage where only whites have traditionally performed. I had always been a fan of ballet, but I didn't even realize race and discrimination was an issue in the ballet world until I saw something on Facebook one day. Then I started researching. These dancers are an inspiration to young black women everywhere. Why is the story set in Russia? Because it's fun to go abroad with the story. And where else would we go, but Russia? Russians are world-renown for their remarkable contribution to ballet, and I think it's interesting to have a black American woman come over and walk in on their turf. The whole story is completely fictional of course, but it is so intriguing to imagine the types of conflicts that could occur. Does this book contain sex or violence? Yes. This is a fast-paced interracial romance book (BWWM or black women white men) for Kindle that contains both sex and violence. It is very steamy, so please be ready for that. Is it series or stand-alone? This is a stand-alone novel that contains no cliffhangers. Please enjoy and thank you for reading!

**Metaphor Issue 3**-April Mae Berza 2015-06-06 Metaphor is a quarterly magazine of modern and contemporary poetry. We seek to promote work from new and established poets. We are literature beyond literature.

**Dragon Eyes**-Liz Palmieri-Coonley 2014-10-24 Char Lo Mein is a wise and compassionate dragon who presides over and protects the village of Tukung. As the years pass, his scales begin to flake off, his bones turn brittle, and he knows he must soon find someone who can replace him as the village guardian. Out of all the villagers, the wise old dragon chooses Chou Ling—a ten-year-old girl. Chou Ling is already highly skilled in the art of judo, but Char Lo Mein sees something even more important when he looks at her—a pure heart. Reminding her of his teachings about peace, love, and compassion, the dying dragon advises Chou Ling on how important it is to choose the way of love to heal the world and protect the people he's leaving in her care. But when the dragon is gone—she'll still just be a ten-year-old girl, only this time she'll be alone. Did Char Lo Mein choose the right person? Can Chou Ling fulfill her promise? Written like an Asian folktale, Dragon Eyes gently exposes children to the concept of death while also teaching them the important, and surprising, lesson that love is more powerful

than violence.

**The White Light Chronicles**-Rj Truman 2014-08-11 Adrianna thought she lived in Hell, but it was nothing compared to what was about to happen to her. In 'Adrianna - Blue Like My Heart' the third instalment of The White Light Chronicles. We get to discover how it feels to be a demon from the deep, who is one day transported into a weak frail human body. With extracts from Adrianna's personal journal you can get a real feeling of what it's like to be a creature from the Under World, living in the real world. Find out what really happened in the years when Lucifer wasn't around to take care of things in the Under World. Only one will rise, but who will fall? All I can say for sure is not everyone will make it.

**Refuge**-Doug Dandridge 2012-11-03 The adventure continues. Millions of Earth humans are transported to a world of magic and are in the fight for their lives against an evil Ellala Elf Emperor who sees them as soul energy to extend his life as a Lich. But the forces of NATO have brought their weapons along, and it's tanks against wizards, attack helicopters against dragons, nuclear weapons against Elder Gods. The technology of Earth will only work for a short period of time on the new world, due to the laws of Refuge finally overwhelming the beliefs of the newcomers. So it's use it or lose it, and the humans, under the command of United States Major General Zachary Taylor, use it with a vengeance. And the humans have brought along allies unlike any seen on Refuge in recent memory. Immortals of great physical power and an immunity to magic. Centenarian Kurt von Mannerheim, a veteran of the slaughter on the Eastern Front of World War Two. Ismael Levine, the Wandering Jew of legend, born prior to Christ. And newcomers, the American Jackie Smith, and the giant Brit Paul Mason-Smythe. Will they be enough to tilt the balance? Or will the humans have traded the nightmare of a nuclear ravaged world for one in which Dark Gods prey on their souls? Allies will be gathered, and new enemies made, as technology fights magic in an effort to gain time and space for the forging of a new kingdom.

**Dark Waters**-Eric V. E. Norton 2017-09-19 Life reflected off the surface of Dark Waters creates distorted and disturbing images. Images made more frightening when the view is from below. Watching as rising bubbles of hope break just out of reach. Kicking to reach the surface, desperate to tread water, not even daring to consider the dream of making it Upstream. Catch a breath, look left and begin to swim.

**Fur Bearers**-John Fort 2016-07-15 Butch and a few of his werewolves have survived the battle with another clan. But now they face another danger. The police and FBI know of their existence and are hunting them. Their only option is to run, to find a place where they can live in peace and try to grow their pack. Thus begins the dangerous journey to Montana, where a new threat awaits them - ancient ones who consider werewolves their sworn enemy. Is the pack doomed to extinction? They will have to use all their wits and courage to avoid a complete disaster.

**Tears in Arizona**-Abby Jacobson 2012-08 But when Janey learns that the call is from a hospital all the way in Phoenix, Arizona, and a social worker is telling her that her father-in-law is in the hospital, her busy morning suddenly grinds to a halt. Every year, Janey, her husband, William, and their daughter, Kate, make the trip from Kansas City to Phoenix to visit Jack and Leah Bernett, William's parents, to celebrate a magnificent Christmas holiday. But this trip turns out very differently for this small family. Not long after his father's admission to the hospital, William is shocked to discover that his mother is missing. He decides to rush out to Arizona to find out what has happened to his father and find his missing mother, leaving Janey and Kate to follow him later. Find out what will happen next as one loving family copes with adversity, rallies among themselves, and grows closer in Abby Jacobson's bittersweet and reflective novel, Tears in Arizona.

**BLUE WATER, a Year in the Ocean**-Julianna Lembeck 2021-02 An award winner of the 89th Annual Writer's Digest Competition for Children's/Young Adult Fiction, this lyrical, coming-of-age novel peels away superficial labels pertaining to mental health, substance abuse, and trauma cycles. BLUE WATER, a year in the ocean. is told through seventeen-year-old Jordan's raw, human lens as she navigates a complex first love, friendships, and family strife. It's 2009, Jordan's home life has quietly fallen apart, and she's clinging to the scraps she has left--school and friends. Waves of severe depression and anxiety threaten to pull her under, but as a star student, she remains determinedly driven, convinced college is her bridge to a better life. When Jordan sparks the attention of bad-boy Kolton Farrow, she finds herself consumed by their whiplash romance, and things turn from dismal to desperate. She finishes her junior year of high school with honors, AP credits, and a cumulative 4.1 GPA, but three months later, she begins her senior year days shy of a stint in juvenile hall. She manages to maintain her grades but continues to lose herself. After college, Jordan gains traction in her young marketing career, and with each passing year, she distances herself further and further from the disasters of that pivotal summer. The one thing she can't shake? Kolton. How is it that eight years later, Jordan and Kolton are locked in the same toxic cycle they were at seventeen? And when the tension between external accolades and internal chaos festers to a head, which aspect of herself wins?

**Blue Water High**-Shelley Birse 2008 It's tough being the youngest member of the Solar Blue surfing academy. It's tough being friends and competitors at the same time; and combining study and training. But for 14-year-old Fly Watson, the adventure of her life has only just begun. Blue Water High: The Novel is based on the hugely popular children's television series Blue Water High, which won most outstanding children's program at the 2006 Logie Awards. It's the engrossing story of 12 months at the academy, seen through the eyes of Fly. Surfing is all Fly has ever wanted to do but, suddenly, there's a whole lot more that seems to be getting in the way - such as Heath, and some very buried demons that Fly is determined not to reveal. And then there's the one big

question that haunts them all: who will qualify to surf the pro-circuit and win a three-year sponsorship contract?

**Firsts**-Carl Phillips 2019-01-01 A masterfully curated collection, drawn from a century of works in the acclaimed Yale Series of Younger Poets The Yale Younger Poets prize is the oldest annual literary award in the United States. Its winners include some of the most influential voices in American poetry, including Adrienne Rich, John Ashbery, Margaret Walker, Carolyn Forché, and Robert Hass. In celebration of the prize's centennial, this collection presents three selections from each Younger Poets volume. It serves as both a testament to the enduring power and significance of poetic expression and an exploration of the ways poetry has evolved over the past century. In addition to judiciously assembling this wide-ranging anthology, Carl Phillips provides an introduction to the history and impact of the Yale Younger Poets prize and its winners in the wider context of American poetry, including the evolving roles of race, gender, and sexual orientation.

**Offshore Pursuit**-John Unkart 2012-07-28 The tranquil beauty of a morning sunrise over the Atlantic Ocean is in direct contrast to the savage acts taking place beneath the water's surface. Powerful tails propel half-ton blue marlin at nearly 50 mph, as their bills slash at baitfish. The razor-sharp teach of wahoo cut unsuspecting prey in half. And these predators become the hunted, when anglers venture forth in Offshore Pursuit. Experience what the ultimate sport fishing has to offer: surface eruptions on trolled baits, rods bent in half, drags screaming, and adrenaline pumping. Whether you call blue water your regular fishing grounds or want to experience the thrill for the first time, don't leave success in the hands of Lady Luck. Knowledge and experience are necessary to produce results, and Offshore Pursuit has the information you need to catch big game fish in offshore waters. What baits each species prefers, methods of trolling, types of spreads, how to chunk for tuna, and when and how to use a kite are all covered in detail. Proven methods learned through years of experience are clearly explained to help you catch more fish. From rigging techniques to tips on how to fight trophy fish, it's all in this book.

**African Review**- 1896

**All the Year Round**-Charles Dickens 1860

**Through the Year with the Poets**-Oscar Fay Adams 1886

**A Blue Water Navy**-William Alexander Binny Douglas 2007 Although the Royal Canadian Navy had spent the early years of the Second World War in a desperate struggle against German U-boats on the North Atlantic convoy routes, the service's professional officers never lost sight of the need to build a balanced national navy, one that included the larger warships required for Canada to project its naval power around the globe. Part 2 of the Official Operational History continues the story of the Royal Canadian Navy begun in No Higher Purpose and carries the narrative into the decisive final years of the Second World War, as the navy largely achieves its "blue water" ambitions. Based on extensive research in Canadian, British, American and German archives, A Blue Water Navy follows the RCN's path to victory from 1943 to 1945 as Canadian warships engage the enemy across the globe in the Atlantic, Arctic and Pacific Oceans as well as in the dangerous waters of the European littoral. Beginning with the Allies' North Atlantic triumph over the German submarine arm in April-May 1943, the volume examines the navy's many roles in European waters, including the RCN's combined operations role in the amphibious assaults on Dieppe, northwest Africa and Sicily; the procurement of large fleet destroyers and their operations guarding important Arctic and Mediterranean bound convoys; and the culmination of the RCN's overseas buildup with Operation Neptune and the invasion of Normandy. A Blue Water Navy recounts the multitude of tasks Canadian naval forces performed in the war's final phases, from motor-torpedo boat, minesweeping and fleet operations to the inshore anti-submarine campaign. In tracing the acquisition of cruisers and Canadian-manned escortcarriers, this important and well-illustrated history thoroughly explores the world-wide scope of the Royal Canadian Navy's involvement in the Second World War and its transition from a small-ship navy into a balanced force. A Blue Water Navy was written by a team of professional historians and has been in preparation for many years. The first volume of this official history, No Higher Purpose, was highly praised by veterans of the RCN, current sailors and naval officers, and students of military and naval history. This second volume will be equally well received. REVIEWS ..,"Unlike many official histories, the writing in this book is clear and easy to read while still being quite informative. The section on naval support at D-Day is perhaps the best and most complete that I've ever read."Books-On-Line 7-07
