| <p><b>Naked Hollywood</b>-Weegee 1975</p>  |
| <p><b>Naked Hollywood</b>-Richard Meyer 2011 Accompanies the exhibition "Naked Hollywood: Weegee in Los Angeles" held at the Museum of Contemporary Art, Los Angeles, MOCA Grand Avenue, Nov. 13, 2011-Feb. 27, 2012.</p>  |
| <p><b>Naked in Hollywood</b>-Roger Leatherwood 2015-09-01 This is a story of desire and decadence, of the pursuit of fame and youth wasted in the striving for the adoration of the millions. Young and old, successful and the discarded, all are stripped naked in Hollywood. Young studio assistants and hangers-on troll the backstreets and back rooms of Los Angeles's trendiest neighborhoods looking for their next deal, their next sex partner, the next opportunity to make it big. Across town and in the office next door, studio executives, agents and producers weave a conspiracy of gossip, lies and publicity to sell their wares, fool the public and hide their deeds and desires from the glare of day. In the shadows of the sun-soaked palm-lined City of the Angels, all bets are off and everything's for sale. There are 2 Hollywoods, one that outsiders aspire to and one insiders protect at all costs. *Revised 2nd edition*</p>  |
| <p><b>The Naked Truth</b>-Kevin Sandler 2007-08-22 From parents and teachers to politicians and policymakers, there is a din of voices participating in the debate over how young people are affected by violence, strong language, and explicit sexual activity in films. The Motion Picture Association of America (MPAA) responded to this concern in 1968 when it introduced a classification and rating system based on the now well-known labels: "G", "PG", "PG-13", "R", and "X". For some, these simple tags are an efficient way to protect children from viewing undesirable content. But do the MPAA ratings actually protect children? In The Naked Truth, Kevin. S Sandler argues that the rating system does not protect children but instead protects the Hollywood film industry. One prime indicator of this is the collective abandonment of the NC-17 rating in 1990 by the major distributors of the MPAA and the main exhibitors of the National Association of Theatre Owners. By categorizing all films released by Hollywood and destined for mainstream theaters into R ratings (or lower), the industry ensures that its products are perceived as "responsible entertainment" to all audiences and "incontestable" to politicians and moral reformers. By embracing a no-NC-17 rule, the industry collapses mature subject matter with pornography, creating a national cinema where certain representations of sex and nudity are taboo.</p>  |
| <p><b>Harold Lloyd's Hollywood Nudes in 3-D!</b>-Suzanne Lloyd 2011-09-07 A dazzling array of Hollywood starlets and pin-up girls come to life in hundreds of eye-popping, 3-D photographs taken by legendary film star Harold Lloyd "Lush and glorious?" ?Vanity Fair Includes a pair of Harold Lloyd-style 3-D glasses! Harold Lloyd, along with Charlie Chaplin and Buster Keaton, was one of the greatest stars of the silent film era, appearing in such classics as Safety Last! and The Freshman. He was also an avid photographer with a passion for stereoscopic photography, or 3-D. In 1947 he began taking pictures of family and friends, including Marilyn Monroe, Humphrey Bogart, Lauren Bacall, and Ronald Reagan. During his lifetime he took more than 300,000 photographs, thousands of which featured starlets and models who posed nude in front of some of the most spectacular and creative backdrops and scenery. Collected here for the first time by Lloyd's granddaughter, Suzanne Lloyd, and now in paperback, Harold Lloyd's Hollywood Nudes in 3-D! presents the most lavish, luscious, and, yes, ludicrous photographs of Hollywood nudes from the 1940's, 50's and 60's in all kinds of settings, including Lloyd's luxurious Greenacres estate, the Grand Canyon, and studios filled with outrageous props such as faux flowers, animal pelts, and Christmas kitsch. There are 200 photographs in all, 50 of them rendered in 3-D and viewable with the special Harold Lloyd?style 3-D spectacles for an enhanced and extraordinary visual experience!</p> |
| <p><b>Vanity Fair</b>- 1995-07</p>   |
| <p><b>Hollywood, Interrupted</b>-Andrew Breitbart 2004-03-15 Hollywood, Interrupted is a sometimes frightening,occasionally sad, and frequently hysterical odyssey into thedarkest realms of showbiz pathology, the endless stream ofmeltdowns and flameouts, and the inexplicable behavior on the partof show business personalities. Charting celebrities from rehab to retox, to jails, cults,institutions, near-death experiences and the Democratic Party,Hollywood, Interrupted takes readers on a surreal field tripinto the amoral belly of the entertainment industry. Each chapter— covering topics including warped Hollywood child-rearing,bad medicine, hypocritical political maneuvering and the complicitmedia — delivers a meticulously researched,interview-infused, attitude heavy dispatch which analyzes anddeconstructs the myths created by the celebrities themselves. Celebrities somehow believe that it's their god-given right toinfect their pathology on the rest of us. Hollywood,Interrupted illustrates how these dysfunctional dilettantes aremad as hell... And we're not going to take it any more.</p>  |

| <p><b>The Naked Blogger of Cairo</b>-Marwan M. Kraidy 2016-06-06 Across the Arab world, protesters voiced dissent through slogans, graffiti, puppetry, videos, and satire that called for the overthrow of dictatorial regimes. Investigating what drives people to risk everything to express themselves in rebellious art, Marwan M. Kraidy uncovers the creative insurgency at the heart of the Arab uprisings of 2010–2012.</p>  |

| <p><b>Naked City</b>-Weegee 2015-03-24 When Naked City was published in 1945, it was an instant success and inspired a Hollywood film. Naked City is Weegees unflinching look at his beloved New York City through photos by turns ironic, hilarious, seamy and brutal. Photographing the city at all hours and in all its guises, Weegee created a thrilling, lonely and candid portrait, and a style that was to inspire younger photographers, not least Diane Arbus. Steidls facsimile of Naked City carefully recreates the original book, bringing to life an object that is in form and spirit as close as possible to the first edition, and of which Weegee would be proud. Weegee (Arthur Fellig, 1899 1968) is best known for his tabloid news photos of urban crowds, crime scenes and New York City nightlife of the 1930s and 1940s. Between 1935 and 1946, Weegee was perhaps the most relentlessly inventive figure in American photography. Weegee later dedicated himself to what he called creative photography, images made through distorting lenses and other optical effects. He also made short films and collaborated with film directors such as Jack Donohue and Stanley Kubrick, as a special-effects consultant and still photographer.</p>   |
| <p><b>Film Directors</b>-Michael Singer 2001</p>   |
| <p><b>Cary Grant, the Making of a Hollywood Legend</b>-Mark Glancy 2020-09-25 The first biography to be based on Grant's own personal papers, Cary Grant: the making of a Hollywood legend provides a definitive account of the professional and personal life of one of Hollywood's most unforgettable, influential stars.</p>  |
| <p><b>Hollywood Wars</b>-John W. Cones 2007 This book represents the most comprehensive critical analysis of the big picture in Hollywood with respect to how those whocontrol the institution gained and have maintained that control for its 100-year history. The book traces the evolution and development of specific tactics and strategies implemented by the upper level management of that controlling handful of major studio/distributors and explains the relationship between control of the financial side of the film business and the creative side. One important aspect of that control arises from the use of unfair, unethical, unconscionable, anti-competitive, predatory and illegal provisions in the distribution deal between film distributors and producers.</p>   |
| <p><b>The Hollywood Novel</b>-Anthony Slide 1995 This reference book details over 1,200 English-language works from a variety of genres, such as historical novels, romances, mysteries and thrillers. Arranged by author, the entries include bibliographic information on the books, a brief synopsis that sets the author's work in context, and a critical examination.</p>  |

Features: Over 6,000 Film Actors; Over 14,000 Film Listings; Lists Academy Awards and nominations; Includes credits and contact information; Includes cross-referenced index by film titles/actor; Completely updated and revised annually.</p>   |
| <p><b>Hollywood Power Stats</b>-Christopher Reynolds 1993</p>  |
| <p><b>The Hollywood Novel and Other Novels about Film, 1912-1982</b>-Bowers 1985</p>   |
| <p><b>The Last Great American Picture Show</b>-Alexander Horwath 2004 This publication is a major evaluation of the 1970s American cinema, including cult film directors such as Bogdanovich Altman and Peckinpah.</p>   |
| <p><b>Catalog of Reprints in Series</b>- 1956</p>  |
| <p><b>Catalog of Reprints in Series</b>-Robert Merritt Orton 1958</p>  |
| <p><b>Los Angeles</b>-Gil Reavill 1992</p>   |
| <p><b>Hollywood's Eve</b>-Lili Anolik 2019-01-08 Los Angeles in the 1960s and 70s was the pop culture capital of the world—a movie factory, a music factory, a dream factory. Eve Babitz was the ultimate factory girl, a pure product of LA, and Vanity Fair writer “Lili Anolik decodes, ruptures, and ultimately intensifies Eve’s singular irresistible glitz” (The New Yorker). The goddaughter of Igor Stravinsky and a graduate of Hollywood High, Eve Babitz posed in 1963, at age twenty, playing chess with the French artist Marcel Duchamp. She was naked; he was not. The photograph made her an instant icon of art and sex. Babitz spent the rest of the decade rocking and rolling on the Sunset Strip, honing her notoriety. There were the album covers she designed: for Buffalo Springfield and the Byrds, to name but a few. There were the men she seduced: Jim Morrison, Ed Ruscha, Harrison Ford, to name but a very few. Then, at nearly thirty, her It girl days numbered, Babitz was discovered—as a writer—by Joan Didion. She would go on to produce seven books, usually billed as novels or short story collections, always autobiographies and confessionals. Under-known and under-read during her career, she’s since experienced a breakthrough. Now in her mid-seventies, she’s on the cusp of literary stardom and recognition as an essential—as the essential—LA writer. Her prose achieves that American ideal: art that stays loose, maintains its cool, and is so simply enjoyable as to be mistaken for simple entertainment. For Babitz, life was slow days, fast company until a freak fire turned her into a recluse, living in a condo in West Hollywood, where author Lili Anolik tracked her down in 2012. Hollywood’s Eve, equal parts biography and detective story “brings a ludicrously glamorous scene back to life, adding a few shadows along the way” (Vogue) and “sends you racing to read the work of Eve Babitz” (The New York Times).</p> |
| <p><b>Time</b>- 1991</p>   |
| <p><b>Weegee and Naked City</b>-Anthony W. Lee 2008-04-02 “While Berenice Abbott, Margaret Bourke-White, and Alfred Steiglitz photographed New York’s sleek skyscrapers, Arthur Fellig (called Weegee) documented the seamy underside of depression-era New York. In this extraordinary book, Richard Meyer and Anthony Lee tell a gripping tale, filled with historical detail about Weegee’s transformation from freelance newspaper photographer to fine artist with the publication of his enormously successful book Naked City, in 1945.”—Cécile Whiting, author of Pop L.A.: Art and the City in the 1960s “Lee and Meyer return Weegee to his ‘working world’ by exploring the multiple contexts of his production-the Photo League, the tabloids, the exhibition galleries, and the book market. The volume adds an important dimension to our understanding of how Weegee straddled the worlds of popular culture, photojournalism, and left politics.”—Miles Orvell, author of American Photography and John Vachon’s America: Photographs and Letters from the Depression to World War II (UC Press) “Groundbreaking. Anthony Lee and Richard Meyer delve deeply into a rich archive of media and exhibition history, criticism, and biography to arrive at original interpretations of the most enigmatic photographer in modern visual and print culture.”—Jordana Mendelson, author of Documenting Spain: Artists, Exhibition Culture, and the Modern Nation, 1929-1939</p>   |
| <p><b>The Publishers' Trade List Annual</b>- 1981</p>  |
| <p><b>Contemporary Hollywood's Negative Hispanic Image</b>-Alfred Charles Richard 1994 "This highly specialized filmography will be a godsend to anyone investigating the image of Hispanics in films during the past four decades." Wilson Library Bulletin</p>   |
| <p><b>Book Review Digest</b>- 1992</p>   |
| <p><b>Naked city</b>-Weegee 1975-12-01 Tragedy, violence, wealth, poverty, joy, and love in New York City during the 1930's and early 1940's are captured in a photographic collection</p>   |
| <p><b>Postwar Hollywood</b>-Drew Casper 2007-09-11 Postwar Hollywood is a comprehensive history of the American film industry, from 1946-1962. A comprehensive introductory textbook exploring the unique period in the history of the film industry after World War II Examines the cultural history, business practices, new technologies, censorship standards, emerging genres, and styles of post-war cinema Chronicles the restructuring of Hollywood cinema against the backdrop of the major political, economic, and social changes taking place after World War II Features in-depth discussions of important films from Picnic, The Heiress, and From Here to Eternity, to Cat On A Hot Tin Roof and Love Me or Leave Me Illustrates the culture/filmmaking interface, and demonstrates the triumphs and failures of Hollywood's new methods of business</p>  |
| <p><b>A Thousand Naked Strangers</b>-Kevin Hazzard 2016-01-05 A former paramedic’s visceral, poignant, and mordantly funny account of a decade spent on Atlanta’s mean streets saving lives and connecting with the drama and occasional beauty that lies inside catastrophe. In the aftermath of 9/11 Kevin Hazzard felt that something was missing from his life—his days were too safe, too routine. A failed salesman turned local reporter, he wanted to test himself, see how he might respond to pressure and danger. He signed up for emergency medical training and became, at age twenty-six, a newly minted EMT running calls in the worst sections of Atlanta. His life entered a different realm—one of blood, violence, and amazing grace. Thoroughly intimidated at first and frequently terrified, he experienced on a nightly basis the adrenaline rush of walking into chaos. But in his downtime, Kevin reflected on how people’s facades drop away when catastrophe strikes. As his hours on the job piled up, he realized he was beginning to see into the truth of things. There is no pretense five beats into a chest compression, or in an alley next to a crack den, or on a dimly lit highway where cars have collided. Eventually, what had at first seemed impossible happened: Kevin acquired mastery. And in the process he was able to discern the professional differences between his freewheeling peers, what marked each—as he termed them—as “a tourist,” “true believer,” or “killer.” Combining indelible scenes that remind us of life’s fragile beauty with laugh-out-loud moments that keep us smiling through the worst, A Thousand Naked Strangers is an absorbing read about one man’s journey of self-discovery—a trip that also teaches us about ourselves.</p>   |
| <p><b>The Naked Truth</b>-Jean-Pierre Dorleac 2015-04-01 Fascinating, highly candid and often uproarious, costume designer Jean-Pierre Dorléac’s detailed Hollywood accounts strip back the façade from the years between 1973 and 1985, when classic glamour became a thing of the past. Through his award-winning works spanning theater, television, film, couture, burlesque and ballet, Jean-Pierre draws on firsthand, factual knowledge to paint an insider’s picture of the entertainment industry.Get a behind-the-scenes account of what it took to create the magic of Battlestar Galactica, Buck Rogers in the 25th Century, Somewhere in Time, The Blue Lagoon and other diverse projects that brought recognition, respect and acclaim to Dorléac through Oscar, Emmys and The Los Angeles Drama Critics Circle Awards while he secured his idiosyncratic place in history as the creator of the figure-hugging, wildly popular, spandex pants.Guided by the treasured advice of his mentor, Edith Head, Dorléac was able to successfully retain his composure in exasperating situations and skillfully maintain his balance between obstreperous actors, demanding directors and powerful producers. This is an engaging chronicle of a crucial 12-year period when the dogged pursuit of higher profits radically changed the entertainment industry and replaced singular, custom-made designs with cut-rate, ready-to-wear on rolling racks.</p>  |
| <p><b>Weegee's story</b>-Weegee 1999</p>   |
| <p><b>Juliet, Naked</b>-Nick Hornby 2009-09-03 Annie and Duncan are a mid-thirties couple who have reached a fork in the road, realising their shared interest in the reclusive musician Tucker Crowe (in Duncan's case, an obsession rather than an interest) is not enough to hold them together any more. When Annie hates Tucker's 'new release', a terrible demo of his most famous album, it's the last straw - Duncan cheats on her and she promptly throws him out. Via an internet discussion forum, Annie's harsh opinion reaches Tucker himself, who couldn't agree more. He and Annie start an unlikely correspondence which teaches them both something about moving on from years of wasted time. Nick Hornby's compelling new novel, four years after A Long Way Down, is about the nature of creativity and obsession, and how two lonely people can gradually find each other.</p>  |
| <p><b>Naked in Babylon</b>-Gwen Davis 1960</p>   |
