I Am the Wolf-Mark Lanegan 2017-08-15 A collection of lyrics and autobiographical commentary by singer Mark Lanegan, with a preface by John Cale and a foreword by Moby With a voice that Pitchfork has called "as scratchy as a three-day beard yet as supple and pliable as moccasin leather," former Screaming

Trees and Queens of the Stone Age vocalist Mark Lanegan draws frequent comparisons to masters like Nick Cave and Leonard Cohen. Lanegan's voice is one of the most distinct and recognizable in rock, but his talents aren't limited to his vocal skills. Lanegan's lyrics are on par with the best of them, exploring with Blake-like insight the stark and scorched emotional terrain that exists somewhere beyond sadness, addiction, trauma, and spiritual longing. With a body of work that

now includes seven albums with the Screaming Trees, eleven acclaimed solo albums, three albums of duets with Belle and Sebastian's Isobel Campbell (including the Mercury Prize-shortlisted Ballad of the Broken Seas), and collaborative albums and singles with the likes of Queens of the Stone Age, Moby, Soulsavers, Twilight Singers, and countless others, Mark Lanegan occupies a singular space in rock music. Now, for the first time ever, the reclusive singer presents a comprehensive look at his lyrics, the stories behind them, and the making of his albums. *I Am the Wolf* is a rare and candid glimpse into the inner workings and creative process of a legend.

A Wolf at the Table-Augusten Burroughs 2008-04-29 "As a little boy, I had a dream that my father had taken me to the woods where there was a dead body. He buried it and told me I must never tell. It was the only thing we'd ever done together as father and son, and I promised not to tell. But unlike most dreams, the memory of this one never left me. And sometimes...I wasn't altogether sure about one thing: was it just a dream?" When Augusten Burroughs was small, his father was a shadowy presence in his

life: a form on the stairs, a cough from the basement, a silent figure smoking a cigarette in the dark. As Augusten grew older, something sinister within his father began to unfurl. Something dark and secretive that could not be named. Betrayal after shocking betrayal ensued, and Augusten's childhood was over. The kind of father he wanted didn't exist for him. This father was distant, aloof, uninterested... And then the "games" began. With *A Wolf at the Table*, Augusten Burroughs makes a quantum leap into untapped emotional terrain: the radical pendulum swing between love and hate, the unspeakably terrifying relationship between father and son. Told with scorching honesty and penetrating insight, it is a story for anyone who has ever longed for unconditional love from a parent. Though harrowing and brutal, *A Wolf at the Table* will ultimately leave you buoyed with the profound joy of simply being alive. It's a memoir of stunning psychological cruelty and the redemptive power of hope.

Citizen-Claudia Rankine 2014-10-07 * Finalist for the National Book Award in Poetry ** Winner of the National Book Critics Circle Award in Poetry * Finalist for the National Book Critics Circle Award in Criticism * Winner of the NAACP Image Award * Winner of the L.A. Times Book Prize * Winner of the PEN Open Book Award * ONE OF THE BEST BOOKS OF THE YEAR: The New Yorker, Boston Globe, The Atlantic, BuzzFeed, NPR. Los Angeles Times, Publishers Weekly, Slate, Time Out New York, Vulture, Refinery 29, and many more . . . A provocative meditation on race, Claudia Rankine's long-awaited follow up to her groundbreaking book *Don't Let Me Be Lonely: An American Lyric*. Claudia Rankine's bold new book recounts

mounting racial aggressions in ongoing encounters in twenty-first-century daily life and in the media. Some of these encounters are slights, seeming slips of the tongue, and some are intentional offensives in the classroom, at the supermarket, at home, on the tennis court with Serena Williams and the soccer field with Zinedine Zidane, online, on TV-everywhere, all the time. The accumulative stresses come to bear on a person's ability to speak, perform, and stay alive. Our addressability is tied to the state of our belonging, Rankine argues, as are our assumptions and expectations of citizenship. In essay, image, and poetry, *Citizen* is a powerful testament to the individual and collective effects of racism in our contemporary, often named "post-race" society.

Sing Backwards and Weep-Mark Lanegan
2020-04-28 This gritty bestselling memoir by the singer Mark Lanegan of Screaming Trees, Queens of the Stone Age, and Soulsavers documents his years as a singer and drug addict

in Seattle in the '80s and '90s. When Mark Lanegan first arrived in Seattle in the mid-1980s, he was just "an arrogant, self-loathing redneck waster seeking transformation through rock 'n' roll." Little did he know that within less than a decade he would rise to fame as the frontman of the Screaming Trees and then fall from grace as a low-level crack dealer and a homeless heroin addict, all the while watching some of his closest friends rocket to the forefront of popular music. In *Sing Backwards and Weep*, Lanegan takes readers back to the sinister, needle-ridden streets of Seattle, to an alternative music scene that was simultaneously bursting with creativity and dripping with drugs. He tracks the tumultuous rise and fall of the Screaming Trees, from a brawling, acid-rock bar band to world-famous festival favorites that scored a hit number five single on Billboard's alternative charts and landed a notorious performance on *Late Night with David Letterman*, where Lanegan appeared sporting a fresh black eye from a brawl the night before. This book also dives into Lanegan's personal struggles with

addiction, culminating in homelessness, petty crime, and the tragic deaths of his closest friends. From the back of the van to the front of the bar, from the hotel room to the emergency room, onstage, backstage, and everywhere in between, *Sing Backwards and Weep* reveals the abrasive underlining beneath one of the most romanticized decades in rock history—from a survivor who lived to tell the tale. Gritty, gripping, and unflinchingly raw, *Sing Backwards and Weep* is a book about more than just an extraordinary singer who watched his dreams catch fire and incinerate the ground beneath his feet. It's about a man who learned how to drag himself from the wreckage, dust off the ashes, and keep living and creating. "Mark Lanegan—primitive, brutal, and apocalyptic. What's not to love?" —Nick Cave, author of *The Sick Bag Song* and *The Death of Bunny Munro*

Blood Lyrics-Katie Ford 2014-11-25 "Katie Ford's is a finely-wrought lyrical beauty, a poetry of detail and care, but she has set it within an

epic arc." —Poetry I lie still, play dead, am delivered decree: our daughter weighs seven hundred dimes, paperclips, teaspoons of sugar, this child of grams for which the good nurse laid out her studies as a coin purse into which our tiny wealth clinked, our daughter spilling almost to the floor. —from "Of a Child Early Born" In Katie Ford's third collection, she sets her music into lyrics wrung from the world's dangers. *Blood Lyrics* is a mother's song, one seared with the knowledge that her country wages long, aching wars in which not all lives are equal. There is beauty imparted, too, but it arrives at a cost: "Don't say it's the beautiful / I praise," Ford writes. "I praise the human, / gutted and rising."

The Book of Lieder-Ian Bostridge 2011-03-03

This unique volume contains, in parallel translation, a thousand of the most frequently performed Lieder, both piano-accompanied and orchestral. Composers are arranged alphabetically, with their songs appearing under poet in chronological order of composition - thus allowing the reader to engage in depth with a particular poet and at the same time to follow the composer's development. Richard Stokes, whose work in this field is already widely acclaimed, provides illuminating short essays on each of the fifty composers' approach to Lieder composition, as well as notes on all the poets who inspired the songs. The volume is notable for the accuracy and elegance of its translations, and for its fidelity to the German verse: every care has been taken to print the words of the sung text, while adhering to the versification and punctuation of the original poem. Beethoven, Schubert and Schumann, Goethe, Heine and Schiller are among the highlights of a book which illuminates one of the great musical traditions and will be an indispensable handbook for every

music lover.

Moanin' at Midnight-James Segrest 2012-11-28

Howlin' Wolf was a musical giant in every way. He stood six foot three, weighed almost three hundred pounds, wore size sixteen shoes, and poured out his darkest sorrows onstage in a voice like a raging chainsaw. Half a century after his first hits, his sound still terrifies and inspires. Born Chester Burnett in 1910, the Wolf survived a grim childhood and hardscrabble youth as a sharecropper in Mississippi. He began his career playing and singing with the first Delta blues stars for two decades in perilous juke joints. He was present at the birth of rock 'n' roll in Memphis, where Sam Phillips—who also discovered Elvis Presley, Johnny Cash, and Jerry Lee Lewis—called Wolf his “greatest discovery.” He helped develop the sound of electric blues and vied with rival Muddy Waters for the title of king of Chicago blues. He ended his career performing and recording with the world's most famous rock stars. His passion for music kept

him performing—despite devastating physical problems—right up to his death in 1976. There's never been a comprehensive biography of the Wolf until now. *Moanin' at Midnight* is full of startling information about his mysterious early years, surprising and entertaining stories about his decades at the top, and never-before-seen photographs. It strips away all the myths to reveal—at long last—the real-life triumphs and tragedies of this blues titan.

Let's Play in the Forest While the Wolf is Not Around- 2006 In this adaptation of the traditional French and Latin American song, animals play in the forest while a scary wolf slowly dresses and becomes hungrier and hungrier.

If You Have to Go-Katie Ford 2018-08-07 The transformative new book from “one of the most important American poets at work today” (Dunya Mikhail) I am content because before me looms

the hope of love. I do not have it; I do not yet have it. It is a bird strong enough to lead me by the rope it bites; unless I pull, it is strong enough for me. I do worry the end of my days might come and I will not yet have it. But even then I will be brave upon my deathbed, and why shouldn't I be? I held things here, and I felt them. —From “Psalm 40” The poems in Katie Ford's fourth collection implore their audience—the divine and the human—for attention, for revelation, and, perhaps above all, for companionship. The extraordinary sequence at the heart of this book taps into the radical power of the sonnet form, bending it into a kind of metaphysical and psychological outcry. Beginning in the cramped space of selfhood—in the bedroom, cluttered with doubts, and in the throes of marital loss—these poems edge toward the clarity of “what I can know and admit to knowing.” In song and in silence, Ford inhabits the rooms of anguish and redemption with scouring exactness. This is poetry that “can break open, // it can break your life, it will break you // until you remain.” *If You Have to Go* is

Ford's most luminous and moving collection.

Harvestman: Collected Lyrics and Poems-

Steve Von Till 2020-08-15 Poetry. Music. Steve Von Till's poems are lamentations--elegies for the loss of wildness, songs of hope, chants of spirit, and dreams of survival. In HARVESTMAN, Von Till meditates on what it means to be human during a time of modern alienation from nature, the past, community, and ultimately from ourselves. This is the first collection from Von Till, who is primarily known as a singer and guitarist in the highly influential and genre-defying collective, Neurosis. In these tender passages, Von Till seeks meaning and mystical significance in the natural world, where he finds himself in the vastness of the ocean and the majesty of the forested mountain ranges. Shamanistic visions of ancestors and elemental forces create a unique form where gothic Americana merges with ancient mythologies in minimalistic poems that ask us to contemplate history, genetic memory, and the complexities of humanity. This worldly and weathered first work of poetry and collected lyrics is a history lesson from old punk rock bard turned rural spiritual poet, who connects us to the American West and

older wisdoms.

At the Wolf's Table-Rosella Postorino

2019-01-29 The international bestseller based on a haunting true story that raises provocative questions about complicity, guilt, and survival. They called it the Wolfsschanze, the Wolf's Lair. "Wolf" was his nickname. As hapless as Little Red Riding Hood, I had ended up in his belly. A legion of hunters was out looking for him, and to get him in their grips they would gladly slay me as well. Germany, 1943: Twenty-six-year-old Rosa Sauer's parents are gone, and her husband Gregor is far away, fighting on the front lines of World War II. Impoverished and alone, she makes the fateful decision to leave war-torn Berlin to live with her in-laws in the countryside, thinking she'll find refuge there. But one morning, the SS come to tell her she has been conscripted to be one of Hitler's tasters: three times a day, she and nine other women go to his secret headquarters, the Wolf's Lair, to eat his meals before he does. Forced to eat what might

kill them, the tasters begin to divide into The Fanatics, those loyal to Hitler, and the women like Rosa who insist they aren't Nazis, even as they risk their lives every day for Hitler's. As secrets and resentments grow, this unlikely sisterhood reaches its own dramatic climax, as everyone begins to wonder if they are on the wrong side of history.

American Junkie-Tom Hansen 2017-03-14 A non-stop trip into one man's land of desperate addicts, failed punk bands, and brushes with sad fame, as he sells drugs during the Seattle grunge years. In American Junkie, Tom Hansen maps his heroin addiction, from the promise of a young life

to the prison of a mattress, from budding musician to broken down junkie, drowning in syringes and cigarette butts, shooting heroin into wounds the size of softballs, and ultimately, a ride to a hospital for a six-month stay and a painful self-discovery that cuts down to the bone. Through it all he never really loses his step, never lets go of his smarts, and always projects quintessential American reason, humor, and hope to make a story not only about drugs, but a compelling study of vulnerability and toughness.

Don't Call Us Dead-Danez Smith 2017-09-05 The highly anticipated second collection by Danez Smith—"Hallelujah is an understatement"

(Patricia Smith) Award-winning poet Danez Smith is a groundbreaking force, celebrated for deft lyrics, urgent subjects, and performative power. *Don't Call Us Dead* opens with a heartrending sequence that imagines an afterlife for black men shot by police, a place where suspicion, violence, and grief are forgotten and replaced with the safety, love, and longevity they deserved here on earth. Smith turns then to desire, mortality—the dangers experienced in skin and body and blood—and a diagnosis of HIV positive. "Some of us are killed / in pieces," Smith writes, "some of us all at once." *Don't Call Us Dead* is an astonishing and ambitious collection, one that confronts, praises, and rebukes America—"Dear White America"—where every day is too often a funeral and not often enough a miracle.

Postcolonial Love Poem-Natalie Diaz 2020-03-03 Natalie Diaz's highly anticipated follow-up to *When My Brother Was an Aztec*, winner of an American Book Award Postcolonial

Love Poem is an anthem of desire against erasure. Natalie Diaz's brilliant second collection demands that every body carried in its pages—bodies of language, land, rivers, suffering brothers, enemies, and lovers—be touched and held as beloveds. Through these poems, the wounds inflicted by America onto an indigenous people are allowed to bloom pleasure and tenderness: "Let me call my anxiety, desire, then. / Let me call it, a garden." In this new lyrical landscape, the bodies of indigenous, Latinx, black, and brown women are simultaneously the body politic and the body ecstatic. In claiming this autonomy of desire, language is pushed to its dark edges, the astonishing dunefields and forests where pleasure and love are both grief and joy, violence and sensuality. Diaz defies the conditions from which she writes, a nation whose creation predicated the diminishment and ultimate erasure of bodies like hers and the people she loves: "I am doing my best to not become a museum / of myself. I am doing my best to breathe in and out. // I am begging: Let me be lonely but not invisible." Postcolonial Love

Poem unravels notions of American goodness and creates something more powerful than hope—in it, a future is built, future being a matrix of the choices we make now, and in these poems, Diaz chooses love.

The rules of the She-Wolf Games are simple. 1. Get out of the cage first. 2. Don't waste time shifting into a wolf. 3. Never stop running. 4. Don't get caught. 5. Repeat every night until the games are over...or you escape. With werewolves on the brink of extinction, packs from everywhere came together in an attempt to overcome their differences. The creation of the She-Wolf Games did just that, bringing peace among the territories as packs work toward the same goal: Save their species. Usually, I'd be touched at such a monumental occasion, but I had no idea werewolves existed. Or that female werewolves were a commodity and the ultimate prize. I figured it out fast after encountering a beautiful wolf outside my apartment building. If only the cute sucker hadn't bitten me. Because now, I find myself as one of three she-wolves among a few dozen men competing for a chance to fill a spot in my new pack. Four scary-hot werewolves who all get to claim me. And they will do anything to win the She-Wolf Games. It's for a good cause, right? Too bad I'm going to assure they all lose. This is a sizzling hot reverse

harem paranormal romance. Get ready for sparks to fly as the games begin.

Wolf Nation-Brenda Peterson 2017-05-02 In the tradition of Peter Matthiessen's Wildlife in America or Aldo Leopold, Brenda Peterson tells the 300-year history of wild wolves in America. It is also our own history, seen through our relationship with wolves. The earliest Americans revered them. Settlers zealously exterminated them. Now, scientists, writers, and ordinary citizens are fighting to bring them back to the wild. Peterson, an eloquent voice in the battle for twenty years, makes the powerful case that

without wolves, not only will our whole ecology unravel, but we'll lose much of our national soul.

Don't Suck, Don't Die-Kristin Hersh 2015-10-01

"Friend, asshole, angel, mutant," singer-songwriter Vic Chesnutt "came along and made us gross and broken people seem . . . I dunno, cooler, I guess." A quadriplegic who could play only simple chords on his guitar, Chesnutt recorded seventeen critically acclaimed albums before his death in 2009, including *About to Choke*, *North Star Deserter*, and *At the Cut*. In 2006, NPR placed him in the top five of the ten best living songwriters, along with Bob Dylan, Tom Waits, Paul McCartney, and Bruce Springsteen. Chesnutt's songs have also been

covered by many prominent artists, including Madonna, the Smashing Pumpkins, R.E.M., Sparklehorse, Fugazi, and Neutral Milk Hotel. Kristin Hersh toured with Chesnutt for nearly a decade and they became close friends, bonding over a love of songwriting and mutual struggles with mental health. In *Don't Suck, Don't Die*, she describes many seemingly small moments they shared, their free-ranging conversations, and his tragic death. More memoir than biography, Hersh's book plumbs the sources of Chesnutt's pain and creativity more deeply than any conventional account of his life and recordings ever could. Chesnutt was difficult to understand and frequently difficult to be with, but, as Hersh reveals him, he was also wickedly funny and painfully perceptive. This intimate memoir is essential reading for anyone interested in the music or the artist.
