P.S. I Love You More Than Tuna-Sarah Chauncey 2020-10-27 "P.S. I Love You More Than Tuna is both a lighthearted celebration of the loving bond between human and cat, and a touching meditation on the eternal nature of that love." —Jackson Galaxy, host of Animal Planet's My Cat From Hell An illustrated gift book for adults grieving a companion cat, celebrating the often-quirky bond between humans and felines. Our cats occupy a unique space in our hearts. When they're gone, the loss can be devastating, the grief profound. P.S. I Love You More Than Tuna gives us an opportunity to give friends, loved ones, or ourselves tangible comfort during the grieving period, when so many of us feel isolated and misunderstood after a beloved pet dies. The author and illustrator (devoted cat lovers themselves) offer this book as a universal love letter from the felines we've bid goodbye to. It celebrates the special bonds we forge with our four-legged companions and reminds us that their love for us—and ours for them—need never end.

Roar-Cecelia Ahern 2019-04-16 From the bestselling author of P.S., I Love You, a fiercely feminist story collection that illuminates -- sometimes in fantastical ways -- how women of all kinds navigate the world today. In this singular and imaginative story collection, Cecelia Ahern explores the endless ways in which women blaze through adversity with wit, resourcefulness, and compassion. Ahern takes the familiar aspects of women's lives -- the routines, the embarrassments, the desires -- and elevates these moments to the outlandish and hilarious with her astute blend of magical realism and social insight. One woman is tortured by sinister bite marks that appear on her skin; another is swallowed up by the floor during a mortifying presentation; yet another resolves to return and exchange her boring husband at the store where she originally acquired him. The women at the center of this curious universe learn that their reality is shaped not only by how others perceive them, but also how they perceive the power within themselves. By turns sly, whimsical, and affecting, these thirty short stories are a dynamic examination of what it means to be a woman in this very moment. Like women themselves, each story can stand alone; yet together, they have a combined power to shift consciousness, inspire others, and create a multi-voiced Roar that will not be ignored. Sorry Not Sorry-Sophie Ranald 2019-02-13 'Absolutely brilliant... I devoured it in a few hours because it was impossible to put down... Be prepared for a rollercoaster of emotions... Packed full of laughs... Had me laughing all the way through... Perfect.' Goodreads Reviewer Is this all there is? I scraped the last dregs of Caramel Chew Chew ice cream out of the bottom of the tub with my finger and licked it. It left a sticky smear on my phone's screen when I typed into Google, "How to find love, sex and happiness." Charlotte has always been a good girl. But being good is getting boring... She's not just stuck in a rut - she's buried in it up to her chin. The only company she has in bed is the back catalogue of Netflix and falling in love feels like the stuff of fairy tales. So when she stumbles across a popular podcast, 'Sorry Not Sorry', which challenges women to embrace their inner bad girl, she jumps at the chance to shake things up. Old Charlotte would never ask for a stranger's number, go on a blind date or buy lacy lingerie... But New Charlotte is waving goodbye to her comfort zone (with a side order of margaritas). And it turns out that good things happen to bad girls... A fabulously feel-good novel that will make you laugh till you cry and leave you living life to the full, margarita in hand!
