Lincoln Cent 1959-2009 Collector's Folder-Warman's 2009-11-12 What better way to celebrate a 100th anniversary than with a facelift? At least that's what the U.S. Mint thought when it decided to mark the 100th anniversary of the Lincoln cent, in 2009, with four new images of President Abraham Lincoln. The new images reflect different stages of Lincoln's life, and replace the image that has always graced the coin. Celebrate the

anniversary by showcasing your Lincoln cent collection in this quality three-panel cents folder. With 108 die-cut slots, more than the average-size fold has, there's plenty of room for your cents.

Lincoln Cent 1909-1958 Collector's Folder-Warman's 2009-11-28 To do its part in the war effort, the U.S. Mint changed from a copper cent to a zinc-coated steel version for one year, in 1943. Rumor quickly spread that anyone who found a 1943 copper cent would be rewarded with a car from Ford. Now you can display your collection of the legendary Lincoln cents of 1909 to 1958 in this beautiful four-panel coin folder. Larger in size than the average folder, this unit has room for 144 coins, the most of any similar folder.

United States Mint in Philadelphia, The-Joshua McMorrow-Hernandez 2018-11-12 As the ink was drying on the Declaration of Independence, the Constitution, and other documents that established the United States, millions of Americans hungered for new legal tender coinage from the young sovereign nation. Following calls by Alexander Hamilton and other Founding Fathers for the nation to issue its own money, Congress passed legislation to officially establish the United States Mint in 1792. Growing from its humble beginnings as a collection of small buildings in the nation's onetime capital city of Philadelphia, the United States Mint now stands along Independence National Historical Park as the largest coin factory in the world. While the Philadelphia Mint is one of several official United States coin manufacturing facilities, it remains the heart of coining operations in the nation and is also one of the most popular attractions in "The City of Brotherly Love."
