50 State Quarters Collector's Folder, 1999-2008-Sterling Publishing Company 2003-09-01 It's a coin collector's dream folder, with a space for every state's newly designed quarters--arranged according to the year each was minted--along with dozens of fascinating facts. When Congress passed the "50 States Commemorative Coin Program Act" in 1997, which led to the creation of quarters honoring every state in the union, its members especially hoped that young people and their families would collect these memorable tokens. This handy folder will help youngsters realize that goal and hold onto these special keepsakes, which are being released over ten years in the order in which the states ratified the Constitution. In addition to

the slots for the quarters, kids will find a description of the Commemorative Coin Program; a history of the United States Quarter Dollar; a list of state capitals, nicknames, mottoes, and more; details on how the 50 designs were chosen; and an account of how coins are manufactured by the U.S. Mint and distributed by the Federal Reserve Bank.

United States Mint in Philadelphia, The-Joshua McMorrow-Hernandez 2018-11-12 As the ink was drying on the Declaration of Independence, the Constitution, and other documents that established the United States, millions of Americans hungered for new legal tender coinage from the young sovereign nation. Following calls by Alexander Hamilton and other Founding Fathers for the nation to issue its own money, Congress passed legislation to officially establish the United States Mint in 1792. Growing from its humble beginnings as a collection of small buildings in the nation's onetime capital city of Philadelphia, the United States Mint now stands

along Independence National Historical Park as the largest coin factory in the world. While the Philadelphia Mint is one of several official United States coin manufacturing facilities, it remains the heart of coining operations in the nation and is also one of the most popular attractions in "The City of Brotherly Love."
