Dude, You're Gonna Be a Dad!-John Pfeiffer 2011-03-18 There are approximately 3,712 ways for a guy to look stupid during pregnancy - this book's here to help you avoid all(most) of them. And here's your first hint: Focus on what you can be doing for her rather than what's happening to her. She's pregnant. She knows that. You know that. And her 152 baby books tell her exactly what she can expect. Your job is to learn what you can do between the stick turning blue and the drive to the delivery room to make the next nine months go as smoothly as possible. That's where John Pfeiffer steps in. Like any good coach, he's been through it. He's dealt with the morning sickness and doctor visits, painting the baby's nursery and packing the overnight bag, choosing a name, hospital, and the color of the car-seat cover. All the while he remained positive and responsive - there with a "You're beautiful" when necessary - but assertive during the decision-making process (he didn't want to wind up with a kid named Percy). And now it's your turn. She might be having the baby, but you have plenty of responsibilities.

When You Lived in My Belly-Jodi Meltzer Darter 2019-08-06 "As a mom, Jodi Meltzer Darter answers, on average, one million questions per minute. One day, her son interrupted his endless "Why?" barrage to inquire about their innate bond: What was it like when I lived in your belly? A delightful month-by-month storytelling of pregnancy from the perspective of both baby and mom, When You Lived in My Belly gives children a glimpse into a past they can't remember, and takes moms back to a time they will never forget. It features kid-friendly descriptions of the developmental milestones babies reach in utero, coupled with the corresponding physical and emotional changes experienced by moms. This book also includes a page for moms to pen a personal note to their children about their individual pregnancy journey. Jodi Meltzer Darter's lyrical text alongside enchanting illustrations by Caryn King and Jody King Camarra create a memorable keepsake that both moms and children will cherish for generations to come."

Nine Months in My Mommy-Carole Marsh-Longmeyer 2015-03-01 What if an unborn baby could talk? Well, this one does! Listen in and hear this sweet baby's charming, thoughtful, humorous musings during its nine-month adventure! If baby seems to have a little attitude as gets more crowded in there, well The baby tries to figure out the meaning of the words it hears at home, visits to the doctors office, in the garden, going to the hospital and more! There is original colorful artwork throughout the book. Prepare to laugh and weep no wonder we cherish the unborn. A great gift for mom-to-be, and a wonderful read-aloud to brothers and sisters. Nine Months in my Mommy is utterly creative, exceptionally charming! Purchase the companion book called "Hello in There!": Poetry to read to the Unborn Baby.

Mama's Belly-Kate Hosford 2018-04-17 As a curious little girl awaits the arrival of her baby sister, she asks Mama many questions: “Will she have freckles?” “Will I have to share my blanket?” She helps Mama and Dad prepare to meet her little sister, singing her songs and knitting her a new blanket. But the most important part of getting ready is taking care of Mama. When Mama can’t see her toes, she counts to make sure there’s still ten. When Mama’s tired, she draws her a picture and gives her hugs. An honest and gentle exploration of the excitement and anxiety kids feel when welcoming a new family member, Mama’s Belly is ultimately a celebration of motherly (and daughterly) love and a soothing story for older siblings that even with the spotlight on a new baby, there is always enough love for everyone.

Nine Months-Paula Bomer 2012-08-21 A bold, unapologetic first novel about a pregnant mother and wife who abandons her family in search of an identity that is hers alone. "Deliciously, dangerously rogue." —Marcy Dermansky, author of Bad Marie Sonia, a young Brooklyn mother shaken by her unexpected (third) pregnancy, abandons her husband and kids and takes off on a cross-country odyssey in search of an identity separate from her family. She does everything a pregnant woman shouldn't do—engaging in casual sex and smoking weed—as she retraces her past and attempts to reclaim her sidelined career as an artist. Nine Months is a fierce, daring page-turner of a novel—a lacerating response to the culture of mommy blogs, helicopter parents and "parental correctness" as well as an unflinching look at the choices women face when trying to balance art and family. From the Trade Paperback edition.

Bride-to-Be Book-Amy Krouse Rosenthal 2011-12 A journal of memories from the proposal to I Do! by Amy K. Rosenthal.

Evil Never Dies-Cora Hudson 2012-05 Cally was like any other teenage girl; she was smart, funny, caring, and beautiful. She loved going shopping with her mother, Kate, as well as beating her dad, Bill, at a game of basketball. Sure, she had her fair share of problems, like peer pressure and the occasional arguments with her parents--which usually led to being grounded. However, none of this could ever prepare her for the ultimate problem, an abusive boyfriend. Cally had been with her boyfriend, Ryan, for exactly one year. Nine months of that year was absolutely wonderful. They did everything together and were very much in love. However, the last three months were a pure and living hell for Cally. Ryan had started drinking very heavily and had become mentally and physically abusive. The abuse was terrible for Cally; in only three months Ryan had busted her lip and had put bruises all over Cally's body. The abuse was getting worse by the day and Cally knew that she had to end the relationship soon. Cally still cared for Ryan, despite his cruel and abusive ways, but she knew that he was not going to change; he was too far gone. Cally had planned to break up with him on prom night, but as a fatal turn of events unfolds, Cally discovers that it's not so easy to escape from Ryan's grip.

The Month of June-H. K. Rhudd 2014-04-16 If you were getting ready to leave behind everything you've ever known, what would you do? Written by young author H. K. Rhudd, this novella tells the story of a teenage boy named Daniel. Everything that has happened in his life has taken place in the same town, the same house, and the same friends. But everything changes when his parents reveal that he has to move to a new house in just 3 weeks. Devastated, he shuts himself away, and relapses on some of the negative behaviors that he's been struggling with for years. And when the move finally happens, he finds the whole situation to be more stressful than he thought. His two cousins live with him, he's moved away from his best friend, Marcus, and his neighbor happens to be his age, a bubbly girl by the name of June. He tries to push her away, but little does he know that June will have a huge impact on his life.
