Weddings-Colin Cowie

1998-02-02 This style book provides ideas and inspiration for every aspect of the reader's wedding, from initial concerns to attire, decor, flowers, table design, invitations, ceremony, music, menus and gifts.

Dinner After Dark-Colin

Cowie 2002 Dinner After Dark is much more than a collection of great recipes: It's a recipe for a great party, featuring stylish cocktails, stunning interiors, creative tabletops (hint: almost no cut flowers), and even advice on music, place cards, and the art of being a gracious host and guest. This is mostly cookbook, but also part decorating, part bartending, part etiquette, and part plain old bon-vivant-ism. The recipes are drawn from Colin Cowie's sophisticated international palate, focusing

on the exotic. The Peri-Peri dinner offers Saketinis to start, then moves on to Curried Mussels in Coconut-Milk Broth, red-hot Peri-Peri Chicken with green olives and preserved lemons, and a luscious Orange Custard Tart. The Cuba Libre cocktail party features Escabeche of Swordfish, Picadillo in a Lettuce Cup with Fresh Tomato Salsa, Plantain Chips, and Arroz con Camarones, all washed down with Mojitos and Cuba Libres. And the intriguing Bombay Soirée includes an appetizer of Stir-Fried Shrimp with Lemon and Scallions and an entrée of Chicken Curry and Peas, served with three different cooling raitas, Mango Chutney, Pappadams, and Aromatic Basmati Rice. What's remarkable about the hundred recipes is that the dishes rely on spices rather than fats, on delicious pairings instead of interminable ingredient lists. Even more remarkable is that nearly every recipe can be prepared in less than an hour, and almost none requires last-minute cooking, allowing you to be a guest at your own party. Each party will be a

fabulous one, with fun, helpful features such as: 911, entertaining emergencies and how to solve them; 411, information calls, like what a tagine is or how to trim an artichoke; OTT (Over the Top), on how to make the evening truly spectacular; and A Lighter Touch, on adapting recipes for less fat, or simply to be less heavy. All of this is presented in Colin's inimitably stylish, irrepressibly fun voice that's both entertaining and informed. Each party takes place in a uniquely beautiful location, from spectacular New York City apartments to an oh-so-very L.A. Modernist house to the beach in East Hampton. The guests are smiling and glamorous and having a good time, the decors and tabletops and food are extraordinarily appealing—you want to be there. Not only will Dinner After Dark transport you, it'll allow you to bring the party to your own home.

Creatures of Darkness-Gene

D. Phillips 2021-03-17 More than any other writer, Raymond Chandler (1888-1959) is responsible for raising detective stories from the level of pulp fiction to literature. Chandler's hard-boiled private eye Philip Marlowe set the standard for rough, brooding heroes who managed to maintain a strong sense of moral conviction despite a cruel and indifferent world. Chandler's seven novels, including *The Big Sleep* (1939) and *The Long Goodbye* (1953), with their

pessimism and grim realism, had a direct influence on the emergence of film noir. Chandler worked to give his crime novels the flavor of his adopted city, Los Angeles, which was still something of a frontier town, rife with corruption and lawlessness. In addition to novels, Chandler wrote short stories and penned the screenplays for several films, including *Double Indemnity* (1944) and *Strangers on a Train* (1951). His work with Billy Wilder and Alfred Hitchcock on these projects was fraught with the difficulties of collaboration between established directors and an author who disliked having to edit his writing on demand. *Creatures of Darkness* is the first major biocritical study of Chandler in twenty years. Gene Phillips explores Chandler's unpublished script for *Lady in the Lake*, examines the process of adaptation of the novel *Strangers on a Train*, discusses the merits of the unproduced screenplay for *Playback*, and compares Howard Hawks's director's cut of *The Big Sleep* with the version shown in theaters. Through interviews he

conducted with Wilder, Hitchcock, Hawks, and Edward Dmytryk over the past several decades, Phillips provides deeper insight into Chandler's sometimes difficult personality. Chandler's wisecracking Marlowe has spawned a thousand imitations. Creatures of Darkness lucidly explains the author's dramatic impact on both the literary and cinematic worlds, demonstrating the immeasurable debt that both detective fiction and the neo-noir films of today owe to Chandler's stark vision.

Global English Slang-Julie Coleman 2014-01-10 Global English Slang brings together nineteen key international experts and provides a timely and essential overview of English slang around the world today. The book illustrates the application of a range of different methodologies to the study of slang and demonstrates the interconnection between the different sub-fields of linguistics. A key argument throughout is that slang is a function played by specific words or phrases rather than a characteristic inherent in the words themselves- what is slang in one context is not slang in another. The volume also challenges received wisdom on the nature of slang: that it is short-lived and that slang is restricted to verbal language. With an introduction by editor Julie

Coleman, the topics covered range from Inner City New York slang and Hip Hop Slang to UK student slang and slang in Scotland. Authors also explore slang in Jamaica, Australia, New Zealand, India and Hong Kong and the influence of English slang on Norwegian, Italian and Japanese. A final section looks at slang and new media including online slang usage, and the possibilities offered by the internet to document verbal and gestural slang. Global English Slang is an essential reference for advanced undergraduates, postgraduates and researchers working in the areas of lexicology, slang and World Englishes.

The Complete Book of 1970s Broadway Musicals-

Dan Dietz 2015-09-03 The 1970s was an exciting decade for musical theatre. Besides shows from legends Stephen Sondheim (Company, Follies, A Little Night Music, and Sweeney Todd) and Andrew Lloyd Webber (Jesus Christ Superstar and Evita), old-fashioned musicals (Annie) and major revivals (No, No,

Nanette) became hits. In addition to underappreciated shows like Over Here! and cult musicals such as The Grass Harp and Mack and Mabel, Broadway audiences were entertained by black musicals on the order of The Wiz and Raisin. In The Complete Book of 1970s Broadway Musicals, Dan Dietz examines in detail every musical that opened on Broadway during the 1970s. In addition to including every hit and flop that debuted during the decade, this book highlights revivals and personal-appearance revues with such performers as Tony Bennett, Lena Horne, Bette Midler, and Gilda Radner. Each entry includes the following information: Opening and closing dates Plot summaries Cast members Number of performances Names of all important personnel including writers, composers, directors, choreographers, producers, and musical directors Musical numbers and the names of performers who introduced the songs Production data, including information about tryouts Source material Critical commentary Tony

awards and nominations
Details about London and other foreign productions
Besides separate entries for each production, the book offers numerous appendixes, including a discography, filmography, and published scripts, as well as lists of Gilbert and Sullivan operettas, black-themed shows, and Jewish-themed productions. A treasure trove of information, *The Complete Book of 1970s Broadway Musicals* provides readers with a comprehensive view of each show. This significant resource will be of use to scholars, historians, and casual fans of one of the greatest decades in musical theatre history.

The Garden of Peter Marino-Peter Marino 2017-04-25 The internationally acclaimed architect's grounds of his Hamptons estate on Long Island, New York--a lush garden oasis masterfully transformed over the course of two decades. Peter Marino's quintessentially American landscape is a combination of organizational rigor and a joyful informality in the use of plant materials. The gardens feature carefully curated plants, trees, and flowers on twelve acres including a "color wheel" of

purple, pink, red, and yellow gardens, evergreen trees, an apple orchard, a formal rose garden, and nearly forty works of art by François-Xavier and Claude Lalanne. Seasonal floral highlights include the colorful blooms of azaleas in the late spring, roses in June, and hydrangeas in the summer. This book shows the landscape in different seasons and moods, captured in both a laid-back grandeur-- sunny vistas, moonlit moments, the beauty of natural elements and sublime works of art--and in a moody atmosphere, when the dramatic light after a summer storm imbues the garden with a romantic haze. The garden is presented as a picturesque example of a first-rate contemporary landscape and as a dreamlike Eden.
