How to Plan Your Own Destination Wedding-Sandy Malone 2016-03-15 Ten years ago, when Sandy Malone was planning her Caribbean destination wedding, there was no Pinterest, no Instagram, and no Wedding Wire. The Knot and the Wedding Channel were in their infancy. And Malone was planning her wedding from scratch. The tips and advice in *How to Plan Your Own Destination Wedding* will help brides and grooms navigate the murky waters of destination-wedding planning—and they are murky because most do-it-yourself brides and grooms are looking to do something “different” from what all of their friends have done before them. Unfortunately, the more remote, bizarre, and challenging the destination is, the more attractive it appears to the do-it-yourself couple. That's where Sandy Malone, star of *Wedding Island* (TLC), who has been planning weddings for ten years, comes in. She offers advice to brides and grooms on how NOT to spend money on things they don't need to invest in, and where they DO need to spend money to make sure the event runs smoothly. She also gives tips on how to negotiate the contract with the venue, the “wetiquette” of invitations for destination weddings, finding and handling vendors abroad, and much more. This book offers the complete guide to destination weddings, by a true expert!

Feng Shui Mommy-Bailey Gaddis 2017-03-14 Impending motherhood serves up a confusing cocktail of heroic strength and terrifying vulnerability. Our culture has seized on the "vulnerability" part of this experience and tends to reinforce a pregnant woman's insecurities instead

of encouraging her to embrace this most natural time and trust her body, her intuition, and her own mind. Feng Shui Mommy takes a different approach, helping the expecting mother build her own unique, epic journey to motherhood. It's about supporting her while she shores up her mind-body-spirit alignment so she can best handle the cosmic kick in the uterus and juicy kiss on the soul that pregnancy is. Bailey Gaddis guides women through the experience, providing specific suggestions for mind, body, and spirit for each trimester (including the "fourth," after birth), leading to birth preparation designed for each mother and baby, and culminating in strong mother-child bonding. She includes detailed and practical information about prenatal exercise and nutrition, birth preferences and birthing positions, breath work, breastfeeding, and much more. Her advice allows mothers to welcome delight and curiosity into the journey while taking each phase with purpose and calm — and even a sense of fun. This comprehensive guide makes challenge and change joyful, allowing new life to be as incomparably wonder-filled as it is meant to be.
