### **A 9-Step Path to Financial Independence-**

Vicki Robin 2015-11-06 Get ready for a fundamentally different approach to personal finance. This program helps you transform your relationship with money-whether your goal is to get out of debt, become financially independent or align your financial decisions with your personal values.Your choice: this inexpensive workbook or a free PDF.First and foremost, the PDF version of this entire course is available for

free on my website "financinglife-dot-org". (Amazon doesn't allow discrete web links, but you'll find it quickly there.) This paperback version exists for those who prefer a hardcopy to use as a workbook, or to give as a gift.This workbook is organized to be very personal. You need some time, a pencil, and a commitment to get full benefit of this course. You may print specific pages from the PDF version. A paperback version is available from Amazon.com, although we offer this primarily as a convenience if you prefer hardcopy, and so that you can gift a pretty paperback version to a friend or family member on their birthday, holiday, or graduation.What you can expect from this program:The late Joe Dominguez, co-author of the bestseller Your Money or Your Life, spent a decade developing this program for himself. Nearly 40 years later, people's lives are still being enriched by the Financial Integrity Program he helped create. The program enables you to: Get out of debt Spend less Develop savings Learn to base your transactions (the getting, spending, investing and giving of your

resources) on your own personal principles. Achieve a degree of financial independence that allows you to spend your time doing what is fulfilling for you. Rick Van Ness, author of *Why Bother With Bonds* recently expanded Steps 8 and 9 to reflect the time-proven wisdom that many call the common sense investing principles. These are also recognized as the Bogleheads Investment Philosophy, an endearing term honoring John C. Bogle, lifelong champion for ordinary investors. What's different about the 9-Step Financial Integrity Program? Many books and "step programs" on managing your money are available today. What most of these books have in common is that they assume your financial life functions separately from the rest of your life. The Financial Integrity Program is different. It is a 'whole systems' approach to your life. And it will take you back to basics—the basics of making your spending (and hopefully your saving and investing) of money into a clear mirror of your life values and purpose. The purpose of the Financial Integrity Program is not to sell you anything—a product, a guru, a lifestyle.

You don't need any of those to achieve your goals. But you don't need to go it alone, either. By using this proven, comprehensive program of nine steps based on classic financial principles, you can get where you want to go faster than making them up yourself. And it's all free. Is this program what you need? Ask yourself these questions: Are you comfortable with the amount of money you have? Is it enough? Are you spending as much time with family and friends as you would like? Do you come home from your job feeling fulfilled? Do you have time to participate in things you believe are worthwhile? If you were laid off from your job, would you see it as a tragedy or an opportunity? Do you have enough savings to support you through six months of normal living expenses? When you think about your finances, do you feel peaceful and at ease? If you were to die in the next few years, would you be comfortable with your legacy or contribution to your family, your community, the world? Are all the aspects of your life - your job, your possessions, your relationships, your values - integrated? If you answered, 'no' to even one of

these, then this 9-Step program can help.

**Your Money Or Your Life**-Vicki Robin 2008  
Revised and Updated In an age of great economic uncertainty when everyone is concerned about money and how they spend what they have, this new edition of the bestselling *Your Money or Your Life* is an essential read. With updated resources, an easy-to-use index, and anecdotes and examples particularly relevant today, it tells you how to: get out of debt and develop savings; reorder material priorities and live well for less; resolve inner conflicts between values and lifestyle; save the planet while saving money; and much more. In *Your Money or Your Life*, Vicki Robin shows readers how to gain control of their money and finally begin to make a life, rather than just make a living.

**5 Easy Steps to Financial Freedom**-Duane Harden 2012-04 Book Praise & Reviews ""As a

how-to guide, this book contains everything you may need to know to turn your passions into profits. "" Bill Bartmann (Billionaire entrepreneur, author, speaker, educator) Read & Give Program A portion of the sale of this book is donated to charity. Book Description Are you unhappy in your job? Are you tired of living paycheck to paycheck and feel like you just don't have enough money, skills, or education to turn your life around? Even if you're not sure you know what it is you like to do, you can change your life and get rich doing it, says entrepreneur Duane Harden in his wise and entertaining new book, *5 Easy Steps to Financial Freedom: Do What You Love & Get Rich Doing It*. Turning your passion into a profitable business is easy, fast, and fun, says Harden, and you can become rich in just five easy steps. First, start by saying yes to financial freedom. Attitude is everything and as the Law of Attraction states, what you put out into the universe is often what you attract. If you imagine yourself financially secure and happy, you will be. Imagining a new life for yourself is the inspiration you need to go out and do the

concrete things to turn your dreams into a reality. Conversationally written and filled with humorous drawings, helpful worksheets, and key tips, *5 Easy Steps to Financial Freedom* also offers a 90-day action plan that includes blueprints for success that Harden himself used to build his wealth. His own journey included the purchase of numerous real-estate properties, opening a restaurant, starting a music company, and much more. Harden gives you "Life Assignments" that get you thinking and acting differently. Beware of what he calls the "crabs in a pot" mentality, where everyone is trying to pull everyone else down in order to struggle to the top. Instead, he advises, think positively. Stay away from the naysayers and feed your dream. Soon you will realize that your inner life is reflected in your outer life. Harden helps you to discover the real you, what you want, and how much money you want to be there for you now and in the future. He explains how the real difference between rich people and poor people is fear and an unwillingness to keep an open mind to new opportunities. Rich people are not

afraid to take risks, and well-planned risks almost always pay off. Success, he reminds you, is your birthright and it's your job to claim it. Review your credit and your financial house. Clean up the clutter in your life, whether it is the wrong way of thinking or a messy desk. Discover what really makes you tick because when you love what you do it's never really work, and when passion is present the money will miraculously follow. Keep daily positive reminders taped where you can see them, or even have a vision board filled with photographs of where you want to be in life. Write your resignation letter to your boss, but don't send it yet. Just the act of writing it puts you in the right frame of mind for moving on to something much better. "You are what you think and will become what you dream," says Harden. You'll learn to be a PIG (passive income generator) Farmer, which requires little work but makes you tons of money. *5 Easy Steps to Financial Freedom* shows you how go from rags to riches and is understandable and easy to read. This invaluable guide will change your life!

\*\* Reviewed and updated for the 2020-2021 financial year\*\* This is the only money guide you'll ever need That's a bold claim, given there are already thousands of finance books on the shelves. So what makes this one different? Well, you won't be overwhelmed with a bunch of 'tips' ... or a strict budget (that you won't follow). You'll get a step-by-step formula: open this account, then do this; call this person, and say this; invest money here, and not there. All with a glass of wine in your hand. This book will show you how

to create an entire financial plan that is so simple you can sketch it on the back of a serviette ... and you'll be able to manage your money in 10 minutes a week. You'll also get the skinny on: Saving up a six-figure house deposit in 20 months Doubling your income using the 'Trapeze Strategy' Saving \$78,173 on your mortgage and wiping out 7 years of payments Finding a financial advisor who won't rip you off Handing your kids (or grandkids) a \$140,000 cheque on their 21st birthday Why you don't need \$1 million to retire ... with the 'Donald Bradman Retirement Strategy' Sound too good to be true? It's not. This book is full of stories from everyday Aussies — single people, young families, empty nesters, retirees — who have applied the simple steps in this book and achieved amazing, life-changing results. And you're next.

**Work Your Wealth**-Mary Beth Storjohann  
2016-02-09 Imagine ditching the stress around your finances once and for all. Think about what your life would be like to have control over your

money instead of feeling like it has control over you. *Work Your Wealth* isn't your traditional personal finance book. Mary Beth Storjohann, CFP(r), speaker and writer makes it her mission to cut through the crap, toss the fancy lingo, make money relatable, and breaks down specific steps and to-dos along the way to provide you with confidence and clarity in your financial life. *Work Your Wealth* makes taking control of your finances exciting and easy to do. It provides an organized plan of attack that covers everything from setting goals, budgeting, paying down debt, investing, planning for retirement, using credit wisely, and more. Not to mention a whole chapter that covers your real life money questions. In addition, Mary Beth wraps up each chapter with a list of detailed, actionable Money Moves to help you build the foundation you need to create your own financial plan. *Work Your Wealth* educates, motivates and empowers you to gain a financial education, to kick your bad money habits (and your debt) to the curb, to step up and invest in yourself, and most of all to celebrate your wins along the way. If you're

ready to take control of your money, *Work Your Wealth* is your ticket to a new financial life.

**The Money Book for the Young, Fabulous & Broke**-Suze Orman 2005 Addresses personal finance issues that are of relevance to today's world of high debt and disproportionate lifestyles, addressing such topics as credit cards, student loans, credit scores, insurance, and mortgages.

**The Laws of Money, The Lessons of Life**-Suze Orman 2003-02-25 USA Today has called Suze Orman "a force in the world of personal finance." For years, Suze has anticipated what you need to know and want to know about your money. Her books, radio and television shows, columns, and newsletter about personal finance have helped millions of people like you turn their financial lives around. The author of three consecutive runaway New York Times bestsellers, Suze is renowned for her unique brand of financial

savvy, tell-it-like-it-is honesty, and dynamic motivational style, which propels her readers and audiences to change the course of their financial destiny. In this groundbreaking book, she continues to transform your relationship with money. Never before has there been a money book and life guide like *The Laws of Money*, *the Lessons of Life*. In a natural evolution of Suze's authoritative view of the world of money, and characterized by her straight talk, warmth, and humor, *The Laws of Money*, *the Lessons of Life* reveals a revolutionary new paradigm of personal finance. The 5 Laws of Money are vital principles that you need to know whether you are old or young, male or female, with or without money, a novice or a veteran investor. These five laws operate without exception -- at all times, in every culture -- and apply to everyone, as Suze shows in the compassionate stories adapted from real-life situations that she recounts throughout the book. And the universal truths and lessons contained within each law help you learn how to keep what you have and create what you deserve. Anyone can -- and must -- put these laws

to use today in order to survive and thrive in these times of constant upheaval and financial turmoil. The Laws of Money, the Lessons of Life provides an eminently sensible, highly effective process for gaining control over your life and your money. Through pointed questions about your attitudes toward money, with insightful financial exercises and personal guidance, Suze deciphers the false hopes and fears that keep you from making smart, confident decisions and choices about your money. Her take-charge optimism and realistic action plans will jolt you out of any financial confusion or paralysis, whether you're beginning your career or at a midpoint, planning for or already in retirement. You will learn to assess your current spending, savings, and investments, and acquire a sure sense of what you can do with the money you have and the money you want to have. A thorough guidebook is included that helps you put the laws into immediate action and see their lessons manifest in your own life. Profound and practical, The Laws of Money, the Lessons of Life will help you get out of debt, create what you

want, and protect your money, your family, and your future. With these laws as your guide, you can avoid ever being a financial victim again.

**5 Simple Steps to Financial Freedom**-Dan Willis 2019-01-08 As a young and naïve pastor, Dan Willis maxed out twenty-three credit cards and ruined his credit to support his ministry. It wasn't until massive debt caused the cards to stop working that he realized that God never asked him to do this. Through his candor and honesty, Dan reveals the five steps God showed him to get out of debt: stop spending, create a budget, develop a debt payoff plan, begin saving, and repair bad credit. This led him to becoming a thriving and financially-free ministry. Now, Dan is on a mission to teach this to the world. Using biblical principles, but not relying on miracles or "name-it-and-claim-it" theology, Dan provides easy-to-follow, practical steps that can be used by anyone to escape financial bondage. Finally, he encourages readers to use their financial freedom to help others and advance God's

kingdom, and to use their newfound fiscal wisdom to store up wealth. Without shaming those who struggle financially, 5 Simple Steps to Financial Freedom is the perfect combination of spiritual wisdom and practical advice for those who desperately need it.

**Financial Freedom and the American Dream:  
Five Steps for Financial Independence and  
Early Retirement**-Justin Boucher 2019-11-09

Imagine for a moment that you could achieve financial freedom and live the American Dream ... What would it mean to you? Retiring early? Freedom to live life the way you want? Work

when you want or not? Travel? More time with your family? The resources to explore hobbies and things you have been wanting to do for years? I realize that for many people the idea of true financial freedom may not be believable. This is understandable as a lot of us have grown up with very little education around money and creating wealth. However, as a Certified Financial Planner(R) who has worked with hundreds of people in different stages of life, I am here to tell it is very possible to reach financial freedom. It takes the right mindset and a willingness to follow a few essential principles which I lay out for you in this book. As you read through it you will discover: -Unique and effective methods to significantly reduce or eliminate taxes -Clever ways to create an everlasting portfolio for generations to come so no one in your lineage ever struggles with money again -The secrets for managing debt (including credit card and student loan debt) -How to stretch your dollar further than you ever imagined -How to make sure you never run out of money in retirement -Why investing in yourself

**Decide to Profit**-Dorriah Rogers 2017-06-13 Dr. Dorriah Rogers, CEO of Paradyne Consulting Works, shares her last twelve years of consulting and research for numerous Fortune 100 and 500 companies, large government entities and the U.S. military in her book *Decide to Profit: 9 Steps to a Better Bottom Line*. The book is the result of discussions and intensive problem-solving with thousands of employees, managers and executives experiencing an inability to tie innovation and growth to bottom-line profit; where due to market pressure for growth, managers found themselves pushing decision-

making to the lowest levels of the organization, and companies were finding themselves in need of a tool to ensure that these decisions were executed in a safe and profitable way. In other words, as their organizations grew, net margin and productivity began to erode, and a solution was required. Decide to Profit provides a step-by-step guide for organizations to connect all ideas and decisions that affect change to the financial goals of the company. Employees will have a clear systematic process that links decisions to the financial performance of their organization. Managers will have a ready tool to shape their organizational culture and business outcomes. With this process, both leaders and employees can adapt to increasingly tough competition and excel within their ever-changing markets, while ultimately maintaining or growing net profit. The 9 Step process has been vetted and implemented within some of the largest and most complex projects and organizations across North America, and it works. Each of the 9 Steps shows you how to avoid common decision-making mistakes, provides checklists and tools to foster a creative

and idea-driven culture within organizations, and includes easy-to-understand and implement guidelines to ensure a financially sound future. The nine chapters chronologically and systematically outline each of the steps and its application, and include checklists, critical questions, and easy-to-use forms for managers and employees. Imbedded within each step are checks and balances and a process for accountability, so managers and employees can remain in sync in both their thinking and actions. A user code will be provided to book purchasers allowing them to access tips for easy-to-download forms on the Decide to Profit website. The website will also include a user forum, a best practices blog and tips from the author.

**The Index Card**-Helaine Olen 2016-01-05 “The newbie investor will not find a better guide to personal finance.” —Burton Malkiel, author of A RANDOM WALK DOWN WALL STREET TV analysts and money managers would have you believe your finances are enormously

complicated, and if you don't follow their guidance, you'll end up in the poorhouse. They're wrong. When University of Chicago professor Harold Pollack interviewed Helaine Olen, an award-winning financial journalist and the author of the bestselling *Pound Foolish*, he made an off-hand suggestion: everything you need to know about managing your money could fit on an index card. To prove his point, he grabbed a 4" x 6" card, scribbled down a list of rules, and posted a picture of the card online. The post went viral. Now, Pollack teams up with Olen to explain why the ten simple rules of the index card outperform more complicated financial strategies. Inside is an easy-to-follow action plan that works in good times and bad, giving you the tools, knowledge, and confidence to seize control of your financial life.

### **Three Steps to Wealth & Financial Security-**

Gary M. Laturno 2013-07-18 "I recommend this book highly as one of the 10 most important 'must read' books published this year," Robert Plotkin, Founding President, World Trade Center San Diego. "Three Steps to Wealth & Financial Security - All That Glitters Isn't Gold" is a back to basics, easy to use guide to reassert financial control and secure your financial future. The book draws on real world examples that husband-and-wife authors attorney Gary Laturno, Esq. and Victoria Kuick, MBA, have encountered

in counseling over two thousand homeowners in financial distress since 2007. As a result, the book will be an easy read for people who find financial matters confusing or even frightening. The authors' straightforward guidance and recommendations will help many take charge of their financial futures. Comments by Readers: I read your book last night. I'm incredibly impressed! It's a huge undertaking to present an enormous wealth of REALLY important and helpful information in a streamlined way...but you guys did it! And, I think your readers will really appreciate the genuine tone and straightforward approach—life changing stuff. Great job! I see this book distributed in high schools, colleges (law schools particularly—some lawyers are not great when it comes to financial matters), vocational schools, and the like. I hope you're aiming to reach the masses with this one—the subject matter is so salient right now, and this information is really resonating with people. Jennifer Manganello, Esq., University of California, Hastings College of the Law I just finished reading your book. Outstanding! I love

the unique way it was written in PowerPoint format—original, straightforward, and easy to follow. The information the book contains, and how it is explained, makes it stand out. You do not allow the reader to blame others or make excuses about their financial situation. You tell them to look in the mirror, take responsibility, and you show them that money problems are not hopeless but fixable. The stock and real estate investing sections are informative and easy to understand. You take the complexity out of stock market investing. You show real estate investors the pitfalls to avoid. Readers will especially benefit from how you compare and contrast real estate investing with the stock market and other investments — bonds, precious metals and cash. It's evident the book was written from firsthand experience, making it truly authentic. I am impressed both by your credentials and your experience counseling over 2,000 homeowners in financial distress since 2007. This book cuts to the core of what people need to know and do to put their financial house in order. I highly recommend your book! Read it and you will

substantially increase your financial I.Q. Dory Laramore, Certified Registered Tax Preparer, and author of *Get Your Finances Right: The Foundation for Success “Three Steps to Wealth & Financial Security”* is well written, concise and provides a wealth of financial advice for every American. The authors ask and answer a number of profound questions. What are the lessons of the housing crisis? Why are savings rates in the United States so low? Why do so many retire on Social Security only? Why do so many mismanage their financial affairs? How do we put our financial house in order? What do we need to know and do to be financially secure? Understand the mistakes that so many made and continue to make. Fine tune your financial plan and money management skills. Recommendation: Read the book! Money management, financial planning, and wealth building are mandatory subjects not electives. Andrew J. Sussman, Esq., Partner, RSR Law Group, San Diego, California

**The Courage to Be Rich**-Suze Orman 1999-03 "What would it take for you to change the course of your life?" reads the first sentence of The Courage to Be Rich, a book that goes beyond the phenomenal success of The 9 Steps to Financial Freedom in challenging and inspiring us to realize our full financial potential, and to realize

as well that the bottom line of life is comprised of much more than money. Why does it take courage to be rich? Because it takes courage to meet every obstacle and opportunity of life, to forgive ourselves and others for past mistakes, to imagine and achieve a future rich with possibility. With her signature blend of inspirational and practical advice, Suze Orman asks us to look within, asserting her powerful conviction that once we achieve a state of emotional clarity regarding money, financial clarity will always follow. She guides us through a lifetime of financial issues, from relationships and prenuptial agreements to investment options, from the money we spend in daily life to the money we need for tomorrow. Finally, Suze takes on the seldom-explored subject of money and grace, the rewards it bestows and the responsibilities it confers. Suze Orman may be the only financial planner for whom words like "hope," "acceptance," and "courage" are part of her daily lexicon. The Courage to Be Rich is a book that will change our very definitions of wealth and abundance.

**Unshakeable**-Tony Robbins 2017-02-28 Guides readers on the path to financial freedom, discussing how to not only weather but gain from fluctuations in the stock market, how to get more out of a 401k, and how to avoid paying hidden fees.

**Identity Leadership**—Stedman Graham

2019-05-07 Become a passionate, purposeful, and meaningful leader through identifying who you are, your strengths, and your skills. New York Times bestselling author Stedman Graham's Identity Leadership is a very personal and prescriptive guide that is based on his philosophy that a leader can't lead others until he can first lead himself-the more he works on himself, the more he can give to those around him. To know our purpose in life, we begin with our passions, skills, and talents, and with this book we learn how to channel the best of who we are to achieve success for ourselves and those we lead. In Identity Leadership, Graham examines why self-awareness matters, how leaders lead, the importance of communication, and much more. He then shows the reader how to step into their role as a leader and create their identity leadership plan. Key to the journey is believing in yourself, knowing your competence, continually challenging yourself, and being patient with yourself. Graham uses anecdotes from his own life, as well as discussing successful leaders, to illustrate the importance of identity leadership in

each of our lives. Self-leaders can create a roadmap that leads to personal growth, development, and improvement of performance in every area of life. Identity Leadership provides the tools-self-awareness, emotional intelligence, discipline, and more-needed to continually plan and execute learning and development of our talents and skills. These tools enable readers to commit to a personal vision and lead with purpose.
