lugares del mundo: un suicidio en China que desata una cadena de reacciones familiares; una extraña maldición que persigue a ciertas mujeres en un pueblo español, y una joven arrancada de su hogar en la costa africana, que es llevada a un mundo desconocido. Las peripecias de estos personajes se irán entrelazando a lo largo del tiempo.--Desde la descripción de la editorial.

El juego del amor y del azar; La isla de los esclavos; La disputa; La colonia-Marivaux
2016-03-31 En "El juego del amor y del azar", Marivaux retorna al tradicional juego del doble y del travestimiento de personajes (incluidos los amos) con una trama centrada en una sola acción: el encuentro de los protagonistas y la evolución de sus relaciones amorosas. Pero, en "El juego del amor y del azar", los padres han asumido la lección de los escenarios y los avances de una sociedad que se mueve hacia la Ilustración, y dejan la última palabra de tan importante decisión en manos de los hijos. El tema de los orígenes centra la trama de las otras tres: la desigualdad de la organización social, en "La isla de los esclavos", la forma y el momento en que los sentimientos amorosos nacen y "sorprenden", en "La disputa", y el sometimiento de la mujer en sociedad o dentro del matrimonio,

en "La colonia".

2017-12-25 Hi, my name is Christopher, and this
is my story, maybe It's just like yours, or maybe it
isn't. We might not have anything in common,
but, we may be very similar and have questions
without answers. I'm sure we are both constatly
hunted by our past. Although we may not, I don't
think I'm like you, my shy friend, invisible in the
crowd, addicted to be an addict. In the end, it
doesn't matter whom I look like, or who I truly
am. What you have in your hands is my journal
and it is welcoming you to live inside of a
"MAYBE," and to fall in love as much as to end up

ignoring it. Life introduced her to me, to show
me my desire of living through her eyes.
Everything started in May, but I can't tell you
what day is today. I'd like to welcome you to my
life, filled with excess and fun. I invite you to a
world merged with crisis, and to a life filled with
music, concerts and poetry.

Lingua Cosmica-Dale Knickerbocker
2018-05-04 Anthologies, awards, journals, and works in translation have sprung up to reflect science fiction's increasingly international scope. Yet scholars and students alike face a problem. Where does one begin to explore global SF in the absence of an established canon? *Lingua Cosmica* opens the door to some of the creators in the vanguard of international science fiction. Eleven experts offer innovative English-language scholarship on figures ranging from Cuban pioneer Daína Chaviano to Nigerian filmmaker Olatunde Osunsanmi to the Hugo Award-winning Chinese writer Liu Cixin. These essays invite readers to ponder the themes, formal elements, and unique cultural characteristics within the works of these irreplaceable—if too-little-known—artists. Dale Knickerbocker includes fantasists and genre-benders pushing SF along new evolutionary paths even as they draw on the traditions of their own literary cultures. Includes essays on Daína Chaviano (Cuba), Jacek Dukaj (Poland), Jean-Claude Dunyac (France), Andreas Eschbach (Germany), Angélica Gorodischer

(Argentina), Sakyo Komatsu (Japan), Liu Cixin (China), Laurent McAllister (Yves Meynard and Jean-Louis Trudel, Francophone Canada), Olatunde Osunsanmi (Nigeria), Johanna Sinisalo (Finland), and Arkady and Boris Strugatsky (Russia). Isle of Passion-Laura Restrepo 2013-08-06 In 1908, under orders to defend a tiny, isolated Pacific atoll from an improbable French invasion, Mexican captain Ramón Arnaud, his young bride, Alicia, and eleven soldiers and their families set sail for the so-called Isle of Passion. In this dire, forbidding place, a viable community is created under Ramón's guidance and inspired by Alicia's dedication. But they are soon forgotten by a motherland distracted by political upheaval and the first rumblings of World War I. Left to the mercies of nature and one another—falling victim one by one to disease, hunger, lust, despair, and, ultimately, violence—the castaways who remain must find strength in the courage and steadfast resourcefulness of Alicia Arnaud, upon whom

their collective survival now depends. Based on true events, Laura Restrepo's *Isle of Passion* is a brilliantly rendered and dramatic tale of savage human nature—and one woman's determination to triumph over a harrowing fate.

The Youngest Doll- 1991-01-01 A gentle maiden aunt who has been victimized for years unexpectedly retaliates through her talent for making life-sized dolls filled with honey. "The Youngest Doll," based on a family anecdote, is a stunning literary expression of Rosario Ferré's feminist and social concerns. It is the premier story in a collection that was originally published in Spanish in 1976 as Papeles de Pandora and is now translated into English by the author. The daughter of a former governor of Puerto Rico, Ferré portrays women loosening the constraints that have bound them to a patriarchal culture. Anger takes creative rather than polemical form in ten stories that started Ferré on her way to becoming a leading woman writer in Latin America. The upper-middle-class women in The Youngest Doll, mostly married to macho men, rebel against their doll-like existence or retreat

into fantasy, those without money or the right skin color are even more oppressed. In terms of power and influence, these women stand in the same relation to men as Puerto Rico itself does to the United States, and Ferré stretches artistic boundaries in writing about their situation. The stories, moving from the realistic to the nightmarish, are deeply felt, full of irony and black humor, often experimental in form. The imagery is striking: an architect dreams about a beautiful bridge that "would open and close its arches like alligators making love"; a Mercedes Benz "shines in the dark like a chromium rhinoceros." One story, "The Sleeping Beauty," is a collage of letters, announcements, and photo captions that allows chilling conclusions to be drawn from what is not written. The collection includes Ferré's discussion of "When Women Love Men," a story about a prostitute and a society lady who unite in order to survive, and one that illustrates the woman writer's "art of dissembling anger through irony." In closing, she considers how her experience as a Latin American woman with ties to the United States

has brought to her writing a dual cultural perspective.

La Isla del Día de Antes-Umberto Eco 1998-06

En el verano de 1643 y en los mares del Sur, un joven piamontés, Roberto de la Grive, arriba como náufrago a una nave desierta. La nave está llena de animales desconocidos y de extrañas máquinas y artilugios, y ante ella, próxima e inalcanzable (no sólo, descubriremos después, en el espacio, sino también en el tiempo) una isla de ensueño. Roberto escribe cartas a la 'Señora'; a través de las cuales se adivina poco a poco su pasado: duelos, asedios, lances amorosos, alambicadas disputas de salón. Se trata, de hecho, de la lenta y traumática iniciación al mundo de la nueva ciencia, las razones de estado, las redes de espionaje de Mazarino y Richelieu, la guerra de los treinta años, en suma, a un cosmos en el que la tierra ha dejado de ser para muchos el centro del universo. En este 'Mar de la Inocencia' nada es inocente, y Roberto lo sabe desde el principio, porque ha llegado a

estas Antípodas para resolver -sin personalmente desearlo- el misterio por el cual forcejean las nuevas potencias de la época: el secreto del Punto Fijo.

In the Midst of Winter-Isabel Allende
2017-10-31 New York Times and worldwide bestselling “dazzling storyteller” (Associated Press) Isabel Allende returns with a sweeping novel about three very different people who are brought together in a mesmerizing story that journeys from present-day Brooklyn to Guatemala in the recent past to 1970s Chile and Brazil. *In the Midst of Winter* begins with a minor traffic accident—which becomes the catalyst for an unexpected and moving love story between two people who thought they were deep into the winter of their lives. Richard Bowmaster—a 60-year-old human rights scholar—hits the car of Evelyn Ortega—a young, undocumented immigrant from Guatemala—in the middle of a snowstorm in Brooklyn. What at first seems just a small inconvenience takes an unforeseen and far more serious turn when Evelyn turns up at the

professor’s house seeking help. At a loss, the professor asks his tenant Lucia Maraz—a 62-year-old lecturer from Chile—for her advice. These three very different people are brought together in a mesmerizing story that moves from present-day Brooklyn to Guatemala in the recent past to 1970s Chile and Brazil, sparking the beginning of a long overdue love story between Richard and Lucia. Exploring the timely issues of human rights and the plight of immigrants and refugees, the book recalls Allende’s landmark novel *The House of the Spirits* in the way it embraces the cause of “humanity, and it does so with passion, humor, and wisdom that transcend politics” (Jonathan Yardley, *The Washington Post*). *In the Midst of Winter* will stay with you long after you turn the final page.

Eccentric Neighborhoods-Rosario Ferré
2014-04-29 A “colorful family saga” set against the dramatic historical backdrop of twentieth-century Puerto Rico, from an author nominated for the National Book Award (Kirkus Reviews). Elvira Vernet narrates *Eccentric Neighborhoods* as she attempts to solve the mystery of who her parents truly are. Her mother, the beautiful and aristocratic Clarissa Rivas de Santillana, was born into a rarefied world of privilege, one of five daughters on the family’s sugar plantation. Elvira’s father, Aurelio Vernet, and his three brothers and two sisters were raised by Santiago, a Cuban immigrant who ruled his family with an iron hand. As Puerto Rico struggles for independence—and Aurelio takes his place among the powerful political gentry—a legacy of violence, infidelity, faith, and sacrifice is born. Set against the backdrop of a country coming of age, *Eccentric Neighborhoods* is a lush,

transcendent novel, a family saga about mothers and daughters, husbands and wives, parents and children. In this magnificent follow-up to *The House on the Lagoon*, Rosario Ferré delivers a work of historical fiction influenced by magical realism and infused with forgiveness and love.

Books of the Brave-Irving Albert Leonard
1992-01-01 Since its original publication in 1949, Irving A. Leonard's pioneering *Books of the Brave* has endured as the classic account of the

introduction of literary culture to Spain's New World. Leonard's study documents the works of fiction that accompanied and followed the conquistadores to the Americas and goes on to argue that popular texts influenced these men and shaped the way they thought and wrote about their New World experiences. For the first time in English, this edition combines Leonard's text with a selection of the documents that were his most valuable sources--nine lists of books destined for the Indies. Containing a wealth of information that is sure to spark future study, these lists provide the documentary evidence for what is perhaps Leonard's greatest contribution: his demonstration that royal and inquisitorial prohibitions failed to control the circulation of books and ideas in colonial Spanish America. Rolena Adorno's introduction signals the lasting value of *Books of the Brave* and brings the reader up to date on developments in cultural-historical studies that have shed light on the role of books in Spanish American colonial culture. Adorno situates Leonard's work at the threshold between older, triumphalist views of Spanish conquest

history and more recent perspectives engendered by studies of native American peoples. With its rich descriptions of the book trade in both Spain and America, *Books of the Brave* has much to offer historians as well as literary critics. Indeed, it is a highly readable and engaging book for anyone interested in the cultural life of the New World. Since its original publication in 1949, Irving A. The Ten Loves of Nishino-Hiromi Kawakami
2019-06-04 The story of an enigmatic man through the voices of ten remarkable women who have loved him at one point in their lives. Each

woman has succumbed, even if only for an hour, to that seductive, imprudent, and furtively feline man who drifted so naturally into their lives. Still clinging to the vivid memory of his warm breath and his indecipherable sentences, ten women tell their stories as they attempt to recreate the image of the unfathomable Nishino. Like a modern *Decameron*, this humorous, sensual, and touching novel by one of Japan's best-selling and most beloved writers is a powerful and embracing portrait of the human comedy in ten voices. Driven by desires that are at once unique and common, the women in this book are modern, familiar to us, and still mysterious. A little like Nishino himself . . . Winner 2020 Pen Translation Prize Praise for *The Ten Loves of Nishino* "If you like Haruki Murakami and Yoko Ogawa, it's a safe bet that you'll love *The Ten Loves of Nishino*." —DozoDomo (France) "Agile, inventive fiction." —Booklist "An intriguing portrayal of romantic attachment." —The New Yorker "The women in this collection are vibrant, lusty, and clearly the agents of their own love lives . . . Kawakami's novel treats its feminist

themes with a light hand but still slyly lands its points.” ?Kirkus Reviews
