**Yoga Cats**-Dan Borrís 2021-03-09 We humans have never been crazier about our cats. And yoga just keeps getting bigger every year. So what happens when you combine cats and yoga? The best of everything and then some! Just seeing a cat makes us feel good, but seeing a cute kitty doing Warrior III? How can you not smile? Yoga Cats remind us of the basic principles of yoga: follow your breath; be present; feel connection to our living world... and don't forget to get in touch with your inner kitty!

**Philographics Postcard Book**-Genis Carreras 2015-07-30 Philographics is conceived as a visual dictionary of philosophy, a compilation of the most important 'isms' explained using simple shapes.

**The Adventures of Kalamazoo**-James A. Murtha 2016-03-14 Kalamazoo behaves like an ordinary cat-some of the time. He purrs, bats tinfoil balls, chases birds and mice, is finicky about his food, twitches his tail, cleans himself, and sleeps a lot. But Mooze-as Jim calls his cat-buddy-also plays guitar, paints, rides a Harley, types on a laptop, and sails in the Gulf. Jim never knows what Mooze will do next. Here's a snippet from the time the two friends recreated a steer wrestling event they'd been watching on TV. It was Jim's turn to play the steer. Mooze wandered off to his room and took the longest time in preparation, while I put away my hat and boots. I left the shirt on since it was sweaty anyhow. I was about to call him when I heard a slurred, "Buenas tardes, amigo." He made his entrance in style, sashaying into the living room wearing the fanciest boots I'd ever seen on a cat-blackened armadillo, mind you. His little ears poked through a tiny black Stetson. Chaps with more studs than a rock star protected his rear legs. A black silk bandana circled his neck. He must have practiced the bow-legged walk, because he had it down pat, and I mean pat.

**She & I**-Giovanna Caputo 2014-11-18 Feferino was the loveliest cat ever. Unfortunately he met a gruesome and painful death. Four centuries later his soul is back on earth when a baby girl is born: Lenor, an unbelievably witty child with a cattish sense of umor. She recognizes in Behemoth, her green eyed black cat, her only kin. Lenor's story rapidly unfolds, engagingly narrated for you to find out all about her weired family and the rest of the world around her.

**The Calico Cat**-Charles Miner Thompson 2019-12-10 "The Calico Cat" by Charles Miner Thompson. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten–or yet undiscovered gems–of world literature, we issue the books that need to be read. **Cat on a Cloud**-S. Bacon 2014-10-22 This book will take you to a place of, adventure, fun, plus learning the friendship of those around you. As you travel across, the country searching for mystery, magic, life. Please come and enjoy it will be fun. Read a book the best experience.

**Fat Cat - a Small Tail**-K. A. Salter 2015-07-13 A homeless cat arrives in the neighborhood and is shunned by all but a housewife and her two young children. The father of the family is not a cat lover and both his wife and children set about trying to change his mind until the cat does it on his own. This story highlights the importance of not judging a book by its cover.

Fun cat pictures and beautiful, international locations. A free bonus PDF coloring book can be downloaded.

**Cats of the Riverlands**-Lisa Flaum 2016-10-25 This suspense-filled children's novel takes you deep into the mysterious and marvellous world of The Cats of the Riverlands. Living along a river, they are both wild and domestic, noble and ignoble. The Golden Statue is about a shy, teased cat called Tikana, who is thrown into an adventure in which she has to make choices that are both petrifying and life-changing. One dark night changes this heroine forever; a night in which villains, heroes and secrets are revealed. Can she embrace the truth of her past without facing the pain of her present? There is the possibility that she might indeed be someone of noble birth, but who determines what makes a cat noble? Is it determined by birthright or by the way they engage the world? And then there is the Prince. Sometimes love can change the course of history and undo ancient incantations, breaking traditions and fear. But can their love survive the idolatry surrounding the golden statues? If you are cat-obsessed and you always knew they had secret lives, then you will love this book. Drawing you in page by page, it's packed full of adventure and journeys to the heart. The Cats of the Riverlands will be enjoyed by 9-12 year old readers.

**It's a Cat Life**-Monica Shostek 2013-02-14 For Huck, who thinks he was born in prison, life has just taken another turn. He arrives in another facility, where he gets food, toys and belly rubs... and, most importantly, there are no "doggies" around. But what is the beast screaming at him from the floor? Who is the cat invading Huck's territory? And finally, why is there a door to the parallel universe in the hoomans' chamber? Huck needs to find answers to all of these questions before it's too late to save the delicate fabric of reality. And to think that he's just a poor little kitten, who has only recently learnt how to stand on his own paws... In "It's a cat life" Huck records all his adventures, writing an extraordinary diary of his own. CAUTION: may be disturbing to mice!

**Without a Conscience**-Cat Gardiner 2016-11-22 This is the exciting sequel to Denial of Conscience, a modern Darcy and Elizabeth adventure of international intrigue. Romance, Suspense, Passion, and Danger Someone wants to kill The Iceman, Fitzwilliam Darcy, and will stop at nothing to lure him into the open. Out for retribution, the son of an assassinated South American drug lord is seeking payback. His diabolical objective puts Operation Macarena into play by dangling bait guaranteed to entice his enemy. Can Darcy's new bride, Liz, accept his decision to leave their tranquil life at Pemberley to resume the deadly profession he swore was behind them forever? But are Darcy and Liz each fully satisfied with their simple, peaceful existence raising polo ponies and planning exotic vacations? Darcy set Liz's spirit free; how can she resist the urge to ride on the wild side? Perhaps coming out of retirement is just what her husband needs because The Iceman never truly melted. Without a Conscience takes readers on an adventure from the dangerous Peruvian Amazon Basin to the salacious underbelly of Parisian nightlife, leading toward a perilous rescue in Moscow. Conscience or no, but propelled by love, Liz and Darcy re-enter the realm of international intrigue for the one and only thing they know is truly worth fighting for: each other. Authors Note: Jane Austen wrote such wonderful characters, I borrowed their names and some of their characteristics to tell my own tale of contemporary love. Without a Conscience is a sequel, and I recommend reading Denial of Conscience first. Further, it is an original story that follows the lives of the characters of Denial of Conscience and therefore, not meant to be a Pride and Prejudice variation. This novel contains explicit sexual content. So if you are looking for a clean, canon read, this book is not for you.

**Yoga Coloring Book**-Jessica Parks 2017-02-14 ADULT COLORING BOOKS - YOGA COLORING BOOK - VOL 2 A Magnificent Selection Of Spiritual Symbols Decorative Illustrations Of Yoga Poses Sun Moon Hamsa Talisman All Seeing Eye Buddha Ganesh Hindu God Paisley Elements - Promote Mindfulness And Relaxation Through Art Paint with anything...
