The Art of Raising a Puppy-Monks of New Skete 2001-05-15 The Monks of New Skete THE ART OF RAISING A PUPPY The authors of the classic guide How to Be Your Dog's Best Friend now tell you everything you need to know about the crucial first months of your puppy's life. From the decision to adopt a pup through the practical steps of choosing the right breed, preparing your home, caring for your new charge, and practicing basic obedience exercises, the Monks of New Skete offer clear, compassionate guidelines for raising a puppy.

Renowned for breeding German shepherds, the Monks train their own beautiful dogs, and dogs of any breed, according to a unique program based on understanding canine behavior and enhancing the bond between dog and owner. This communion begins in puppyhood and is based on deep respect and affection. Improper care, poor training, or a lack of attention during the early months can lead to problem behaviors that become increasingly difficult to alter as your dog matures. By learning to gently assert your dominance from the start, you'll build a lasting and loving relationship with your pup. This complete guide, illustrated with more than eighty black-and-white photographs, explains the stages of puppy development, how to communicate with your pup, how to begin a complete training program, and how to deal with common problems like chewing, jumping up, and paper-training. The kind of fulfillment a solid relationship with your pup can bring is demonstrated in the stories of three dogs who have assumed special places in their owners' lives. The Art of Raising a Puppy is an essential source of wisdom, information, and inspiration for anyone who loves and cares for a puppy. As a community, the Monks of New Skete have been breeding, raising, and training dogs for more than twenty years. New Skete Monastery is located in Cambridge, New York.

How to Raise a Reader-Pamela Paul 2019-09-03 An indispensable guide to welcoming children—from babies to teens—to a lifelong love of reading, written by Pamela Paul and Maria Russo, editors of The New York Times Book

Review. Do you remember your first visit to where the wild things are? How about curling up for hours on end to discover the secret of the Sorcerer's Stone? Combining clear, practical advice with inspiration, wisdom, tips, and curated reading lists, *How to Raise a Reader* shows you how to instill the joy and time-stopping pleasure of reading. Divided into four sections, from baby through teen, and each illustrated by a different artist, this book offers something useful on every page, whether it's how to develop rituals around reading or build a family library, or ways to engage a reluctant reader. A fifth section, "More Books to Love: By Theme and Reading Level," is chockful of expert recommendations. Throughout, the authors debunk common myths, assuage parental fears, and deliver invaluable lessons in a positive and easy-to-act-on way.

How to Raise a Mom-Jean Reagan 2019-03-26 Provides instructions for raising a happy, healthy mother, including introducing such stress-reducing activities as searching for wiggly worms, painting rainbows, eating snacks, and playing with toys.

Superpuppy-Jill Pinkwater 2002 A guide to buying, training, and caring for a dog, with special emphasis on understanding its personality, feelings, and reactions to new situations.

How Not to Raise a Perfect Child-Libby Purves 1999 A perfect child: * Dresses neatly and practises the violin before breakfast * Comes top of the class and is captain of everything * Is unfailingly obedient and sweet-tempered * Is a perfect credit to its perfect mother A real child: * Prefers shoelaces undone and mismatched socks * Shouts 'Bum!' at Granny * Turns breakfast and bedtime into a battleground * Is the normal offspring of imperfect parents With affectionate lack of illusion and a refreshing honesty about her own shortcomings, Libby Purves examines the pleasures and pitfalls of raising children from three to eight years old. Playgroup, starting school, rude words, pets - all these topics are tackled with frank good humour and down-to-earth advice. Best of all is her reassuring reminder that there is no such thing as a perfect child.

How to Raise an Adult-Julie Lythcott-Haims 2015-06-09 New York Times Bestseller "Julie Lythcott-Haims is a national treasure. . . . A must-read for every parent who senses that there is a healthier and saner way to raise our children." -Madeline Levine, author of the New York Times bestsellers *The Price of Privilege* and *Teach Your Children Well* "For parents who want to foster hearty self-reliance instead of hollow self-esteem, *How to Raise an Adult* is the right book at the right time." -Daniel H. Pink, author of the New York Times bestsellers *Drive* and *A Whole New Mind* A provocative manifesto that exposes the harms of helicopter parenting and sets forth an alternate philosophy for raising preteens and teens to self-sufficient young adulthood In *How to Raise an Adult*, Julie Lythcott-Haims draws on research, on conversations with admissions officers, educators, and employers, and on her own insights as a mother and as a student dean to highlight the ways in which overparenting harms children, their stressed-out parents, and society at large. While empathizing with the parental hopes and, especially, fears that lead to overhelping, Lythcott-Haims offers practical alternative strategies that underline the importance of allowing children to make their own mistakes and develop the resilience, resourcefulness, and inner determination necessary for success. Relevant to parents of toddlers as well as of twentysomethings-and of special value to parents of teens-this book is a rallying cry for those who wish to ensure that the next generation can take charge of their own lives with competence and confidence.

How to Raise Perfectly Imperfect Kids and Be OK with It-Lisa Sugarman 2020-05-19 Helicopter parent, tiger parent . . . lawnmower parent? Generation Z has a reputation of entitlement, but this attitude is often fostered by

parents who mow down every obstacle in their child's path, never letting them fail. In *How to Raise Perfectly Imperfect Kids and Be OK with It*, humorist Lisa Sugarman takes her humanistic approach to parenting Gen Z kids and tells it like it is. Sugarman reminds parents that it's okay (and beneficial) for children to confront obstacles, it's okay if your children are not perfect, and it's okay to say "No." The goal is not to raise perfect children; the goal is to raise kind, responsible adults, and it's a process. *How to Raise Perfectly Imperfect Kids* reminds the reader that mistakes and problems lead to lessons. Fixating on raising the smartest, fastest, most successful child will never result in a happy child (or a happy parent). With healthy doses of humor and reality, Lisa Sugarman reminds us that our kids were never meant to be perfect, and perfectly imperfect kids can become wonderful, well-rounded adults if we just allow them to grow.

Raising Happiness-Christine Carter, Ph.D. 2010-02-02 What do we wish most for our children? Next to being healthy, we want them to be happy, of course! Fortunately, a wide array of scientific studies show that happiness is a learned behavior, a muscle we can help our children build and maintain. Drawing on what psychology, sociology, and neuroscience have proven about confidence, gratefulness, and optimism, and using her own chaotic and often hilarious real-world adventures as a mom to demonstrate do's and don'ts in action, Christine Carter,

Ph.D, executive director of UC Berkeley's Greater Good Science Center, boils the process down to 10 simple happiness-inducing steps. With great wit, wisdom, and compassion, Carter covers the day-to-day pressure points of parenting—how best to discipline, get kids to school and activities on time, and get dinner on the table—as well as the more elusive issues of helping children build healthy friendships and develop emotional intelligence. In these 10 key steps, she helps you interact confidently and consistently with your kids to foster the skills, habits, and mindsets that will set the stage for positive emotions now and into their adolescence and beyond. Inside you will discover • the best way avoid raising a brat—changing bad habits into good ones • tips on how to change your kids' attitude into gratitude • the trap of trying to be perfect—and how to stay clear of its pitfalls • the right way to praise kids—and why too much of the wrong kind can be just as bad as not enough • the spirit of kindness—how to raise kind, compassionate, and loving children • strategies for inspiring kids to do boring (but necessary) tasks—and become more self-motivated in the process Complete with a series of “try this” tips, secrets, and strategies, *Raising Happiness* is a one-of-a-kind resource that will help you instill joy in your kids—and, in the process, become more joyful yourself.

How to Raise Successful People-Esther Wojcicki 2019-05-07 The Godmother of Silicon Valley, legendary teacher, and mother of a Super Family shares her tried-and-tested methods for raising happy, healthy, successful children using Trust, Respect, Independence, Collaboration, and Kindness: TRICK. Esther Wojcicki--"Woj" to her many friends and admirers--is famous for three things: teaching a high school class that has changed the lives of thousands of kids, inspiring Silicon Valley legends like Steve Jobs, and raising three daughters who have each become famously successful. What do these three accomplishments have in common? They're the result of TRICK, Woj's secret to raising successful people: Trust, Respect, Independence, Collaboration, and Kindness. Simple lessons, but the results are radical. Wojcicki's methods are the opposite of helicopter parenting. As we face an epidemic of parental anxiety, Woj is here to say: relax. Talk to infants as if they are adults. Allow teenagers to pick projects that relate to the real world and their own passions, and let them figure out how to complete them. Above all, let your child lead. *How to Raise Successful People* offers essential lessons for raising, educating, and managing people to their highest potential. Change your parenting, change the world.

Mamaleh Knows Best-Marjorie Ingall 2016-08-30 We all know the stereotype of the Jewish mother: Hectoring, guilt-inducing, clingy as a limpet. In *Mamaleh Knows Best*, Tablet Magazine columnist Marjorie Ingall smashes this tired trope with a hammer. Blending personal anecdotes, humor, historical texts, and scientific research, Ingall shares Jewish secrets for raising self-sufficient, ethical, and accomplished children. She offers abundant examples showing how Jewish mothers have nurtured their children's independence, fostered discipline, urged a healthy distrust of authority, consciously cultivated geekiness and kindness, stressed education, and maintained a sense of humor. These time-tested strategies have proven successful in a wide variety of settings and fields over

the vast span of history. But you don't have to be Jewish to cultivate the same qualities in your own children. Ingall will make you think, she will make you laugh, and she will make you a better parent. You might not produce a Nobel Prize winner (or hey, you might), but you'll definitely get a great human being.

Get Backed-Evan Baehr 2015-10-27 “Anyone who comes to pitch on Shark Tank should read this book first!” —Barbara Corcoran, ABC's Shark Tank “I have seen literally thousands of companies trying to raise capital and know that a great pitch deck is critical. This book gives you the playbook for creating yours.” —Naval Ravikant, cofounder and CEO, AngelList “I raised twice the amount of money I set out to in a mere five weeks. I'm naming my firstborn child after the Evans.” —Slava Menn, cofounder and CEO, Fortified Bicycle HOW DO YOU LAUNCH THE VENTURE OF YOUR DREAMS? *Get Backed* isn't just about startup fundraising. It's a handbook for anyone who has an idea and needs to build relationships to get it off the ground. Over the last 3 years, entrepreneurs Evan Loomis and Evan Baehr have raised \$45 million for their own ventures, including the second largest round on the fundraising platform AngelList. In *Get Backed*, they show you exactly what they and dozens of others did to raise money—even the mistakes they made—while sharing the secrets of the world's best storytellers, fundraisers, and startup accelerators. They'll also teach you how to use “the friendship loop”, a step-by-step process that can be used to initiate and build relationships with anyone, from investors to potential cofounders. And, most of all, they'll help you create a pitch deck, building on the real-life examples of 15 ventures that have raised over \$150 million. What's in the book? • The original pitch decks and fundraising strategies of 15 ventures that raised over \$150 million • Email scripts that will get you a meeting with angel investors, venture capitalists, and potential board members • Pitching exercises developed by startup talent beds like Stanford University's d.school and Techstars • A breakdown of the 10 essential pitch deck slides, how to create them, and what questions you should answer with each • An overview of the 5 main funding sources for startups, the pros and cons of each, and who the big players are • A crash-course in visual and presentation design that will make any deck beautiful • Templates for 4 stories every entrepreneur should know how to tell • The story of one entrepreneur who showed up in Silicon Valley with no network and six months later had investments from Fred Anderson, Bono, and Peter Thiel *Get Backed* will show you exactly what it takes to get funded and will give you the tools to make any idea a reality.

Cesar's Way-Cesar Millan 2006-08-08 Cesar Millan—nationally recognized dog expert—helps you see the world through the eyes of your dog so you can finally eliminate problem behaviors. From his appearances on The Oprah Winfrey Show to his roster of celebrity clients to his reality television series, Cesar Millan is America's most sought-after dog-behavior expert. But Cesar is not a trainer in the traditional sense—his expertise lies in his unique ability to comprehend dog psychology. Tracing his own amazing journey from a clay-walled farm in Mexico to the celebrity palaces of Los Angeles, Cesar recounts how he learned what makes dogs tick. In Cesar's Way, he shares this wisdom, laying the groundwork for you to have stronger, more satisfying relationships with your canine companions. Cesar's formula for a contented and balanced dog seems impossibly simple: exercise, discipline, and affection, in that order. Taking readers through the basics of dog psychology and behavior, Cesar shares the inside details of some of his most fascinating cases, using them to illustrate how common behavior issues develop and, more important, how they can be corrected. You'll learn:

- What your dog really needs may not be what you're giving him
- Why a dog's natural pack instincts are the key to your happy relationship
- How to relate to your dog on a canine level
- There are no "problem breeds," just problem owners
- How to choose a dog who's right for you and your family
- The difference between discipline and punishment
- And much more!

Filled with fascinating anecdotes about Cesar's longtime clients, and including forewords by the president of the International Association of Canine Professionals and Jada Pinkett Smith, this is the only book you'll need to forge a stronger, more rewarding connection with your four-legged companion.

When: The Scientific Secrets of Perfect Timing-Daniel H. Pink 2018-01-09 The instant New York Times Bestseller #1 Wall Street Journal Business Bestseller Instant Washington Post Bestseller "Brimms with a surprising amount of insight and practical advice." --The Wall Street Journal Daniel H. Pink, the #1 bestselling author of Drive and To Sell Is Human, unlocks the scientific secrets to good timing to help you flourish at work, at school, and at home. Everyone knows that timing is everything. But we don't know much about timing itself. Our lives are a never-ending stream of "when" decisions: when to start a business, schedule a class, get serious about a person. Yet we make those decisions based on intuition and guesswork. Timing, it's often assumed, is an art. In When: The Scientific Secrets of Perfect Timing, Pink shows that timing is really a science. Drawing on a rich trove of research from psychology, biology, and economics, Pink reveals how best to live, work, and succeed. How can we use the hidden patterns of the day to build the ideal schedule? Why do certain breaks dramatically improve student test scores? How can we turn a stumbling beginning into a fresh start? Why should we avoid going to the hospital in the afternoon? Why is singing in time with other people as good for you as exercise? And what is the ideal time to quit a job, switch careers, or get married? In When, Pink distills cutting-edge research and data on timing and synthesizes them into a fascinating, readable narrative packed with irresistible stories and practical takeaways that give readers compelling insights into how we can live richer, more engaged lives.

The Perfect Child-Nathan Guy Hatch 2020-10-15 Parenting is hard. But parenting is not really about children. Many of the problems we face as parents occur because we don't understand how to take care of our own wellbeing, nor how to resolve the pain and trauma of our past. Learning to have compassion for ourselves and finding the tools to practice self-care can transform parenting from a frustrating exercise in self-will to the transcendent experience it's meant to be. This book is the story of one family's parent-child struggle to find happiness and fulfillment, with insights into parenting and childhood development which can help everyone to become a better parent.

The Happiest Kids in the World-Rina Mae Acosta 2017-04-04 Discover how Dutch parents raise The Happiest Kids in the World! Calling all stressed-out parents: Relax! Imagine a place where young children play unsupervised, don't do homework, have few scheduled "activities" . . . and rank #1 worldwide in happiness and education. It's not a fantasy—it's the Netherlands! Rina Mae Acosta and Michele Hutchison—an American and a Brit, both married to Dutchmen and raising their kids in the Netherlands—report back on what makes Dutch kids so happy and well adjusted. Is it that dads take workdays off to help out? Chocolate sprinkles for breakfast? Bicycling everywhere? Whatever the secret, entire Dutch families reap the benefits, from babies (who sleep 15 hours a day) to parents (who enjoy a work-life balance most Americans only dream of). As Acosta and Hutchison borrow ever-more wisdom from their Dutch neighbors, this much becomes clear: Sometimes the best thing we can do as parents is . . . less!

How to Raise a Boy-Michael C. Reichert 2020-07-21 At a time when many boys are in crisis, a much-needed roadmap for helping boys grow into strong and compassionate men Over the past two decades there has been an explosion of new studies that have expanded our knowledge of how boys think and feel. In How to Raise a Boy, psychologist Michael Reichert draws on his decades of research to challenge age-old conventions about how boys

become men. Reichert explains how the paradigms about boys needing to be stoic and "man like" can actually cause them to shut down, leading to anger, isolation, and disrespectful or even destructive behaviors. The key to changing the culture lies in how parents, educators, and mentors help boys develop socially and emotionally. Reichert offers readers step-by-step guidance in doing just this by: - Listening and observing, without judgment, so that boys know they're being heard. - Helping them develop strong connections with teachers, coaches, and other role models - Encouraging them to talk about their feelings about the opposite sex and stressing the importance of respecting women - Letting them know that they don't have to "be a man" or "suck it up," when they are experiencing physical or emotional pain. Featuring the latest insights from psychology and neuroscience, *How to Raise a Boy* will help those who care for young boys and teenagers build a boyhood that will enable them to grow into confident, accomplished and kind men.

The Wisdom of Crowds-James Surowiecki 2005-08-16 In this fascinating book, New Yorker business columnist James Surowiecki explores a deceptively simple idea: Large groups of people are smarter than an elite few, no matter how brilliant—better at solving problems, fostering innovation, coming to wise decisions, even predicting the future. With boundless erudition and in delightfully clear prose, Surowiecki ranges across fields as diverse as popular culture, psychology, ant biology, behavioral economics, artificial intelligence, military history, and politics to show how this simple idea offers important lessons for how we live our lives, select our leaders, run our companies, and think about our world.
