Maddie poured her heart into writing the imaginary Captain MacKenzie letter after letter . . . and by pretending to be devastated when he was (not really) killed in battle, she managed to avoid the pressures of London society entirely. Until years later, when this kilted Highland lover of her imaginings shows up in the flesh. The real Captain Logan MacKenzie arrives on her doorstep—handsome as anything, but not entirely honorable. He's wounded, jaded, in possession of her letters . . . and ready to make good on every promise Maddie never expected to keep.
