The 4-Hour Work Week-Timothy Ferriss 2011-08-31 A new, updated and expanded edition of this New York Times bestseller on how to reconstruct your life so it's not all about work Forget the old concept of retirement and the rest of the deferred-life plan - there is no need to wait and every reason not to, especially in unpredictable economic times. Whether your dream is escaping the rat race, experiencing high-end world travel, earning a monthly five-figure income with zero management, or just living more and working less, this book is the blueprint. This step-by step guide to luxury lifestyle design teaches:
* How Tim went from \$40,000 dollars per year and 80 hours per week to \$40,000 per MONTH and 4 hours per week
* How to outsource your life to overseas virtual assistants for \$5 per hour and do whatever you want
* How blue-chip escape artists travel the world without quitting their jobs
* How to eliminate 50% of your work in 48 hours using the principles of a forgotten Italian economist
* How to trade a long-haul career for short work bursts and frequent 'mini-retirements'.
This new updated and expanded edition includes: More than 50 practical tips and case studies from readers (including families) who have doubled their income, overcome common sticking points, and reinvented themselves using the original book as a starting point
* Real-world templates you can copy for eliminating email, negotiating with bosses and clients, or getting a private chef for less than £5 a meal
* How lifestyle design principles can be suited to unpredictable economic times
* The latest tools and tricks, as well as high-tech shortcuts, for living like a diplomat or millionaire without being either.

The 4-Hour Workweek ... in 30 Minutes-Timothy Ferriss 2012-11 The 4-Hour Workweek ...in 30 minutes is the essential guide to quickly learning how to break free from the 9-5 and embrace the revolutionary New Rich world as outlined in Timothy Ferriss's best-selling book, The 4-Hour Workweek: Escape 9-5, Live Anywhere, and Join the New Rich. In The 4-Hour Workweek, best-selling author Timothy Ferriss asserts that anyone who is willing to adopt a new set of rules—one that centers on creating freedom and automated income rather than relying on conventional concepts of wealth—can successfully embrace the New Rich lifestyle. As Ferriss explains, the New Rich are people who reject the model for living that focuses on years of tireless work followed by permanent retirement. Outlining four clear steps to achieving a liberated life, Ferriss provides the tools for utilizing the currency of the New Rich—time and mobility. Whether you are a time-strapped workaholic or feel trapped by your 9-5, The 4-Hour Workweek offers Ferriss's formula for a life of passion, learning, service, excitement—and extremely minimal work. A 30 Minute Expert Summary Designed for those whose desire to learn exceeds the time they have available, 30 Minute Expert Summaries enable readers to rapidly understand the essential ideas behind critically acclaimed books. With a condensed format and chapter-by-chapter synopsis that highlights key lessons, readers can quickly and easily become experts ...in 30 minutes.

The Soul of Money: Transforming Your Relationship with Money and Life-Lynne Twist 2017-03-14 "A life-changing read. With warmth, honesty, and storytelling, Lynne turns everything we think we know about money upside down...It's the book we all need right now." —Brené Brown, Ph.D., author of the #1 New York Times bestseller Rising Strong This liberating book shows us that examining our attitudes toward money—earning it, spending it, and giving it away—offers surprising insight into our lives. Through personal stories and practical advice, Lynne Twist asks us to discover our relationship with money, understand how we use it, and by assessing our core human values, align our relationship with it to our desired goals. In doing so, we can transform our lives. The Soul of Money now includes a foreword from Jack Canfield and a new introduction by Lynne Twist, in which she explores the effects of the Great Recession and environmental concerns about our monetary needs and aims.

Tribe of Mentors-Timothy Ferriss 2017-11-21 Tim Ferriss, the #1 New York Times best-selling author of The 4-Hour Workweek, shares the ultimate choose-your-own-adventure book—a compilation of tools, tactics, and habits from 130+ of the world's top performers. From iconic entrepreneurs to elite athletes, from artists to billionaire investors, their short profiles can help you answer life's most challenging questions, achieve extraordinary results, and transform your life. From the author: In 2017, several of my close friends died in rapid succession. It was a very hard year, as it was for many people. It was also a stark reminder that time is our scarcest, non-renewable resource. With a renewed sense of urgency, I began asking myself many questions: Were my goals my own, or simply what I thought I should want? How much of life had I missed from underplanning or overplanning? How could I be kinder to myself? How could I better say “no” to the trivial many to better say “yes” to the critical few? How could I best reassess my priorities and my purpose in this world? To find answers, I reached out to the most impressive world-class performers in the world, ranging from wunderkinds in their 20s to icons in their 70s and 80s. No stone was left unturned. This book contains their answers—practical and tactical advice from mentors who have found solutions. Whether you want to 10x your results, get unstuck, or reinvent yourself, someone else has traveled a similar path and taken notes. This book, Tribe of Mentors, includes many of the people I grew up viewing as idols or demi-gods. Less than 10% have been on my podcast (The Tim Ferriss Show, more than 200 million downloads), making this a brand-new playbook of playbooks. No matter your challenge or opportunity, something in these pages can help. Among other things, you will learn:
• More than 50 morning routines—both for the early riser and those who struggle to get out of bed.
• How TED curator Chris Anderson realized that the best way to get things done is to let go.
• The best purchases of \$100 or less (you'll never have to think about the right gift again).
• How to overcome failure and bounce back towards success.
• Why Humans of New York creator Brandon Stanton believes that the best art will always be the riskiest.
• How to meditate and be more mindful (and not just for those that find it easy).
• Why tennis champion Maria Sharapova believes that “losing makes you think in ways victories can't.”
• How to truly achieve work-life balance (and why most people tell you it isn't realistic).
• How billionaire Facebook co-founder Dustin Moskowitz transformed the way he engages with difficult situations to reduce suffering.
• Ways to thrive (and survive) the overwhelming amount of information you process every day.
• How to achieve clarity on your purpose and assess your priorities.
• And much more. This reference book, which I wrote for myself, has already changed my life. I certainly hope the same for you. I wish you luck as you forge your own path. All the best, Tim Ferriss

Tools of Titans-Timothy Ferriss 2017 "Fitness, money, and wisdom—here are the tools. Over the last two years ... Tim Ferriss has collected the routines and tools of world-class performers around the globe. Now, the distilled notebook of tips and tricks that helped him double his income, flexibility, happiness, and more is available as Tools of Titans"—Page 4 of cover.

The Know-It-All-A. J. Jacobs 2004-10-01 33,000 pages 44 million words 10 billion years of history 1 obsessed man Part memoir and part education (or lack thereof), The Know-It-All chronicles NPR contributor A.J. Jacobs's hilarious, enlightening, and seemingly impossible quest to read the Encyclopaedia Britannica from A to Z. To fill the ever-widening gaps in his Ivy League education, A.J. Jacobs sets for himself the daunting task of reading all thirty-two volumes of the Encyclopaedia Britannica. His wife, Julie, tells him it's a waste of time, his friends believe he is losing his mind, and his father, a brilliant attorney who had once attempted the same feat and quit somewhere around Borneo, is encouraging but, shall we say, unconvinced. With self-deprecating wit and a disarming frankness, The Know-It-All recounts the unexpected and comically disruptive effects Operation Encyclopedia has on every part of Jacobs's life -- from his newly minted marriage to his complicated relationship with his father and the rest of his charmingly eccentric New York family to his day job as an editor at Esquire. Jacobs's project tests the outer limits of his stamina and forces him to explore the real meaning of intelligence as he endeavors to join Mensa, win a spot on Jeopardy!, and absorb 33,000 pages of learning. On his journey he stumbles upon some of the strangest, funniest, and most profound facts about every topic under the sun, all while battling fatigue, ridicule, and the paralyzing fear that attends his first real-life responsibility -- the impending birth of his first child. The Know-It-All is an ingenious, mightily entertaining memoir of one man's intellect, neuroses, and obsessions and a soul-searching, ultimately touching struggle between the all-consuming quest for factual knowledge and the undeniable gift of hard-won wisdom.

A Good Food Day-Marco Canora 2014-12-30 In A Good Food Day, more than 100 recipes made with good-for-you ingredients make a good food day—a day when feeling good and eating well go hand in hand—easy and attainable. After years of thoughtless eating that led to weight gain and poor health, chef Marco Canora knew he had to make every day a good food day: a whole day in which every meal was full of healthy and delicious ingredients. But he wasn't willing to give up flavor for health. Instead of dieting, he decided to make simple, natural recipes fit for a food lover's palate. Marco explains the secret powers of good-for-you ingredients (such as low-GI carbohydrates and alkaline-forming greens), and then builds them into recipes that are all about satisfaction, such as Amaranth Polenta with Tuscan Kale, Black Rice Seafood Risotto, Citrus-Spiked Hazelnut and Rosemary Granola, and Chickpea Crepe Sandwiches. He covers techniques to coax natural flavor out of dishes, including infusing seasoning into vegetable salads and pounding fresh herbs and spices into lean meats. To make a lasting change in your diet, the food you eat has to be delicious. A Good Food Day is for people who love real food, and know that healthy and flavorful can go hand in hand.

The Choice-Og Mandino 2011-02-02 Choice! The key is Choice. You have options. You need not spend your life wallowing in failure, ignorance, grief, poverty, shame, and self-pity. But, hold on! If this is true then why have so many among us apparently elected to live in that manner? The answer is obvious. Those who live in unhappy failure have never exercised their options for a better way of life because they have never been aware that they had any Choices !

The Millionaire Fastlane-Mj DeMarco 2011-01-04 Is the financial plan of mediocrity -- a dream-stealing, soul-sucking dogma known as "The Slowlane" your plan for creating wealth? You know how it goes; it sounds a lil something like this: "Go to school, get a good job, save 10% of your paycheck, buy a used car, cancel the movie channels, quit drinking expensive Starbucks mocha lattes, save and penny-pinch your life away, trust your life-savings to the stock market, and one day, when you are oh, say, 65 years old, you can retire rich." The mainstream financial gurus have sold you blindly down the river to a great financial gamble: You've been hoodwinked to believe that wealth can be created by recklessly trusting in the uncontrollable and unpredictable markets: the housing market, the stock market, and the job market. This impotent financial gamble dubiously promises wealth in a wheelchair -- sacrifice your adult life for a financial plan that reaps dividends in the twilight of life. Accept the Slowlane as your blueprint for wealth and your financial future will blow carelessly asunder on a sailboat of HOPE: HOPE you can find a job and keep it, HOPE the stock market doesn't tank, HOPE the economy rebounds, HOPE, HOPE, and HOPE. Do you really want HOPE to be the centerpiece for your family's financial plan? Drive the Slowlane road and you will find your life deteriorate into a miserable exhibition about what you cannot do, versus what you can. For those who don't want a lifetime subscription to "settle-for-less" and a slight chance of elderly riches, there is an alternative; an expressway to extraordinary wealth that can burn a trail to financial independence faster than any road out there. Why jobs, 401(k)s, mutual funds, and 40-years of mindless frugality will never make you rich young. Why most entrepreneurs fail and how to immediately put the odds in your favor. The real law of wealth: Leverage this and wealth has no choice but to be magnetized to you. The leading cause of poorness: Change this and you change everything. How the rich really get rich - and no, it has nothing to do with a paycheck or a 401K match. Why the guru's grand deity - compound interest - is an impotent wealth accelerator. Why the guru myth of "do what you love" will most likely keep you poor, not rich. And 250+ more poverty busting distinctions... Demand the Fastlane, an alternative road-to-wealth; one that actually ignites dreams and creates millionaires young, not old. Change lanes and find your explosive wealth accelerator. Hit the Fastlane, crack the code to wealth, and find out how to live rich for a lifetime.

Hyperfocus-Chris Bailey 2018-08-28 A practical guide to managing your attention--the most powerful resource you have to get stuff done, become more creative, and live a meaningful life Our attention has never been as overwhelmed as it is today. Many of us recognize that our brains struggle to multitask. Despite this, we feel compelled to do so anyway while we fill each moment of our lives to the brim with mindless distraction. Hyperfocus provides profound insights into how you can best take charge of your attention to achieve a greater sense of purpose and productivity throughout the day. The most recent neuroscientific research reveals that our brain has two powerful modes that can be unlocked when we use our attention effectively: a focused mode (hyperfocus), which is the foundation for being highly productive, and a creative mode (scatterfocus), which enables us to connect ideas in novel ways. Hyperfocus helps you access each of the two mental modes so you can concentrate more deeply, think more clearly, and work and live more deliberately every day. Chris Bailey examines such topics such as:
• identifying and dealing with the four key types of distraction and interruption;
• establishing a clear physical and mental environment in which to work;
• controlling motivation and working fewer hours to become more productive;
• taking time-outs with intention;
• multitasking strategically; and
• learning when to pay attention and when to let your mind wander wherever it wants to. By transforming how you think about your attention, Hyperfocus reveals that the more effectively you learn to take charge of it, the better you'll be able to manage every aspect of your life.

High Performance Habits-Brendon Burchard 2017 THESE HABITS WILL MAKE YOU EXTRAORDINARY. Twenty years ago, author Brendon Burchard became obsessed with answering three questions: 1. Why do some individuals and teams succeed more quickly than others and sustain that success over the long term? 2. Of those who pull it off, why are some miserable and others consistently happy on their journey? 3. What motivates people to reach for higher levels of success in the first place, and what practices help them improve the most? After extensive original research and a decade as the world's leading high performance coach, Burchard found the answers. It turns out that just six deliberate habits give you the edge. Anyone can practice these habits and, when they do, extraordinary things happen in their lives, relationships, and careers. Which habits can help you achieve long-term success and vibrant well-being no matter your age, career, strengths, or personality? To become a high performer, you must seek clarity, generate energy, raise necessity, increase productivity, develop influence, and demonstrate courage. This book is about the art and science of how to cultivate and practice these proven habits. Whether you want to get more done, lead others better, develop skill faster, or dramatically increase your sense of joy and confidence, the habits in this book will help you achieve it. Each of the six habits is illustrated by powerful vignettes, cutting-edge science, thought-provoking exercises, and real-world daily practices you can implement right now. If you've ever wanted a science-backed, heart-centered plan to living a better quality of life, it's in your hands. Best of all, you can measure your progress. A link to a free professional assessment is included in the book.

Launch-Jeff Walker 2014-06-24 "Launch" will build your business--fast. Whether you've already got a business or you're itching to start one, this is a recipe for getting more traction.Think about it--what if you could launch like Apple or the big Hollywood studios? What if your prospects eagerly counted down the days until they could buy your product? What if you could create such powerful positioning in your market that you all -but- eliminated your competition? And you could do all that no matter how humble your business or budget?Since 1996 Jeff Walker has been creating hugely successful online launches. After bootstrapping his first Internet business from his basement, he quickly developed an underground group for launching new products and businesses with unprecedented success.But the success-train was just getting started--once he started teaching his formula to other entrepreneurs, the results were simply breathtaking. Tiny, home-based businesses started doing launches that sold tens of thousands, hundreds of thousands, and even millions of dollars in sales with their launches. "Launch" is the treasure map into that world--an almost secret world of digital entrepreneurs who create cash-on-demand paydays with their product launches and business launches.Whether you have an existing business, or you have a service-based business and want to develop your own products so you can leverage your time and your impact, or you're still in the planning phase--this is how you start fast. This formula is how you engineer massive success.Now the question is this--are you going to start slow, and fade away from there? Or are you ready for a launch that will change the future of your business and your life?

Summary Analysis Of The 4-Hour Workweek-Printright 2020-08-25 SYNOPSIS: The 4-Hour Workweek (2009) describes the life of the New Rich, people who've emancipated themselves from the slavery of office work and built a life centered around happiness in the here and now. If you want to lead such a life too, you'll have to start by being more productive and finding a source of continuous - and almost entirely passive - income. These blinks will show you how. Anything You Want-Derek Sivers 2015 Best known for creating CD Baby, the most popular music site for independent artists, founder Derek Sivers chronicles his "accidental" success and failures into this concise and inspiring book on how to create a multimillion-dollar company by following your passion. Sivers details his journey and the lessons learned along the way of creating and building a business close to his heart. In 1997, Sivers was a musician who taught himself to code a Buy Now button on his band's website. Shortly thereafter he began selling his friends' CDs on his website. As CD Baby grew, Sivers faced numerous obstacles on his way to success. Within six years he had been publicly criticized by Steve Jobs and had to pay his father \$3.3 million to buy back 90 percent of his company, but he had also built a company of more than 50 employees and had profited \$10 million. Anything You Want is must reading for every person who is an entrepreneur, wants to be one, wants to understand one, or cares even a little about what it means to be human.

The Four-Day Workweek-Robert Grosse 2018-05-16 This provocative book makes a compelling case for reducing the number of workdays in a week to four. Globalization has brought with it fiercer competition and greater worker mobility, and as organizations compete for top talent, they are becoming more open to unconventional worker arrangements, such as remote working and flextime. International business expert, Robert Grosse, draws on scholarly research to construct an appealing argument for why the four-day workweek benefits both the organization and the employee. Research has demonstrated that longer work hours harm the individual and don't amount to a more effective organization, which begs the question: then why do it? The book goes beyond merely arguing that a reduced workweek is a good idea. It delves into why, explores the means for achieving it, and scrutinizes the barriers to getting there. This is a book for forward-thinking executives, leaders, and academics who understand that work-life balance is the secret sauce not only for organizational success, but also for greater productivity and satisfaction in their careers and those of the people they manage.

Small Giants-Bo Burlingham 2007-03-27 How maverick companies have passed up the growth treadmill — and focused on greatness instead. It's an axiom of business that great companies grow their revenues and profits year after year. Yet quietly, under the radar, a small number of companies have rejected the pressure of endless growth to focus on more satisfying business goals. Goals like being great at what they do, creating a great place to work, providing great customer service, making great contributions to their communities, and finding great ways to lead their lives. In Small Giants, veteran journalist Bo Burlingham takes us deep inside fourteen remarkable companies that have chosen to march to their own drummer. They include Anchor Brewing, the original microbrewer; CitiStorage Inc., the premier independent records-storage business; Clif Bar & Co., maker of organic energy bars and other nutrition foods; Righteous Babe Records, the record company founded by singer-songwriter Ani DiFranco; Union Square Hospitality Group, the company of restaurateur Danny Meyer; and Zingerman's Community of Businesses, including the world-famous Zingerman's Deli of Ann Arbor. Burlingham shows how the leaders of these small giants recognized the full range of choices they had about the type of company they could create. And he shows how we can all benefit by questioning the usual definitions of business success. In his new afterword, Burlingham reflects on the similarities and learning lessons from the small giants he covers in the book. From the Hardcover edition.

The Art of Dealing With People-Les Giblin 2001-01-01 What is the one quality that all successful people have in common? They have mastered the art of dealing with people! Let this book show you how to: Achieve your goals Handle the human ego Become a master conversationalist Make others feel good about themselves And much more! Skill with people is the one essential ingredient for success and happiness at home and in business. "The Art of Dealing With People" gives you the skills to take your people skills to a level that you never thought possible! Skill in human relations is similar to skill in any other field, in that success depends on understanding and mastering certain basic general principles. You must not only know what to do, but why you're doing it. As far as basic principles are concerned, people are all the same. Yet each individual person you meet is different. If you attempted to learn some gimmick to deal successfully with each separate individual you met, you would be face with a hopeless task. Influencing people is an art, not a gimmick. When you apply gimmicks in a superficial, mechanical manner, you go through the same motions as the person who "has a way," but it doesn't work for you. The purpose of this book is to give you knowledge based upon an understanding of human nature: why people act the way they do. The methods presented in this book have been tested on thousands of people who have attended my human relations seminars. They are not just my pet ideas of how you should deal with people, but ideas that have stood the test of how you must deal with people. That is, if you want to get along with them and get what you want at the same time. Yes, we all want success and happiness. And the day is long past, if it ever existed, when you could achieve these goals by forcing people to give you what you want. And begging is no better, for no one has respect for, or any desire to help, the person who constantly kowtows and literally goes around with his hand out, begging other people to like him. The one successful way to get the things you want from life is to acquire skill in dealing with people. Download

now and you will learn how.

Winners: And How They Succeed-Alastair Campbell 2015-10-15 Alastair Campbell knows all about winning. As Tony Blair's chief spokesman and strategist he helped guide his party to victory in three successive elections, and he's fascinated by what it takes to succeed How do sportsmen excel, entrepreneurs thrive, or individuals achieve the ambitions? Is their ability to win innate? Or is the winning mindset something we can all develop? In the tradition of The Talent Code and The Power of Habit, Campbell draws on the wisdom of an astonishing array of talented people—from elite athletes to media mavens, from rulers of countries to rulers of global business empires. Alastair Campbell has conducted in-depth interviews and uses his own experience in politics and sport to get to the heart of success. He examines how winners tick. He considers how they build great teams. He analyzes how these people deal with unexpected setbacks and new challenges. He judges what the very different worlds of politics, business, and sport can learn from one another. And he sets out a blueprint for winning that we can all follow to achieve our goals.

Switch-Chip Heath 2010-02-16 Why is it so hard to make lasting changes in our companies, in our communities, and in our own lives? The primary obstacle is a conflict that's built into our brains, say Chip and Dan Heath, authors of the critically acclaimed bestseller Made to Stick. Psychologists have discovered that our minds are ruled by two different systems - the rational mind and the emotional mind—that compete for control. The rational mind wants a great beach body; the emotional mind wants that Oreo cookie. The rational mind wants to change something at work; the emotional mind loves the comfort of the existing routine. This tension can doom a change effort - but if it is overcome, change can come quickly. In Switch, the Heaths show how everyday people - employees and managers, parents and nurses - have united both minds and, as a result, achieved dramatic results: • The lowly medical interns who managed to defeat an entrenched, decades-old medical practice that was endangering patients • The home-organizing guru who developed a simple technique for overcoming the dread of housekeeping • The manager who transformed a lackadaisical customer-support team into service zealots by removing a standard tool of customer service In a compelling, story-driven narrative, the Heaths bring together decades of counterintuitive research in psychology, sociology, and other fields to shed new light on how we can effect transformative change. Switch shows that successful changes follow a pattern, a pattern you can use to make the changes that matter to you, whether your interest is in changing the world or changing your waistline.

Crushing It!-Gary Vaynerchuk 2018-01-30 Four-time New York Times bestselling author Gary Vaynerchuk offers new lessons and inspiration drawn from the experiences of dozens of influencers and entrepreneurs who rejected the predictable corporate path in favor of pursuing their dreams by building thriving businesses and extraordinary personal brands. In his 2009 international bestseller Crush It, Gary insisted that a vibrant personal brand was crucial to entrepreneurial success, In Crushing It!, Gary explains why that's even more true today, offering his unique perspective on what has changed and what principles remain timeless. He also shares stories from other entrepreneurs who have grown wealthier—and not just financially—than they ever imagined possible by following Crush It principles. The secret to their success (and Gary's) has everything to do with their understanding of the social media platforms, and their willingness to do whatever it took to make these tools work to their utmost potential. That's what Crushing It! teaches readers to do. In this lively, practical, and inspiring book, Gary dissects every current major social media platform so that anyone, from a plumber to a professional ice skater, will know exactly how to amplify his or her personal brand on each. He offers both theoretical and tactical advice on how to become the biggest thing on old standbys like Twitter, Facebook, YouTube, Instagram, Pinterest, and Snapchat; podcast platforms like Spotify, Soundcloud, iHeartRadio, and iTunes; and other emerging platforms such as Musical.ly. For those with more experience, Crushing It! illuminates some little-known nuances and provides

innovative tips and clever tweaks proven to enhance more common tried-and-true strategies. Crushing It! is a state-of-the-art guide to building your own path to professional and financial success, but it's not about getting rich. It's a blueprint to living life on your own terms.

The Power of Broke-Daymond John 2016 The star of ABC's "Shark Tank" demonstrates how starting a business on a shoestring can provide significant competitive advantages for entrepreneurs by forcing them to think creatively, use resources efficiently, and connect more authentically with customers. --Publisher's description.

Mindshift-Barbara Oakley 2017 "Mindshift reveals how we can overcome stereotypes and preconceived ideas about what is possible for us to learn and become. At a time when we are constantly being asked to retrain and reinvent ourselves to adapt to new technologies and changing industries, this book shows us how we can uncover and develop talents we didn't realize we had--no matter what our age or background. Drawing on the latest neuroscientific insights, Dr. Oakley shepherds us past simplistic ideas of "aptitude" and "ability," which provide only a snapshot of who we are now. Even seemingly "bad" traits, such as a poor memory, come with hidden advantages--like increased creativity. Dr. Oakley teaches us strategies for learning that are backed by neuroscience so that we can realize the joy and benefits of a learning lifestyle."--

Our Ultimate Reality, Life, the Universe and Destiny of Mankind-Adrian P. Cooper 2007-11-01 "From the earliest days of thinking man, people the world over have pondered the nature of the Universe, our planet, and of ourselves. What does it all mean? Why am I here? What is the real purpose of my life? What will happen to me after I die? Will I return once again for another life on Earth?" So starts the first paragraph of this book, summarising and encapsulating very succinctly both the reason I was inspired to write Our Ultimate Reality and a concise summary of the contents contained therein. As we approach the end of a great age for humanity, increasingly more people from all walks of what we know as "life" are asking what it all means for them, for their families and for their future existence on this planet we call "Earth." Our Ultimate Reality, Life, the Universe and Destiny of Mankind is your complete reference and guide for realising the Divine heritage of each and every one of us as equal aspects of our Creator, a life of perfect happiness, health, abundance, fulfilment and Spiritual evolution. This book has been written in a modern, understandable, non-mystical way, setting out in a concise, logical, easy to follow format, all you need to know in order to understand, pursue and realise your own true potential during this pivotally important era. I wish you every possible success as you follow your own true destiny on the path of return to our Divine Creator from Whom we came in the beginning, and wish that this book will prove to be your valuable guide and companion.
