Captain Tempesta-Emilio Salgari 2020-01-09 A warrior in disguise. A lover to be rescued. A city under siege.Cyprus, 1571. An island at war. The powerful Ottoman army has taken every city save one, Famagusta, a Venetian port and stronghold. Besieged by a force of 80,000 men, they city has valiantly fought back with its small garrison of warriors and mercenaries. The greatest among them is Captain Tempesta, a young noble unmatched in bravery and swordsmanship. Few, however, know the captain's secret... that she has donned armour and passed herself off as a man in order to search for her beloved who has been imprisoned by the Turks. Will she triumph? The odds are overwhelmingly against her. The Turks are preparing to storm the city and slay all those within it, and still there has been no word of her beloved's whereabouts... Selected by Julia Eccleshare as one of the 1001 Children's Books You Must Read Before You

Grow Up."

French-Gaelle Graham 2003

If you're tired of your usual boring Italian textbook, grab your copy of this book and start learning Italian grammar the un-boring way today!

Italian Short Stories for Beginners-Lingo Lingo Mastery 2018-11-23 Do you know what the hardest thing for an Italian learner is? Finding PROPER reading material that they can handle...which is precisely the reason we've written this book! Teachers love giving out tough, expert-level literature to their students, books that present many new problems to the reader and force them to search for words in a dictionary every five minutes -- it's not entertaining, useful or motivating for the student at all, and many soon give up on learning at all! In this book we have compiled 20 easy-to-read, compelling and fun stories that will allow you to expand your vocabulary and give you the tools to improve your grasp of the wonderful Italian tongue. How Italian Short Stories for Beginners works: Each story will involve an important lesson of the tools in the Italian language (Verbs, Adjectives, Past Tense, Giving Directions, and more), involving an interesting and entertaining story with realistic dialogues and day-to-day situations. The summaries follow a synopsis in Italian and in English of what you just read, both to review the lesson and for you to see if you understood what the tale was about. At the end of those summaries, you'll be provided with a list of the most relevant vocabulary involved in the lesson, as well as slang and sayings that you may not have understood at first glance! Finally, you'll be provided with a set of tricky questions in Italian, providing you with the chance to prove that you learned something in the story. Don't worry if you don't know the answer to any -- we will provide them immediately after, but no cheating! So look no further! Pick up your copy of Italian Short Stories for Beginners and start learning Italian right now!

Living language ultimate Italian-Salvatore Bancheri 2009 Provides forty lessons that include dialogues, information on grammar and usage, pronunciation, vocabulary, review sections, and quizzes.

Adult Coloring Book-Jeremy Laszlo 2016-04-15 More than 50 Unique images inspired by your favorite fantasy and science fiction characters. Designed to relieve stress and perfect for adults who love to color. Created with intricately designed characters, this book is perfect for colored pencils, fine tip pens, and markers!

Italian Vocabulary-Marcel Danesi 1990-01 More than 5000 words and phrases are presented with their Italian translations. Words and phrases are categorized according to practical subject themes, which include numbers, measurements, words describing people, telephoning, shopping, the arts, travel, and many other categories. An English-to-Italian index provides quick reference to a word or phrase.

My Emerald Green Dress-Alister Ramírez Márquez 2010-08 My Emerald Green Dress is the riveting account of a woman's thorny yet oddly rewarding life. You will become a part of her emotional journey from the abuse she suffers as an adolescent through her maturation as a self-assured compassionate landowner. The novel is based on a true story.

Speak Latin-Felipe Vogel 2017-06-25 Speak Latin contains several hundred sayings, expressions, phrases, idioms, and figures of speech. Thus, this book can be used by educators and students as a first step toward using Latin in the classroom. Speak Latin has been strategically arranged into simple categories: Before the Conversation, Starting the Conversation, Continuing the Conversation, and Ending the Conversation. Each entry begins with Latin and is followed by English glosses. There are also four helpful sections in the appendix for both teachers and students (e.g. Using Latin Names, Vocatives, Tips for Asking Questions, and Interrogatives). This user-friendly resource, the first in the LAETA series, is intended to assist teachers and help learners gain a foothold in spoken Latin while having fun doing so. Look for this book's companion audio files to be available for purchase and download at GlossaHouse.com.

ULTIMATE ITALIAN ADVANCED (PACK)-LIVING LANGUAGE STAFF 'Ultimate Italian Advanced' course contains forty hundred more page book with eight 60-minute CDs covering twenty lessons. Each one includes lively, up-to-date dialogues, vocabulary, exercises, culture notes, and detailed explanations of grammar and usage.

Alphabet Tracing-Soar Learning Company 2015-06-05 Alphabet Tracing, Letters A-Z, provides extensive focus on alphabet tracing and printed letter formation for the preschool and kindergarten beginning writer. The full-page format focuses on one alphabet at a time, which allows additional alphabet tracing practice for the beginning writer. This children's handwriting workbook has a minimum of 30 opportunities to trace each alphabet before free-writing practice pages are presented. Once a student has adequately mastered tracing each alphabet they may then move on to the next section or skip around to other alphabets as comfortable. Daily penmanship practice will help increase your student's ability to: -Print uppercase and lowercase letters of the alphabet and recognize the difference between the two. -Write from left to right and top to bottom of page. -Recognize spacing between printed alphabet letters and eventually words. -Understand the concept of writing letters. -Write words and brief sentences that are legible. -Write his/her own first and last name and other important words. Some neurologists advocate writing to learn. One states, "The practice of writing can enhance the brain's intake, processing, retaining, and retrieving of information. Through writing, students can increase their comfort with and success in understanding complex material, unfamiliar concepts, and subject-specific vocabulary." Preschool and Kindergarten is the perfect time to prepare for alphabet tracing and handwriting practice since preschool, kindergarten and 1st grade students do not have to prepare for assessments. Focus can instead be placed on their literacy development. Reading to children and talking to them directly can be huge. Parents can start conversations-helping to build verbal vocabulary, write a grocery list together-helping to practice handwriting skills, and select books together at the library-allowing students to enjoy the usefulness of the printed word. Another way to raise their awareness of language in their environment is to point to street signs, billboards, traffic

signs, and menus in restaurants-saying the whole word and/or pointing to each individual alphabet while saying calling out each letter. This alphabet tracing workbook for preschool, kindergarten, and 1st grade is a perfect companion to online and computerized alphabet software to teach kids alphabet recognition. It can be used on short and long car rides. Getting students used to using paper workbooks will give them a distinct advantage over students who have only used wipe clean alphabet books and computerized alphabet software-this alphabet tracing book is similar to the writing, social studies, and language arts workbooks students will use in their classrooms.

Mr. Nightingale Companion Coloring Book-Ghazal Omid 2012-11-01
The illustrations for Mr. Nightingale are one of a kind. The artist (Kristina) and Ghazal worked carefully on the nuances of every illustration. They wished to capture in color and form the luxuriance of Persian culture and the opulent detail in ornamentation found even in ordinary homes. To produce the desired effect, the artist combined three painting methods. She used colored pencil to enhance the clarity of the drawings. The watercolor technique she used for the color wash has a magical quality that makes the pigments swim as if alive. The final touches of black ink bring prominence to the details and shapes. Living Language(R) Italian Complete Course cassette and compact disc packages include this book as well as a dictionary.

Switzerland - Culture Smart!-Kendall Hunter 2016-07-01 There is far more to Switzerland than beautiful scenery, chocolate, watches, faceless bankers, and spotless cities. The real Switzerland is full of surprises and

anything but bland. This small, rugged, landlocked country at the heart of Europe has been a confederation since the first three cantons came together in a defensive alliance in 1291. Four national languages are spoken within its borders. Its present twenty-six cantons are largely autonomous and retain their individual characters. In this grassroots democracy real power lies with the people, who exercise it directly through frequent referendums. &“Swissness&” is, above all, a spirit of independence and of communal involvement. Although it is a model of peace and multicultural cooperation, with one of the highest standards of living in Europe, Switzerland's prosperity has been hard-won. Historically neutral, it maintains a semi-detached relationship within the European Union. In 2014, a national referendum supported quotas on EU migrants. Despite the several hundred thousand EU nationals living and working within its borders, and almost half a million Swiss working in the EU, this small, resource-poor country appears determined to retain its independence. Culture Smart! Switzerland provides an historical perspective, explores Swiss values and attitudes, and looks at the cultural continuity of festivals and traditions. It helps you navigate the workplace, the neighborhood, and the social scene. It offers crucial insights into Swiss business culture, and more generally on differences in communication style. Swiss people are not always easy to get to know. Proud, industrious, fair-minded, and creative, they respect the individual, which means that while they appreciate clear thinking and direct talking, they avoid confrontation. They will never intrude, yet will willingly help out if asked. Make the effort, and people will respond. Warmth, decency, intelligence, and wit are among the many hidden riches of this fascinating society.
