How the Other Half Learns-Robert Pondiscio 2020-06-02 The promise of public education is excellence for all. But that promise has seldom been kept for low-income children of color in America. In How the Other Half Learns, teacher and education journalist Robert Pondiscio focuses on Success Academy, the network of controversial charter schools in New York City founded by Eva Moskowitz, who has created something unprecedented in American education: a way for large numbers of engaged and ambitious low-income families of colour to get an education for their children that equals and even exceeds what wealthy families take for granted. Her results are astonishing, her methods unorthodox.Decades of well-intended efforts to improve our schools and close the 'achievement gap' have set equity and excellence at war with each other: If you are wealthy, with the means to pay private school tuition or move to an affluent community, you can get your child into an excellent school. But if you are poor and black or brown, you have to settle for 'equity a

4th Grade Math in Action-Amy Kraft 2010-05-18 Success in math requires children to make connections between the real world and math concepts in order to solve problems. Successful problem solvers will be ready for the challenges of mathematics as they advance to more complex topics. The activities in this workbook are designed to help children see how math skills are relevant in their daily lives. Best of all, they'll have lots of fun! Here's a peek at what's inside: While Supplies Last A radio station has a certain number of T-shirts, concert tickets, and gift certificates to give away to the first callers. Students practice subtracting five-digit numbers to calculate how many callers didn't get a prize. Skateboard Sort From a dozen skateboards with different designs and patterns, students determine the fraction of striped skateboards, skateboards with flames, skateboards with blue wheels, and other groupings. Angled Alphabet Students practice recognizing right, acute, and obtuse angles found in particular letters of the alphabet. Find the Flag Students are shown flags of different countries and find intersecting, perpendicular, and parallel lines in their designs. Favorite Flavors Ira's Ice Cream Shop is thinking about changing its flavors. From a graph of the flavors people bought on a hot afternoon, students determine the most popular flavor, which sold in equal amounts, which fraction of people bought Fudge Ripple, and which flavor should be replaced. Give your child's confidence in math a boost with 4th Grade Math in Action.

Geometry Workbook-Mel Friedman 2008-09 Many students continue to struggle in high school math courses because they failed to master the basic mathematical skills. REA's new Ready, Set, Go! Workbook series takes the confusion out of math, helping students raise their grades and score higher on important exams. What makes REA's workbooks different? For starters, students will actually like using them. Here's why: Math is explained in simple language, in an easy-to-follow style. The workbooks allow students to learn at their own pace and master the subject. More than 20 lessons break down the material into the basics. Each lesson is fully devoted to a key math concept and includes many step-by-step examples Paced instruction with drills and quizzes reinforces learning The innovative "Math Flash" feature offers helpful tips and strategies in each lesson—including advice on common mistakes to avoid. Skill scorecard measures the student's progress and success Every answer to every question, in every test, is explained in full detail A final exam is included so students can test what they've learned When students apply the skills they've mastered in our workbooks, they can do better in class, raise their grades, and score higher on the all-important end-of-course, graduation, and exit exams. Third Grade Spelling Success (Sylvan Workbooks)-Sylvan Learning 2009-01-06 A solid foundation in spelling not only prepares third-graders for academic success- it makes them stronger readers. The teacher-reviewed, curriculum-based activities and exercises in this workbook will help your children catch up, keep up, and get ahead. Best of all, they'll have lots of fun doing it! Some of the great features you'll find inside are: WRITE IT RIGHT! Fill-in-the-blank exercises help distinguish the long or short letter sounds from sections such as You and the Letter "U" and Say Hey to "A." GRID LOCK Grid games show how to break down syllables and compound words. ALTERNATE ENDINGS Charts and activities teach kids multiple endings for verb tenses and plurals. CRISS CROSS Crossword puzzles review topics such as prefixes, suffixes, silent letters and more (ie: "1. Across: not expected" or "8. Down: more brave than"). Plus! CHECK IT! STRIPS Reinforce concepts and build confidence as kids check their own work. Give your child's grades and confidence a boost with 3rd Grade Spelling Success.
