### **Good Strategy/Bad Strategy | The Difference and Why It Matters**

“Good Strategy/ Bad Strategy pinpoints the polar difference: The diagnosis and actions that constitute good strategy, the fluff and failures that cause the bad. Richly illustrated and persuasively argued by a researcher, teacher, and consultant, Richard Rumelt has authored the playbook for anybody in a leadership position who must think and act strategically.

### **About | Good Strategy/Bad Strategy**

Good Strategy/Bad Strategy argues that a coherent

strategy can be, by itself, a significant source of competitive advantage. The advantage flows from coordination and focus as well as from resolving the impossible ambiguity of reality into a problem that fits the organization’s resources and abilities, a problem on which the organization can actually go to work.

### **Good Strategy/Bad Strategy: The Difference and Why It**

Aug 01, 2012 · In Good Strategy/Bad Strategy, Richard Rumelt makes a two-fold contribution to the strategy literature – first he clearly distinguishes bad strategy from good and, secondly, he makes the case that crafting good strategy is intensely complex and difficult and involves informed, critical thinking.

### **Good Strategy / Bad Strategy - Grow to Lead**

Bad strategy is distressingly common because it is much easier to conceive than good strategy, which involves rigorous analysis, logical thinking, difficult choices and

focused action. Instead, bad strategy involves fill-in-the-blank, template-style thinking. The Core of Good Strategy

#### **Good Strategy Bad Strategy: The Difference and Why It**

Jan 01, 2011 · Reflecting an astonishing grasp and integration of economics, finance, technology, history, and the brilliance and foibles of the human character, Good Strategy/Bad Strategy stems from Rumelt's decades of digging beyond the superficial to address hard questions with honesty and integrity. From the Hardcover edition.

#### **Notes from “Good Strategy / Bad Strategy” by Jeff Zych**

Jun 27, 2018 · Bad strategy lacks actions to take. Bad strategy mistakes goals, ambition, vision, values, and effort for strategy (these things are important, but on their own are not strategy). Good strategy is designed to be coherent - all the actions an organization takes should reinforce and support each other.
