She includes the quickest, easiest, and most intuitive methods for each technique, using knowledge honed over years of color knitting workshops with knitters from across the country. Once you've learned the basics, practice your new skills by creating projects for yourself, your friends, and everyone on your gift list. Each chapter includes a handful of sample projects to get you started, a Designer Workshop that teaches you important concepts in every designer's toolbox, and a pattern treasury of unique patterns to apply to projects of your own creation—more than 50 patterns and 12 projects in all. Throughout, Leapman's helpful collection of how-tos, diagrams, tips, and hints (including a refresher course in color theory to help you choose the perfect color combinations) makes Mastering Color Knitting the book you'll turn to for information and inspiration time and time again.

Fargo Rock City-Chuck Klosterman 2012-12-11 The year is 1983, and Chuck Klosterman just wants to rock. But he's got problems. For one, he's in the fifth grade. For another, he lives in rural North Dakota. Worst of all, his parents aren't exactly down with the long hairstyle which rocks requires. Luckily, his brother saves the day when he brings home a bit of manna from metal heaven, SHOUT AT THE DEVIL, Motley Crue's seminal peaan to hair-band excess. And so Klosterman's twisted odyssey begins, a journey spent worshipping at the heavy metal altar of Poison, Lita Ford and Guns N' Roses. In the hilarious, young-man-growing-up-with-a-soundtrack-tradition, FARGO ROCK CITY chronicles Klosterman's formative years through the lens of heavy metal, the irony-deficient genre that, for better or worse, dominated the pop charts throughout the 1980s. For readers of Dave Eggers, Lester Bangs, and Nick Hornby, Klosterman delivers all the goods: from his first dance (with a girl) and his eye-opening trip to Mandan with the debate team; to his list of 'essential' albums; and his thoughtful analysis of the similarities between Guns 'n' Roses' 'Lies' and the gospels of the New Testament.

The feeling of this book is 100% body positive. Go buy it already!” —Knitty.com “I feel like this book is one that is so I've needed right now. There are so many luscious knitwear patterns being designed and released these days, it's easy to rush into knitting everything that is popular. I know I've been guilty of that, and then disappointed in the end when the finished garment made me embarrassed to wear it in public. Getting more guidance on what styles would be more suitable seems like the smartest thing to do before investing a good chunk of change in a sweater's worth of yarn.” —Sweet Georgia Yarns “There is no doubt in mind that you are bound to fall in love with more than a few of these sweaters and the techniques that bring them into being.” —The A.D.D Knitter “If you have not rushed out to buy this book you should.” —Blue Moon Fiber Arts “What this book really is, is the girlfriend you take when you go shopping. The one who's not afraid to say, ‘Hmmm maybe not those jeans, try these instead.’ We've got Amy. She's going to help us all get over those numbers on the tape measure, on the scale, on the tag in our clothes and focus on what works.” —Savory Knitting “Such self-assuredness is a gift we all were born with and deserve to feel on a daily basis. You wouldn't think we needed a book like this, but we do. We're lucky it's here.” —Knitter's Review “I'm a little obsessed with knitters making sweaters that fit and look good on them. I was so excited when I got Amy Herzog's new book.” —Knitty.com “Gosh darn cute, the pink polka dot binding, the layout and graphic design of the book, the models . . . (i could go on & on), the book is just gosh darn welcoming, friendly, and like a great friend who always tells you the truth, it makes you feel awesome to see REAL women's bodies in here.” —Luvinthemommyhood “You pick a pattern and buy some yarn.
