Ultimate Russian-Jack Blanshei 1998 Each Ultimate Advanced course contains a 400+-page book with eight 60-minute recordings. All 20 lessons begin with a lively, up-to-date dialogue. Additional sections explain grammar and usage, offer related vocabulary, quiz students on their progress, and provide interesting cultural information, especially useful to those planning to live or conduct business abroad. The eight hours of recordings are separated into two sets. The first four (Learn at Home) are in the target language only and are meant to be used with the manual. The second set (Learn on the Go) -- perfect for use in the car, at the gym, or anywhere -- contains both English and the target language, so no book is needed to follow along. This two-tiered approach has been hailed as "ingenious" by Professor Kuhn-Osius of the City University of New York. The 40 lessons on two 90-minute cassettes (or three 60-minute compact discs) start with words, then progress to phrases and full dialogues. This building-block approach makes it easy to learn. Only the new language is heard on the recordings, with translations and explanations provided in the accompanying manual. In addition, the manual includes a brief but comprehensive grammar summary, verb charts, and a section

Into the Wild-Jon Krakauer 2009-09-22 "Terrifying... Eloquent... A heart-rending drama of human yearning." -- New York Times In April 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away. Leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless's short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. Digging deeply, he takes an inherently compelling mystery and unravels the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. When McCandless's

innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless's uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding--and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer's storytelling blaze through every page.

Mr. Nightingale Companion Coloring Book-Ghazal Omid 2012-11-01 The illustrations for Mr. Nightingale are one of a kind. The artist (Kristina) and Ghazal worked carefully on the nuances of every illustration. They wished to capture in color and form the luxuriance of Persian culture and the opulent detail in ornamentation found even in ordinary homes. To produce the desired effect, the artist combined three painting methods. She used colored pencil to enhance the clarity of the drawings. The watercolor technique she used for the color wash has a magical quality that makes the pigments swim as if alive. The final touches of black ink bring prominence to the details and shapes. <http://www.mrnightingale.com/>

Cats and Canals-Linsey Williams 2016-12-21 Inside this little book is a story of an 18-year-old dream of wanting to live on a narrow boat. The idea came from a holiday with my then husband. We had enjoyed a lovely holiday on

a small cruiser on the Caledonian Canal in Scotland. We both wanted to try living on a boat for years after that holiday, but because of the lack of finances we were not able to do it. Four years later we parted anyway. But I carried on wanting to have a go for years. In 2010 I was fortunate enough to be able to sell my mobile home and realise the dream. This is the story of that realisation and, at 54 years old, was about to embark on a new adventure.

Ketchup Soup-James Houck 2011-07-08 A roaring, rollicking, foot-stomping farce. Ketchup Soup is an epic, and at times ribald, comedy about the lovable James Reichardt, a verbose junior copywriter who's just landed his first job at a sleepy advertising agency in New Orleans. Part genius, part naive miscreant, James suffers from illusions of grandeur, not the least of which are the beliefs that business is the key to happiness and that he is Caesar reincarnated. In his first 364 days in the Big Easy he'll join forces with the many colorful characters of the city to bring down the ad agency, swear allegiance to art and lead a revolt against capitalism at the height of Mardi Gras. A tale that is both hilarious and heartfelt, Ketchup Soup is the side-splitting story of one young man's journey through the nonconformists and dank back alleys of New Orleans.
