Your First Step to

Celebrate Recovery-John Baker 2013-01-01 You've undoubtedly heard the expression "time heals all wounds." Unfortunately, it isn't true. As many pastors and counselors know, people still carry hurts from thirty or forty years ago. The truth is, time often makes things worse. Wounds that are left untended fester and spread infection throughout your entire body. Time only extends the pain if the problem isn't dealt with. Your First Step to Celebrate Recovery introduces you to a biblical and balanced program that has helped nearly a million people overcome their hurts, hang-ups, and habits. Based on the actual words of Jesus found in the Sermon on the Mount rather than psychological theory, the Celebrate Recovery program

has helped people for over 20 years to grow toward full Christ-like maturity. Author and founder John Baker tells the true story of how Celebrate Recovery became one of the largest Christ-centered recovery programs in history. Baker will help you discover how God's love, truth, grace and forgiveness can bring healing into your life.

The Road to Freedom-

Johnny Baker 2018-06-26

Each one of us has hurts, hang-ups, and habits that need healing. The Road to Freedom is the path to hope for all of us who are in pain or simply stuck. With practical application and inspiration, Johnny Baker shares his story of recovering from alcoholism and offers the truths he has learned from his 25 years with Celebrate Recovery. Baker's father, John, founded Celebrate Recovery when Baker was 15 years old. Later, Baker would become involved with alcohol himself. Even though he saw his parents' marriage heal and watched his dad become a new person, he had to experience his own journey of healing. Baker began the process of recovery as a young adult. Now he serves on the leadership team of Celebrate Recovery, sharing his testimony of how God brought him back home. In the years since leaving alcohol behind, Baker has witnessed thousands of other lives change through the power of Christ. Whether you

are dealing with substance abuse, relational struggles, or eating challenges, or you simply want to let go of what is holding you back in life, you will find answers in The Road to Freedom. In addition to telling his own story, Baker offers ten principles of healing. These life lessons remind you that pain has a purpose, small and steady improvement lasts longer than overnight change, serving others leads to deeper healing, and facing your problems is the only way to heal. The Road to Freedom will help you move from coping with hurts, hang-ups, and habits to the hope and health that only Jesus can bring.

An Alcoholic's Journey to God: 366 Daily Devotional Read-Sami G 2018-08-22

Sami spent years in denial of her alcoholism. She is cross addicted and accepted she was a pill popper long before she admitted to her disease of being an alcoholic. Thirty-three years of precious moments, family events, and relationships were stolen due to this insidious disease. She was sick mentally, physically, emotionally, and spiritually until the day God guided her to a program of recovery. Sami believes in destiny and it was God who brought her to Alcoholics Anonymous. In return she is convinced AA brought her to the personal relationship she has with God. While in the rooms she experienced her first, of many, spiritual experiences with God and it was astounding, and she knew it was fate. She, at last, reached the beginning of her journey to a happy, joyous, and free life. From the very beginning she knew the program only works if you work it, and that you must go to any length to remain sober. Most

importantly she learned she is not alone, because through her discovery there are millions of others like her--admitted alcoholics, yet others who have not made it to the rooms. Journaling has been a life line to her soundness of mind. She believes her book will be instrumental to others who struggle thinking they are alone in this dark hell of alcoholism. A disease so cunning, baffling, and powerful that it convinces us we do not have a disease.

Stepping Out of Denial into God's Grace Participant's

Guide 1-John Baker
2021-06-08 The Celebrate Recovery Participant's Guides are essential tools for the personal recovery journey. In the six lessons in Guide 1: Stepping Out of Denial Into

God's Grace, you will experience the first 3 of the 8 recovery principles: 1 Realize I'm not God. I admit that I am powerless to control my tendency to do the wrong thing and that my life is unmanageable. "Happy are those who know they are spiritually poor" (Matthew 5:3). 2 Earnestly believe that God exists, that I matter to him, and that he has the power to help me recover. "Happy are those who mourn, for they shall be comforted" (Matthew 5:4). 3 Consciously choose to commit all my life and will to Christ's care and control. "Happy are the meek" (Matthew 5:5). By working through the lessons and exercises found in each of the four Participant's Guides you will begin to experience the true peace and serenity you have been seeking, restore and develop stronger relationships with others and with God, and find freedom from life's hurts, hang-ups, and habits. All the scriptures have been updated to the new NIV 2011 version.

Jesus Calling-Sarah Young
2010-03-02 Jesus Calling is a devotional and journal in one, filled with uniquely inspired treasures from heaven for every day of the year. After many years of writing in her prayer journal, missionary Sarah Young decided to "listen" to God with pen in hand, writing down whatever she believed He was saying to her. It was awkward at first, but gradually her journaling changed from monologue to dialogue. She knew her writings were not inspired as Scripture is, but journaling helped her grow closer to God. Others were blessed as she shared her writings, until

people all over the world were using her messages. They are written from Jesus' point of view, thus the title Jesus Calling. It is Sarah's fervent prayer that our Savior may bless readers with His presence and His peace in ever deeper measure.
