From Jerusalem to Irian

Jaya-Ruth A. Tucker

2011-01-04 This is history at its best. From Jerusalem to Irian Jaya is readable, informative, gripping, and above all honest. From Jerusalem to Irian Jaya helps readers understand the life and role of a missionary

through real life examples of missionaries throughout history. We see these men and women as fallible and human in their failures as well as their successes. These great leaders of missions are presented as real people, and not super-saints. This second edition covers all 2,000 years of mission history with a special emphasis on the modern era, including

chapters focused on the Muslim world, Third World missions, and a comparison of missions in Korea and Japan. It also contains both a general and an “illustration” index where readers can easily locate particular missionaries, stories, or incidents. New design graphics, photographs, and maps help make this a compelling book. From Jerusalem to Irian Jaya is as informative and intriguing as it is inspiring—an invaluable resource for missionaries, mission agencies, students, and all who are concerned about the spreading of the gospel throughout the world.

Let the Nations be Glad-

JOHN PIPER 2020-05-21

Mission is not the ultimate goal of the church. Worship is. Missions exist because worship doesn't. Worship is ultimate.' John Piper's contemporary classic draws on key biblical texts to demonstrate that worship is the ultimate goal of the church and that proper worship fuels missionary outreach. Piper offers a biblical defence of God's supremacy in all things, providing a sound theological foundation for missions. He examines whether Jesus is the only way to salvation and issues a passionate plea for God-centredness in the missionary enterprise, seeking to define the scope of the task and the means for reaching 'all nations'. Let the Nations Be Glad! is a trusted resource for missionaries, pastors, church leaders, youth workers, seminary students, and all who want to connect their labours to God's global purposes. This third edition has been revised and expanded throughout and includes new material on the 'prosperity gospel'.

Parade of Faith-Ruth A.

Tucker 2011-08-23 Part storybook, part textbook, part historical overview, Parade of Faith in ebook format presents the history of Christianity in riveting fashion. Ruth Tucker adopts the metaphor of a parade, journey, or pilgrimage to explore the history of Christianity, which began as the Messiah marched out of the pages of the Old Testament and will end one day when “the saints go marching in” to the New Jerusalem. The book is divided into two chronological groupings: first, the advent of Christianity until the German and Swiss Reformations; second, the Anabaptist movement and Catholic Reformation until the present-day worldwide expansion of the church. Yet, ultimately the topic matter is not movements, dates, or a stream of facts, but instead people—people who still have stories to tell other Christians. And with a little help from clues to their own contexts, they can still speak clearly today. This book is laid out systematically to showcase the biographies of such prominent figures within their

historical settings. The pages are peppered with sidebars, historical “what if” questions, explorations of relevant topics for today, personal reflections, illustrations, and lists for further reading. Parade of Faith is an excellent introduction for undergraduate students and interested lay readers.

Daughters of the Church-

Ruth A. Tucker 2010-08-10 Rich in historical events and colorfully written, this fascinating account of women in the church spans nearly two thousand years of church history. It tells of events and aspirations, determination and disappointment, patience and achievement that mark the history of daughters of the church from the time of Jesus to the present. The authors have endeavored to present an objective story. The very fact that readers may find themselves surprised now and again by the prominent role of women in certain events and movements proves an inequality that historical narrative has often been guilty of. This is a book about women. It is a setting straight

off the record -- a restoring of balance to history that has repeatedly played down the significance of the contributions of women to the theology, the witness, the movements, and the growth of the church. An exegetical study of relevant Scripture passages offers stimulating thought for discussion and for serious reevaluation of historical givens. This volume is enriched by pictures, appendixes, bibliography, and indexes. Like many of the women whose stories it tells, this book has a subdued strength that should not be underestimated.

Missionary Movement in Christian History-Andrew F. Walls 2015-03-31

Katie Luther, First Lady of the Reformation-Ruth A. Tucker 2017-06-27 Katharina von Bora, wife of Martin Luther, was by any measure the First Lady of the Reformation. A strong woman with a mind of her own, she would remain unknown to us were it not for her larger than

life husband. Unlike other noted Reformation women, her primary vocation was not related to ministry. She was a farmer and a brewer with a boarding house the size of a Holiday Inn - and all that with a large family and nursing responsibilities. In many ways, Katie was a modern woman - a Lean In woman or a modern-day version of a Proverbs 31 woman. Katharina's voice echoes among modern women, wives and mothers who have carved out a career of their own. Decisive and assertive, she transformed Martin Luther into at least a practicing egalitarian. Katharina was a full partner who was a no-nonsense, confident and determined woman, a starke Frau who did not cower when confronted by a powerful man. Ruth Tucker invites readers to visit Katie Luther in her sixteenth-century village life - with its celebrations and heartaches, housing, diet, fashion, childbirth, child-rearing and gender restrictions - and to welcome her today into our own living rooms and workplaces.

Extraordinary Women of Christian History-Ruth A.

Tucker 2016-02-09

Christianity has long been criticized as a patriarchal religion. But during its two-thousand-year history, the faith has been influenced and passed down by faithful women. Martyrs and nuns, mystics and scholars, writers and reformers, preachers and missionaries, abolitionists and evangelists, these women are examples to us of faith, perseverance, forgiveness, and fortitude. With gracious irreverence, Ruth Tucker offers engaging and candid profiles of some of the most fascinating women of Christian history. From the famous to the infamous to the obscure, women like Perpetua, Joan of Arc, Teresa of Avila, Anne Hutchinson, Susanna Wesley, Ann Judson, Harriet Tubman, Fanny Crosby, Hannah Whitehall Smith, Corrie ten Boom, and Mother Teresa, along with dozens of others, come to vivid life. Perfect for small groups, these portraits of women who changed the world in their own significant way will spark lively

discussion and inspire today's Christians to lives of faithful witness.

The Biographical Bible-

Ruth A. Tucker 2013-11-19

The Biographical Bible offers an engaging overview of Scripture through the lens of the fascinating figures who populate its pages. Through insightful reflections on the lives of over eighty individuals, this unique book captures the essence of these colorful characters, warts and all. They are people who have much in common with twenty-first century people of faith. Here the reader will find a lively and insightful narrative that brings the Bible to life as no other book does.

Black and White Bible, Black and Blue Wife-

Ruth A. Tucker 2016-03-01 Ruth Tucker recounts a harrowing story of abuse at the hands of her husband—a well-educated, charming preacher no less—in hope that her story would help other women caught in a cycle of domestic violence and offer a balanced

biblical approach to counter such abuse for pastors and counselors. Weaving together her shocking story, stories of other women, and powerful stories of husbands who truly have demonstrated Christ's love to their wives, with reflection on biblical, theological, historical, and contemporary issues surrounding domestic violence, she makes a compelling case for mutuality in marriage and helps women and men become more aware of potential dangers in a doctrine of male headship.

Mission Legacies-Gerald H. Anderson 1994 Contains seventy-eight biographies of missionaries involved in the modern Christian missionary movement. Includes biographies of missionaries such as Robert Speer, Kenneth Latourette, and William Taylor.

Guardians of the Great Commission-Ruth Tucker 1988

Another Gospel-Ruth A. Tucker 2004 Ruth A. Tucker's book is a comprehensive survey of all the major alternative religions in the United States, including the new groups since the 1960s.

Dynamic Women of the Bible-Ruth A. Tucker 2014-05-27 Though we often focus more on the male heroes and villains in the Bible, the pages of Scripture are brimming with women who are edgy, strong willed, and controversial. Far from the stereotype of sweet and submissive, many women of the Bible steal the show despite being cast in the supporting roles. What parts did these women have in the vast family of God? What challenges did they face that we face even today? And what can we learn from them if we allow them to be the three-dimensional people they really were? In Dynamic Women of the Bible, the lives of more than fifty biblical women are summoned from their graves to live again by the author who brought you The Biographical Bible. Scripture

references, biographical profiles, sidebars (featuring twenty additional women of the Bible), discussion questions, and life applications make this book perfect for small groups, Bible studies, book clubs, and personal reading.

Lords of the Earth-Don Richardson 2008-08-01 Engulfed in the darkness of Irian Jaya's Snow Mountains live the Yali, naked cannibals who call themselves lords of the earth. Yet, in spite of their boldness, they live in terror and bondage to the women-hating, child-despising gods they serve. Missionary Stan Dale dared to enter their domain and be an instrument to change their future. Peace Child author, Don Richardson, tells the story of Dale, his wife, his companions and thousands of Yali tribesmen in Lords of the Earth. This unforgettable tale of faithful determination and zeal against overwhelming odds brings unlikely characters together in a swirl of agony and bloodshed climaxing in a dramatic, unexpected ending. Readers will find their

perceptions of how God moves enlarged and inspired by this classic story. For parents and youth leaders looking for real-life role models for the new generation of young people, you will want to meet the Dales in Lords of the Earth.

Peace Child-Don Richardson 2005-08-08 From Cannibals to Christ-Followers--A True Story In 1962, Don and Carol Richardson risked their lives to share the gospel with the Sawi people of New Guinea. Peace Child tells their unforgettable story of living among these headhunters and cannibals, who valued treachery through fattening victims with friendship before the slaughter. God gave Don and Carol the key to the Sawi hearts via a redemptive analogy from their own mythology. The "peace child" became the secret to unlocking a value system that had existed through generations. This analogy became a stepping-stone by which the gospel came into the Sawi culture and started both a spiritual and a social revolution from within. With

an epilogue updating how the gospel has impacted the Sawi people, this missionary classic will inspire a new generation of readers who need to hear this remarkable story and the lessons it teaches us about communicating Christ in a meaningful way to those around us.

Anthropological Insights for Missionaries

-Paul G. Hiebert 1986-01-01 Expert anthropologist shows missionaries how to better understand the people they serve and their historical and cultural settings.

Left Behind in a Megachurch World

-Ruth Tucker 2006 Designed to encourage the smaller church with a membership of around 100, this insightful and well-researched book opposes the idea that numbers are the only way to measure a church's success, and emphasizes spiritual growth and development.

Walking Away from Faith-

Ruth Tucker 2002 Why do some people lose their faith? Why do some choose to abandon religious beliefs that were once meaningful to them? And what happens when they do? In this no-holds-barred book, Ruth Tucker tackles the tough questions about losing faith. Providing historical perspective, she looks at the stories of prominent Christians, like Chuck Templeton and Billy Graham, who have struggled with faith. She grapples with difficult philosophical and theological issues, exploring the intractable questions that bring people to the point of losing faith--suffering, science, answer to prayer, hypocrisy in the church, and more. Throughout the book, she explores the testimonies of some who have made the choice to walk away--and some who have returned. Tucker writes not just as a detached observer but as one who has also struggled with doubt and disappointment. In *Walking Away from Faith*, she shares her from her experience and tells you why she continues to choose faith. Reading her story and her interviews of

others, you will find help for working through your own questions and doubts. You will also find insight for ministering to your friends, family, coworkers and neighbors who stumble between belief and unbelief.

The Great Omission-

Robertson McQuilkin 2001-12
Respected missions thinker
Robertson McQuilkin answers the question, "How is it, with so many unreached peoples, there are so few Christians going?"

Not Forgotten-David Brady
2018-08-06 Not Forgotten:
Inspiring Missionary Pioneers remembers eighteen women and men, who lived to fulfill Christ's mandate: "Go and make disciples of all nations." Their breathtaking stories span two centuries and cross multiple continents. In order to share the Gospel, these missionaries faced perilous voyages, brutal wars, typhoons, and deadly plagues. You will meet a wandering Jew in Brazil, a tiny woman fighting human trafficking in China, teachers, doctors, a

founding father, a soldier, and even a ventriloquist. Their lives will motivate you to share the Gospel of Jesus Christ more faithfully and to live for Him more fully as you see their bold faith in action: Gripping efforts to get the Gospel to the ends of the earth Stirring compassion for the lost and the destitute Perseverance in the face of unimaginable suffering Ordinary men and women empowered by our extraordinary God! God is calling people everywhere to be reconciled to Him through His Son Jesus Christ who died for sinners. These inspiring missionary pioneers dedicated their lives to proclaiming this Good News. Will you join them? Dr. David J. Brady has been a pastor for almost thirty years. He was born in Guyana to Southern Baptist missionaries, Otis and Martha Brady, and was raised in Belize. David and his wife Jennifer live on Shadowlands Farm in North Carolina with their animals. His first book The Gospel for Pet Lovers is a wonderful evangelistic resource. David has been active in supporting cross-cultural missions throughout

his ministry. This book combines his love for the Gospel of Jesus Christ and his interest in the history of missions.

Paradigms in Conflict-David

J. Hesselgrave 2018-09-25

Drawing from Scripture, social sciences, and history, David J. Hesselgrave tackles the most pressing issues facing missionaries today. The author and contributors show how theological issues have real impact on missions, and they present arguments on both sides of the fifteen subjects of debate while also offering their own biblically informed perspectives on the subjects. Despite rapid global changes, Hesselgrave holds that much of traditional theory, practice, and theology is still valid, if not essential, for the future of Christian missions. Current and prospective missionaries, pastors, seminary students, missions committee members, and laypeople interested in world Christianity will all benefit from the discussions covered in this book, including: Sovereignty and free will: An impossible mix or

a perfect match? Common ground and enemy territory: How should we approach adherents of other faiths? Business as mission: When is it mission and when is it not? Harvest missions and pioneer missions: Discipling the masses or reaching to the margins? This updated and expanded edition includes five more questions along with new applications and reflections on the ten questions presented in the first edition.

Always Enough-Rolland

Baker 2003-09-01 Even the most desperate poverty, the most devastating illness, the most heart-wrenching grief is not beyond God's help. His love and power have no limits- and that's a message readers from all walks of life need to hear. The modern miracles that Rolland and Heidi Baker experience every day in their work with Mozambique's throwaway children, movingly chronicled in Always Enough, will inspire anyone looking for hope in the midst of suffering. The Bakers, formerly missionaries in Indonesia and Hong Kong, share how their

work for the past eight years in Mozambique, one of the poorest nations on earth, has borne spiritual fruit beyond their wildest dreams. Every day presents multiple impossible needs. But in the face of everything Satan can do, as Rolland and Heidi lay down their lives and "minister to the one," there is always enough. Readers will discover that the simple practice of choosing to step out and trust God every day unleashes his provision for every need.

Mission in the Early

Church-Edward L. Smither
2014-04-28 How did Christian missions happen in the early church from AD 100 to 750? Beginning with a brief look at the social, political, cultural, and religious contexts, *Mission in the Early Church* tells the story of early Christian missionaries, their methods, and their missiology. This book explores some of the most prominent themes of mission in early Christianity, including suffering, evangelism, Bible translation, contextualization, ministry in Word and deed, and the church. Based on this

survey, modern readers are invited to a conversation that considers how early Christian mission might inform global mission thought and practice today.

On Being a Missionary-

Thomas Hale 1995 Written for everyone with an interest in mission, this book will lead you to reconsider your role in the missionary enterprise. *On Being a Missionary* is not designed to be a theoretical textbook. It does not put forward new theses, new approaches to mission, nor does it attempt to break new ground. In a very readable way the author presents the ideas, experiences, and insights of over one hundred missionary writers. - Publisher.

Permissive Residents-

Diana Glazebrook 2008-09-01 This book offers another frame through which to view the event of the outrigger landing of 43 West Papuans in Australia in 2006. West Papuans have crossed boundaries to seek asylum since 1962, usually eastward

into Papua New Guinea (PNG), and occasionally southward to Australia. Between 1984-86, around 11,000 people crossed into PNG seeking asylum. After the Government of PNG acceded to the United Nations Convention and Protocol Relating to the Status of Refugees, West Papuans were relocated from informal camps on the international border to a single inland location called East Awin. This volume provides an ethnography of that settlement based on the author's fieldwork carried out in 1998-99.

Mission in the Old

Testament-Walter C. Jr. Kaiser 2012-05-01 Walter Kaiser questions the notion that the New Testament represents a deviation from God's supposed intention to save only the Israelites. He argues that--contrary to popular opinion--the older Testament does not reinforce an exclusive redemptive plan. Instead, it emphasizes a common human condition and God's original and continuing concern for all humanity.

Kaiser shows that the Israelites' mission was always to actively spread to gentiles the Good News of the promised Messiah. This new edition adds two new chapters, freshens material throughout, expands the bibliography, and includes study questions.

Kingdom Without Borders-

Miriam Adeney 2015-08-10 The twenty-first century has opened with a rapidly changing map of Christianity. While its influence is waning in some of its traditional Western strongholds, it is growing at a phenomenal pace in the global South. And yet this story has largely eluded the corporate news brokers of the West. Layered as it is with countless personal and corporate stories of remarkable faith and witness, it nevertheless lies ghostlike behind the newsprint and webpages of our print media, outside the camera's vision on the network evening news. Miriam Adeney has lived, traveled and ministered widely. She has walked with Christians in and from the far

reaches of the globe. As she pulls back the veil on real Christians--their faith, their hardships, their triumphs and, yes, their failures--an inspiring and challenging story of a kingdom that knows no borders takes shape. This is a book that coaxes us out of our comfortable lives. It beckons us to expand our vision and experience of the possibilities and promise of a faith that continues to shape lives, communities and nations.

Encountering the History of Missions

Robert L. Gallagher 2017-08-22 This new addition to a highly acclaimed series portrays the sweep of missions history, revealing how God has fulfilled his promise to bless all the nations. Two leading missionary scholars and experienced professors help readers understand how missions began, how missions developed, and where missions is going. The authors cover all of missions history and provide practical application of history's lessons. Maps, tables, box inserts, sidebars, and

discussion questions add to the book's usefulness in the classroom.

The life of William Carey- George Smith 1885

Serving with Eyes Wide Open

David A. Livermore 2012-12-01 Short-term mission trips are great ways to impact the kingdom. Yet they can lack effectiveness because of mistakes or naiveté on the part of participants. In this insightful and timely book, David A. Livermore calls us to serve with our eyes open to global and cultural realities so we can become more effective cross-cultural ministers. *Serving with Eyes Wide Open* is a must-have book for anyone doing a short-term mission or service project, whether domestic or overseas. Foreword by Paul Borthwick.

Christian Mission-Edward L. Smither 2019-03-06 A deeper understanding of the grand history of mission leads to a

faithful expression of God's mission today. From the beginning, God's mission has been carried out by people sent around the world. From Abraham to Jesus, the thread that weaves its way throughout Scripture is a God who sends his people across the world, proclaiming his kingdom. As the world has evolved, Christian mission continues to be a foundational tradition in the church. In this one-volume textbook, Edward Smither weaves together a comprehensive history of Christian mission, from the apostles to the modern church. In each era, he focuses on the people sent by God to the ends of the earth, while also describing the cultural context they encountered. Smither highlights the continuity and development across thousands of years of global mission.

Pocket History of the Church-D. Jeffrey Bingham
2014-08-09 The story of Christianity is a fascinating tale. Here we find drama, vision and expansion along with failure, setbacks and

tragedy. Yet during the past two thousand years the power of Jesus is felt throughout the interplay of human actors and the forces of world events. How can you grasp the story played out on such a gigantic stage? This book is an ideal place to start. D. Jeffrey Bingham has skillfully selected the key people and episodes to tell a grand and humbling story. Introduction to Global Missions

-Zane Pratt 2014-07 Comprehensive treatment of the biblical foundation and unique purpose of global missions.

Father of Faith Missions

-Robert Bernard Dann 2003-12-01 Modest and unobtrusive, Anthony Norris Groves did not consider himself a gifted evangelist. His name is not usually mentioned alongside William Carey and Hudson Taylor, but Groves had a pioneering influence that went beyond his personal reach. He and his family followed God's call to Baghdad and India, leaving their comfortable English lives behind. Though he doubted his success as a missionary, Groves' character and ideas shaped the people who followed him as he followed Christ. Exhaustively researched, Father of Faith Missions is not merely about the life of one missionary but also a record of Groves

influence on missionary initiatives and the Brethren movement. Drawing upon Groves own journals and letters in addition to copious scholarship, this book is both a journey into history and a reminder that God's faithfulness is as true now as

it was then.
