Boundaries Updated and Expanded Edition-Henry Cloud 2017-10-03 Boundaries is the book that's helped over 4 million people learn when to say yes and know how to say no in order to take control of their lives. Does your life feel like it's out of control? Perhaps you feel like you have to say yes to everyone's requests. Maybe you find yourself readily taking responsibility for others' feelings and problems. Or perhaps you focus so much on being loving and unselfish that you've forgotten your own limits and limitations. Or maybe it's all of the above. In the New York Times bestseller, Boundaries, Drs. Henry Cloud and John Townsend help you learn when to say yes and know how to say no in order to take control of your life and set healthy, biblical boundaries with your spouse, children, friends, parents, co-workers, and even yourself. Now updated and expanded for the digital age, this book continues to help millions of people around the world answer these tough questions: Can I set limits and still be a loving person? What are legitimate boundaries? How do I effectively manage my digital life so that it doesn't control me? What if someone is upset or hurt by my boundaries? How do I answer someone who wants my time, love, energy, or money? Why do I feel guilty or afraid when I consider setting boundaries? How do boundaries relate to mutual submission within marriage? Aren't boundaries selfish? You don't have to let your life spiral out of control. Discover how boundaries make life better today! Plus, check out Boundaries family collection of books dedicated to key areas of life - dating, marriage, raising kids, parenting teens, and leadership. Workbooks and Spanish editions are also available.

Boundaries-Henry Cloud 2008-09-09 Having clear boundaries is essential to a healthy, balanced lifestyle. A boundary is a personal property line that marks those things for which we are responsible. In other words, boundaries define who we are and who we are not. Boundaries impact all areas of our lives: Physical boundaries help us determine who may touch us and under what circumstances -- Mental boundaries give us the freedom to have our own thoughts and opinions -- Emotional boundaries help us to deal with our own emotions and disengage from the harmful, manipulative emotions of others -- Spiritual boundaries help us to distinguish God's will from our own and give us renewed awe for our Creator -- Often, Christians focus so much on being loving and unselfish that they forget their own limits and limitations. When confronted with their lack of boundaries, they ask: - Can I set limits and still be a loving person? - What are legitimate boundaries? - What if someone is upset or hurt by my boundaries? - How do I answer someone who wants my time, love, energy, or money? - Aren't boundaries selfish? - Why do I feel guilty or afraid when I consider setting boundaries? Dr. Henry Cloud and Dr. John Townsend offer biblically-based answers to these and other tough questions, showing us how to set healthy boundaries with our parents, spouses, children, friends, co-workers, and even ourselves.

Boundaries Workbook-Henry Cloud 2018-02-27 The New York Times bestselling book Boundaries has helped millions understand that being a loving Christian does not mean never saying no. This newly updated and expanded companion workbook provides practical exercises for setting boundaries in marriage, parenting, business, and friendships in a digital age. Following the newly updated and expanded edition of Boundaries chapter-by-chapter, this interactive workbook helps you look at specific relationships in your own life. With those

situations in mind, you can ask and answer: Why do I feel guilty about setting clear boundaries? What if the boundaries I set hurt the other person? Is it difficult for me to hear no from others? What are examples of legitimate boundaries at work and home? How can I have good boundaries online? How can I stay connected while still setting boundaries with my phone? In what ways do I need to set better boundaries with social media? Boundaries Workbook gives a biblical foundation and practical tools for helping others respect your boundaries—whether you are not responding to a text message immediately or saying no when someone asks you to volunteer for one more activity. Discover firsthand how good boundaries give you the freedom to live as the loving, generous, fulfilled person God created you to be.

The New Codependency-Melody Beattie 2008-12-30 In Codependent No More, Melody Beattie introduced the world to the term codependency. Now a modern classic, this book established Beattie as a pioneer in self-help literature and endeared her to millions of readers who longed for healthier relationships. Twenty-five years later concepts such as self-care and setting boundaries have become entrenched in mainstream culture. Now Beattie has written a followup volume, The New Codependency, which clears up misconceptions about codependency, identifies how codependent behavior has changed, and provides a new generation with a road map to wellness. The question remains: What is and what is not codependency? Beattie here reminds us that much of codependency is normal behavior. It's about crossing lines. There are times we do too much, care too much, feel too little, or overly engage. Feeling resentment after giving is not the same as heartfelt generosity. Narcissism and self-love, enabling and nurturing, and controlling and setting boundaries are not interchangeable terms. In The New Codependency, Beattie explores these differences, effectively invoking her own inspiring story and those of others, to empower us to step out of the victim role forever. Codependency, she shows, is not an illness but rather a series of behaviors that once broken down and analyzed can be successfully combated. Each section offers an overview of and a series of activities pertaining to a particular behavior -- caretaking, controlling, manipulation, denial, repression, etc. -- enabling us to personalize our own step-by-step guide to wellness. These sections, in conjunction with a series of tests allowing us to assess the level of our codependent behavior, demonstrate that while it may not seem possible now, we have the power to take care of ourselves, no matter what we are experiencing. Punctuated with Beattie's renowned candor and intuitive wisdom, The New Codependency is an owner's manual to learning to be who we are and gives us the tools necessary to reclaim our lives by renouncing unhealthy practices.

Boundaries with Kids-Henry Cloud 2009-05-18 Keys for establishing healthy boundaries--the bedrock of good relationships, maturity, safety, and growth for children and adults.To help their children grow into healthy adults, parents need to teach them how to take responsibility for their behavior, their values, and their lives. The authors of the Gold Medallion Award-winning book Boundaries bring their biblically-based principles to bear on the challenging task of child rearing, showing parents:* how to bring control to an out-of-control family life* how to set limits and still be loving parents* how to define legitimate boundaries for the family* how to instill in children a godly character

Boundaries with Kids-Henry Cloud 2001-10-05 Discusses the creation of healthy boundaries and reinforced consequences to help children develop a sense of accountability for their own lives.

Beyond Boundaries-John Townsend 2011-10-11 For when your trust has been broken: discover how to set firm boundaries again, how to connect deeply without being hurt, and how to safely grow your most intimate relationships. Painful relationships violate our trust, causing us to close our hearts. But to experience the freedom and love God designed us for, we eventually have to take another risk. In this breakthrough book, bestselling author Dr. John Townsend takes you beyond the pain of the past to discover how to re-enter a life of intimate relationships. Whether you're trying to restore a current relationship or begin a new one, Townsend gives practical tools for establishing trust and finding the intimacy you long for. Beyond Boundaries will help you: Reinststate closeness appropriately with someone who broke your trust Discern when true change has occurred Reestablish appropriate connections in strained relationships Create a safe environment that helps you trust Restore former relationships to a healthy dynamic Learn to engage and be vulnerable in a new relationship as well You can move past relational pain to trust again. Beyond Boundaries will show you how. Plus, dig even deeper into relational healing with the coordinating video study and study guide. Spanish edition also available.

Necessary Endings-Henry Cloud 2011-01-18 End Pain. Foster Personal and Professional Growth. Live Better. While endings are a natural part of business and life, we often experience them with a sense of hesitation, sadness, resignation, or regret. But consultant, psychologist, and bestselling author Dr. Henry Cloud sees endings differently. He argues that our personal and professional lives can only improve to the degree that we can see endings as a necessary and strategic step to something better. If we cannot see endings in a positive light and execute them well, he asserts, the "better" will never come either in business growth or our personal lives. In this insightful and deeply empathetic book, Dr. Cloud demonstrates that, when executed well, "necessary endings" allow us to proactively correct the bad and the broken in our lives in order to make room for the professional and personal growth we seek. However, when endings are avoided or handled poorly—as is too often the case—good opportunities may be lost, and misery repeated. Drawing on years of experience as an executive coach and a psychologist, Dr. Cloud offers a mixture of advice and case studies to help readers know when to have realistic hope and when to execute a necessary ending in a business, or with an individual; identify which employees, projects, activities, and relationships are worth nurturing and which are not; overcome people's resistance to change and create change that works; create urgency and an action plan for what's important; stop wasting resources needed for the things that really matter. Knowing when and how to let go when something, or someone, isn't working—a personal relationship, a job, or a business venture—is essential for happiness and success. Necessary Endings gives readers the tools they need to say good-bye and move on.

Boundaries in Dating-Henry Cloud 2001-03 All the immense value of the book is available in this participant's guide for groups of any size. It will encourage spiritual and emotional growth and character development that enables dating--within God's boundaries--to be fun, spiritually fulfilling, and growth producing.

Boundaries in Marriage-Henry Cloud 2009-05-18 Only when you and your mate know and respect each other's needs, choices, and freedom can you give yourselves freely and lovingly to one another. Boundaries in Marriage gives you the tools you need. Drs. Henry Cloud and John Townsend, counselors and authors of the award-winning bestseller Boundaries, show you how to apply the principles of boundaries to your marriage. This book helps you understand the friction points or serious hurts and betrayals in your marriage -- and move beyond them to the mutual care, respect, affirmation, and intimacy you both long for.

Boundaries with Teens-John Townsend 2009-05-18 Establish wise and loving limits that make a positive difference in your teen, in the rest of your family, and in you. The teen years: relationships, peer pressure, school, dating, character. To help teenagers grow into healthy adults, parents and youth workers need to teach them how to take responsibility for their behavior, their values, and their lives. From bestselling author and counselor Dr. John Townsend, Boundaries with Teens is the expert insight and guidance you need to help your teens take responsibility for their actions, attitudes, and emotions and gain a deeper appreciation and respect both for you

and for themselves. With wisdom and empathy, Dr. Townsend applies biblically based principles for the challenging task of guiding your children through the teen years. Using the same principles he used to successfully raise two teens, he shows you how to: Deal with disrespectful attitudes and impossible behavior in your teen Set healthy limits and realistic consequences Be loving and caring while establishing rules Determine specific strategies to deal with problems both big and small Discover how boundaries make parenting teens better today! Plus, check out Boundaries family collection of books dedicated to key areas of life - dating, marriage, raising young kids, and leadership. Workbooks and Spanish editions are also available.

Boundaries-Anne Katherine 1993-11-09 The author of Where to Draw the Line defines interpersonal boundaries, explains why they should not be crossed, and explains how to avoid having one's personal boundaries violated. Reissue.

The God I Never Knew-Robert Morris 2013-08-06 Explains the purpose of the Holy Spirit in a Christian's life as a guide, friend, and comforter.

Where to Draw the Line-Anne Katherine 2012-09-25 From the acclaimed author of the perennial favorite Boundaries, Where to Draw the Line is a practical guide to establishing and maintaining healthy boundaries in many different situations. With every encounter, we either demonstrate that we'll protect what we value or that we'll give ourselves away. Healthy boundaries preserve our integrity. Unlike defenses, which isolate us from our true selves and from those we love, boundaries filter out harm. This book provides the tools and insights needed to create boundaries so that we can allow time and energy for the things that matter—and helps break down limiting defenses that stunt personal growth. Focusing on every facet of daily life—from friendships and sexual relationships to dress and appearance to money, food, and psychotherapy—Katherine presents case studies highlighting the ways in which individuals violate their own boundaries or let other people breach them. Using real-life examples, from self-sacrificing mothers to obsessive neat freaks, she offers specific advice on making choices that balance one's own needs with the needs of others. Boundaries are the unseen structures that support healthy, productive lives. Where to Draw the Line shows readers how to strengthen them and hold them in place every day.

Boundaries for Leaders-Henry Cloud 2013-04-16 In Boundaries for Leaders, clinical psychologist and bestselling author Dr. Henry Cloud leverages his expertise of human behavior, neuroscience, and business leadership to explain how the best leaders set boundaries within their organizations--with their teams and with themselves--to improve performance and increase employee and customer satisfaction. In a voice that is motivating and inspiring, Dr. Cloud offers practical advice on how to manage teams, coach direct reports, and instill an organization with strong values and culture. Boundaries for Leaders: Take Charge of Your Business, Your Team, and Your Life is essential reading for executives and aspiring leaders who want to create successful companies with satisfied employees and customers, while becoming more resilient leaders themselves.

Set Boundaries, Find Peace-Nedra Glover Tawwab 2021 "Healthy boundaries. We all know we should have them--in order to achieve work/life balance, cope with toxic people, and enjoy rewarding relationships with partners, friends, and family. But what do "healthy boundaries" really mean--and how can we successfully express our needs, say "no," and be assertive without offending others?"--

How to Get a Date Worth Keeping-Henry Cloud 2019-09-24 It stinks, doesn't it. But what can you do to fix it? More than you've ever imagined. You can put an end to the datelessness. Starting today—right now—you can begin a journey that will bring fun and interesting people into your life, broaden your experience of others and yourself, and lead you toward that date of all dates—a date worth keeping. This book is for YOU if · You want to get more dates or better dates. · You wonder where “the good ones” are. · You keep repeating the same old cycle in your dating life and want to change it. · You wonder why people who aren't as nice as you get all the dates. · You're attracted to the wrong kind, while the right kind lack the “chemistry.” · You're waiting for God to bring you

the right person—and you’ve been waiting an awfully long time. · You wonder what it is about you that fails to attract dates. With over ten years of experience personally coaching singles on dating, Dr. Henry Cloud shares his proven, very doable, step-by-step approach to overcoming your sticking points and getting all the dates you could want. The results speak for themselves. Filled with true-life examples you’ll identify with instantly, *How to Get a Date Worth Keeping* will prove its worth to you many times over in the exciting months ahead.

How We Love-Milan Yerkovich 2017 Subtitle varies in previous editions and versions.

When Good People Have Affairs-Mira Kirshenbaum 2008-05-27 A world-renowned therapist, Mira Kirshenbaum has treated thousands of men and women caught in the powerful drama over what to do when an affair reaches into their emotional lives. Now, in *When Good People Have Affairs*, Kirshenbaum puts her unsurpassed experience into one clear, calming place. She gives readers everything they need to cut through the thickets of fear, hurt and confusion to find their ways to happier, more solid relationships with the person who's right for them. For example, Kirshenbaum identifies seventeen types of affairs, helping readers figure out which type they're in and what it means. Is it a: --"See-if" affair? --Ejector-seat affair? --Distraction affair? --Unmet-needs affair? --Panic affair? Kirshenbaum encourages honest answers to such questions as: --What am I missing in my marriage? --How do I decide between two people when it's like comparing an apple to an orange? --How do I decide to end my marriage, end my affair, or end them both? She leads readers through six easy-to-navigate steps that will take anyone from anxiety to clarity. *When Good People Have Affairs* will be a lifeline to any man or woman who feels caught between two lovers, and its insights are indispensable to anyone else touched by an affair.

Setting Boundaries® with Your Adult Children-Allison Bottke 2019-12-03 Finally...Hope for Parents in Pain What parent doesn't want their children to grow up to be happy, responsible adults? Yet despite parents' best efforts, most heartfelt prayers, and most loving environments, some kids never successfully make the transition to independently functioning adulthood. Following her own journey, Allison Bottke developed a tough-love approach to parenting adult children that helps both you and your child by focusing on setting you free from the repeated pain of your adult child's broken promises, lies, and deception. *Setting Boundaries® with Your Adult Children* offers practical hope and healing through S.A.N.I.T.Y.—a six-step program to help parents regain control in their homes and their lives. S = STOP Enabling, STOP Blaming Yourself, and STOP the Flow of Money A = Assemble a Support Group N = Nip Excuses in the Bud I = Implement Rules/Boundaries T = Trust Your Instincts Y = Yield Everything to God As you love your child with arms and heart wide open, know that no matter what happens you are never alone. God is in control and will be with you.

Boundary Boss-Terri Cole 2021-04-20 Break Free From Over-Functioning, Over-Delivering, People-Pleasing, and Ignoring Your Own Needs So You Can Finally Live the Life You Deserve! Most of us were never taught how to effectively express our preferences, desires or deal-breakers. Instead, we hide our feelings behind passive-aggressive behavior, deny our own truths, or push our emotions down until we get depressed or so frustrated that we explode, potentially destroying hard-won trust and relationships. The most successful and satisfied people on the planet have one thing in common: the ability to create and communicate clear, healthy boundaries. This ability is, hands down, the biggest game changer when it comes to creating a healthy, happy, self-determined life. In *Boundary Boss*, psychotherapist Terri Cole reveals a specific set of skills that can help you stop abandoning yourself for the sake of others (without guilt or drama) and get empowered to consciously take control of every aspect of your emotional, spiritual, physical, personal, and professional life. Since becoming a Boundary Boss is a process, Cole also offers actionable strategies, scripts, and techniques that can be used in the moment, whenever you need them. You will learn: How to recognize when your boundaries have been violated and what to do next How your unique "Boundary Blueprint" is unconsciously driving your boundary behaviors, and strategies to redesign it Powerful boundary scripts so in the moment you will know what to say How to manage "Boundary Destroyers"—including emotional manipulators, narcissists, and other toxic personalities Where you fall on the spectrum of codependency and how to create healthy, balanced relationships This book is for women who are exhausted from over-giving, overdoing, and even over-feeling. If you're getting it all done but at the expense of yourself, give yourself the gift of Boundary Boss.

Boundaries in Marriage Workbook-Henry Cloud 2000 This is a companion workbook to *Boundaries in Marriage* that is filled with self-tests, questions, and applications.

Changes that Heal-Henry Cloud 1994 *Make Discoveries . . .* This companion workbook will lead you step-by-step through the important principles from Dr. Cloud's groundbreaking book, plus give you practical suggestions for discovering the answer to the following questions and more. - What are the four basic tasks of becoming mature image bearers and more? - How do I accomplish these tasks? - What problems result because of failure to accomplish these tasks? - What changes do I need to make in my life In order to bring about healing? *Make Changes . . .* Once you've learned and accomplished the four basic tasks that are absolute necessary for emotional and relational stability, you'll have learned to: Bond to others - Separate from others - Sort out good and bad in yourself and others - Become an adult . . . that makes a difference!

Integrity-Henry Cloud 2009-06-02 *Integrity*—more than simple honesty, it's the key to success. A person with integrity has the ability to pull everything together, to make it all happen no matter how challenging the circumstances. Drawing on experiences from his work, Dr. Henry Cloud, a clinical psychologist, leadership coach, corporate consultant and nationally syndicated radio host, shows how our character can keep us from achieving all we want to (or could) be. In *Integrity*, Dr. Cloud explores the six qualities of character that define integrity, and how people with integrity: Are able to connect with others and build trust Are oriented toward reality Finish well Embrace the negative Are oriented toward increase Have an understanding of the transcendent Integrity is not something that you either have or don't, but instead is an exciting growth path that all of us can engage in and enjoy.

Better Boundaries-Jan Black 1998-05-01 Explores the creation and adjustment of effective personal boundaries, including identifying false beliefs, embracing purpose, and making good choices

Wildflowers of the Boundary Waters-Betty Vos Hemstad 2009 Arranged by season and including helpful "as seen while hiking" views, this guidebook opens up a world of natural beauty for wildflower watchers in northern climes.

Safe People-Henry Cloud 2009-05-26 Too many of us have invested ourselves into relationships that left us deeply wounded. We've been abandoned or taken advantage of, and left with little to show for what we've given. We've lost our sense of security and personal value in the process. And what's worse, we tend to either repeat the same mistakes of judgment over and over . . . Or else lock the doors of our hearts entirely and throw away the key. Why do we choose the wrong people to get involved with? Is it possible to change? And if so, where does one begin? Drs. Henry Cloud and John Townsend offer solid guidance for making safe choices in relationships, from friendships to romance. They help identify the nurturing people we all need in our lives, as well as ones we need to learn to avoid. *Safe People* will help you to recognize 20 traits of relationally untrustworthy people. Discover what makes some people relationally safe, and how to avoid unhealthy entanglements. You'll learn about things within yourself that jeopardize your relational security. And you'll find out what to do and what not to do to develop a balanced, healthy approach to relationships.

Boundaries Face to Face-Henry Cloud 2003 How to have that difficult conversation you've been avoiding.

Primal Loss-Leila Miller 2017-05-20 Seventy now-adult children of divorce give their candid and often heart-wrenching answers to eight questions (arranged in eight chapters, by question), including: What were the main effects of your parents' divorce on your life? What do you say to those who claim that "children are resilient" and "children are happy when their parents are happy"? What would you like to tell your parents then and now? What

do you want adults in our culture to know about divorce? What role has your faith played in your healing? Their simple and poignant responses are difficult to read and yet not without hope. Most of the contributors--women and men, young and old, single and married--have never spoken of the pain and consequences of their parents' divorce until now. They have often never been asked, and they believe that no one really wants to know. Despite vastly different circumstances and details, the similarities in their testimonies are striking; as the reader will discover, the death of a child's family impacts the human heart in universal ways.

Boundaries in Dating-Henry Cloud 2009-05-26 Boundaries in Dating offers illuminating insights for romance that can help you grow in freedom, honesty, and self-control as you pursue a healthy dating relationship that will lead to a healthy marriage. Dating can be fun, but it's not easy. Meeting people is just one concern. Once you've met someone, then what? What do you build? Nothing, a simple friendship, or more? How do you set smart limits on physical involvement? Financial involvement? Individual responsibilities? Respected counselors, popular radio hosts, and bestselling authors Henry Cloud and John Townsend apply the principles described in their Gold Medallion Award-winning Boundaries to matters of love and romance. Helping you bridge the pitfalls of dating, Boundaries in Dating unfolds a wise, biblical path to developing self-control, freedom, and intimacy in the dating process. Boundaries in Dating will help you to think, solve problems, and enjoy the journey of dating, increasing your abilities to find and commit to a marriage partner. Full of insightful, true-life examples, this much-needed book includes such topics as: Recognizing and choosing quality over perfection in a dating partner How to ensure that honest friendship is one vital component in a relationship Preserving friendships by separating between platonic relationships and romantic interest Moving past denial to deal with real relational problems in a realistic and hopeful way . . . and much more! Plus, check out Boundaries family collection of books dedicated to key areas of life - marriage, raising kids, parenting teens, and leadership. Workbooks and Spanish editions are also available.

Implementing Domain-Driven Design-Vaughn Vernon 2013-02-06 "For software developers of all experience levels looking to improve their results, and design and implement domain-driven enterprise applications consistently with the best current state of professional practice, Implementing Domain-Driven Design will impart a treasure trove of knowledge hard won within the DDD and enterprise application architecture communities over the last couple decades." -Randy Stafford, Architect At-Large, Oracle Coherence Product Development "This book is a must-read for anybody looking to put DDD into practice." -Udi Dahan, Founder of NServiceBus Implementing Domain-Driven Design presents a top-down approach to understanding domain-driven design (DDD) in a way that fluently connects strategic patterns to fundamental tactical programming tools. Vaughn Vernon couples guided approaches to implementation with modern architectures, highlighting the importance and value of focusing on the business domain while balancing technical considerations. Building on Eric Evans' seminal book, Domain-Driven Design, the author presents practical DDD techniques through examples from familiar domains. Each principle is backed up by realistic Java examples--all applicable to C# developers--and all content is tied together by a single case study: the delivery of a large-scale Scrum-based SaaS system for a multitenant environment. The author takes you far beyond "DDD-lite" approaches that embrace DDD solely as a technical toolset, and shows you how to fully leverage DDD's "strategic design patterns" using Bounded Context, Context Maps, and the Ubiquitous Language. Using these techniques and examples, you can reduce time to market and improve quality, as you build software that is more flexible, more scalable, and more tightly aligned to business goals. Coverage includes Getting started the right way with DDD, so you can rapidly gain value from it Using DDD within diverse architectures, including Hexagonal, SOA, REST, CQRS, Event-Driven, and Fabric/Grid-Based Appropriately designing and applying Entities--and learning when to use Value Objects instead Mastering DDD's powerful new Domain Events technique Designing Repositories for ORM, NoSQL, and other databases

Truly Free-Robert Morris 2015-05-12 In Truly Free best-selling author Robert Morris invites us into a glorious truth--that the promise of being set free from the slavery of sin is a promise to be set free completely. Jesus said, "All authority in heaven and on earth has been given to me" (Matthew 28:18). As believers, we have Christ and never need to be afraid. Yet it's also true that we are not immune to the effects of evil. Christ has conquered sin and death, but in his infinite wisdom--for reasons that are often difficult for us to understand--evil is still permitted to exist. Even if we're saved and trust in Christ, we may still find areas in which we just can't get victory. Maybe it's a sin we've confessed again and again or a constant struggle with depression, anger, or lust.

These long-imbedded patterns of shameful living continue to entangle us day after day, month after month, and even year after year. Although evil is real and Christians can be oppressed by it, we have the promise that the one who is in us is greater than the one who is in the world (1 John 4:4). Jesus saves us, trains us to resist the power of evil, and delivers us from anything that holds us back. With Jesus, we can be truly free forever.

Good People-Anthony Tjan 2017-04-25 Good people are your organization's most critical asset. But what does it really mean to be good? Leaders love to say that any company is only as good as its people, but tend to evaluate candidates and employees more by their measurable accomplishments than by their "softer" qualities, like integrity, compassion, and other values. Bestselling author Anthony Tjan is leading a movement to change the way we think about goodness so that we can become better judges of people and create more goodness in ourselves, in others, and in our organizations. Tjan argues that while competence is necessary, real goodness must also encompass values; a fantastic résumé can never compensate for mediocre character. In Good People, he provides a clear language to discuss goodness, redefining it as a lifelong, proactive commitment that, like any skill, can be exercised, honed, and taught. When leaders prioritize goodness in themselves and in others, they can create lasting cultures and tremendous value. Drawing from his own experiences as an entrepreneur and venture capitalist, Tjan also taps into the wisdom of his relationships and interviews with extraordinary innovators, executives, artists, academics, teachers, and role models from all disciplines and walks of life. The cases and profiles shared include: Harvard Business School Dean Nitin Nohria, who has called for balancing leadership of competency with leadership of character; Supreme Court Justice Sonia Sotomayor, who has never forgotten her roots and shows profound kindness to her staff and clerks; Hollywood talent manager Shep Gordon, who has counseled his clients on the importance of generosity and gratitude; legendary venture capitalist Henry McCance, whose success proves that humbly ceding the spotlight to others makes room for their greatness; and master jazz musician Clark Terry, who devotedly mentored the young, blind pianist Justin Kauflin. Packed with practical yet often surprising advice, Good People establishes a new language and framework you can use to evaluate, develop, and lead with goodness. Tjan will convince you that there is a hard truth in the "soft stuff" of business, and that choosing and working well with good people is truly the only leadership decision that really matters.

Marriage Triggers-Amber Lia 2020-01-28 Foreword by Dave and Ashley Willis, authors of The Naked Marriage and hosts of The Naked Marriage Podcast A husband-wife team offers practical advice for married couples to end the cycle of reactionary arguments by examining the most common issues that trigger disagreements and applying God's Word to radically transform relationships. Many couples know their marriage has room for improvement, but it is hard to pinpoint exactly why a relationship is suffering. Often times everyday triggers are the culprit. If you are wondering how to break out of the cycle of reactionary outbursts, cold shoulders, resentment, and pain that harms your relationship, you are not alone. Experiencing peace and joy rather than anger and frustration is not as hard as you think! Marriage Triggers walks you through thirty-one of the most common marital issues that sabotage great relationships, like poor communication, lack of spiritual leadership, busy schedules, and different parenting styles. Married for fourteen years, authors Amber and Guy Lia are your typical couple and they share tips for countering negative reactions to triggers with gentle, biblical responses. Rather than run from the things that cause conflict, Amber and Guy believe these triggers are opportunities for growth, both individually and as a couple. They challenge you to let Marriage Triggers renew your commitment to responding gently and biblically towards your partner.

Rethinking education: towards a global common good?-UNESCO 2015-05-26 Economic growth and the creation of wealth have cut global poverty rates, yet vulnerability, inequality, exclusion and violence have escalated within and across societies throughout the world. Unsustainable patterns of economic production and consumption promote global warming, environmental degradation and an upsurge in natural disasters. Moreover, while we have strengthened international human rights frameworks over the past several decades, implementing and protecting these norms remains a challenge. These changes signal the emergence of a new global context for learning that has vital implications for education. Rethinking the purpose of education and the organization of learning has never been more urgent. This book is inspired by a humanistic vision of education and development, based on respect for life and human dignity, equal rights, social justice, cultural diversity, international solidarity and shared responsibility for a sustainable future.

Setting Limits with Your Strong-Willed Child-Robert J. Mackenzie 2011-08-03 In this fully revised and expanded second edition, Setting Limits author Robert MacKenzie is back with even more time-proven methods for dealing with misbehavior and creating positive, respectful, and rewarding relationships with children prone to acting out and disobedience. Disruptive misbehavior, constant power struggles, manipulative or aggressive behavior--the challenges facing parents and teachers of strong-willed children can seem overwhelming at times. That's why thousands of parents and educators have turned to the solutions in Setting Limits With Your Strong-Willed Child. This revised and expanded second edition offers the most up-to-date alternatives to punishment and permissiveness--moving beyond traditional methods that wear you down and get you nowhere, and zeroing in on what really works so parents can use their energy in more efficient and productive ways. With fully updated guidelines on parenting tools like "logical consequences," and examples drawn directly from the modern world that children deal with each day, this is an invaluable resource for anyone wondering how to effectively motivate strong-willed children and instill proper conduct. From the Trade Paperback edition.

Be A People Person-John C. Maxwell 2013-02-15 Being a leader means working with people, and that's not always easy! Boundaries in Dating-Henry Cloud 2000 An easy-to-use workbook allows readers to more effectively work through the boundaries concepts in their dating life.

How to Have That Difficult Conversation-Henry Cloud 2015-08-04 Full of practical tips and how-tos, this book will help you make your relationships better, deepen your intimacy with people you care for, and cultivate more love, understanding, and respect between you and others. Successful people confront well. They know that setting healthy boundaries improves relationships and can solve important problems. They have discovered that uncomfortable situations can be avoided or resolved through direct conversation. But most of us don't know how to have difficult conversations, and we see confrontation as scary or adversarial. Authors Henry Cloud and John Townsend take the principles from their award-winning and bestselling book, Boundaries, and apply them to a variety of the most common difficult situations and relationships in order to: Show how healthy confrontation can improve relationships Present the essentials of a good boundary-setting conversation Provide tips on preparing for the conversation Show how to tell people what you want, stop bad behavior, and deal with counterattack Give actual examples of conversations to have with your spouse, your date, your kids, your coworker, your parents, and more! This book is a practical handbook on positive confrontation that will help you finally have that difficult conversation you've been avoiding. Includes a discussion guide.

How to be a Best Friend Forever-John Townsend 2012-01-01 Our world has diluted the meaning of friendship, but the reality is, there's nothing like the sustaining strength of true-blue, forever friends. Still, many people are convinced that they'll never find such lifelong connections—or that they don't need them. In this encouraging book, best-selling author and psychologist John Townsend delivers hope and help for making these relationships a reality—and for making them even better if you've already got a "bestie." His eight principles for building the very best kind of friendship, along with his shared experiences within his own friendships (including mistakes he's made), will move every reader to aspire to deeper connections and to stay the course when challenges arise. Townsend's simple but profound concepts are sure to transform readers' relationships and keep them from missing out on one of life's greatest and most essential joys: the joy of having a best friend.
