But when his personal life spun into chaos, he was forced to face the buried impact of the unhealed wounds--sexual abuse, physical trauma, addiction, and depression--that threatened to tear it all apart. Along the way, he realized the wounds we all carry have the potential to be unlikely guides to healing and freedom for ourselves, and others. With vulnerable honesty and transformational yet simple steps you can apply today, Lecrae shares the personal practices he uses in his daily life for mental, emotional, and spiritual health. With powerful prose, he gives an unflinching look at the personal and public spaces that sadly hurt us so often--culture, politics, family, church, personal failure--and reminds us that learning to let go and forgive is the birthplace for the life of creativity and freedom God has for us. I Am Restored is an inspiring charge to embrace the lasting healing and restoration available now, and that we all desperately long for, because no matter what you've experienced, God is near, He hears, and He's not done with you yet.

**Unashamed**-Lecrae Moore 2016-05-03 If you live for people's acceptance, you'll die from their rejection. Two-time Grammy winning rap artist, Lecrae, learned this lesson through more than his share of adversity—childhood abuse, drugs and alcoholism, a stint in rehab, an abortion, and an unsuccessful suicide attempt. Along the way, Lecrae attained an unwavering faith in Jesus and began looking to God for affirmation. Now as a chart-topping industry anomaly, he has learned to ignore the haters and make peace with his craft. The rap artist holds nothing back as he divulges the most sensitive details of his life, answers his critics, shares intimate handwritten journal entries, and powerfully models how to be a Christian in a secular age. This is the story of one man's journey to faith and freedom. \*Cover/Interior design by Alex Medina, photography by Mary Caroline Mann

**Restoring Your Historic House: The Comprehensive Guide for Homeowners**-Scott T. Hanson 2019-12-10 How to accommodate contemporary life in a historic house. This book does not repeat basic information that is readily available in many standard DIY books about carpentry, wiring, and plumbing. Rather, it shows how to adapt those DIY skills to the specialized needs of a historic house. Although there are other books about renovating old houses, this is the first that prioritizes the identification and preservation of the historic, character-defining features of a house as a starting point in the process. That is the purpose of this book: to describe and illustrate a best-practices approach for updating historic homes for modern life in ways that do not attempt to turn an old house into a new one. The book also suggests many ways to save money in the process, without settling for cheap or inappropriate solutions. Scott Hanson is a historic-building preservation professional and has 40 years' experience rehabilitating historic houses. He has illustrated this authoritative book with hundreds of step-by-step photos, illustrations, charts, and decision-making guides. Interspersed throughout are photo essays of 13 restored historic houses representing a range of periods and architectural styles: Italianate, Victorian, Queen Anne, Federal, Colonial, Colonial Revival, Greek Revival, Ranch, Adobe, Craftsman, Shingle, and Rustic. With interior and exterior photography by David Clough, these multi-page features show what can be achieved when a historic home is renovated with a desire to preserve or restore as much historic character as possible.

**From the Other Side**-Thomas Arllan 2017-07-26 The purpose of writing this book is to share life and God from a wholly different perspective and do my part in the restoration of God's great kingdom. I will do this by sharing my life and it's unfolding to the present and where I see things going from here. I have had many vision and experiences since being a young child and lived as a monk for 19 years in my 20s and 30s. The journey continues but it is time for me to write it down and share the first four acts of my life as a prelude to the fifth. It is time for us to wake up as humanity, as God's children, to love one another, to lift each other up, to actualize our full potential and birth rights. We are in a time in history that has a lot of awakening happening around the world. As it does, so also the darkness is fighting for its life; and... it... plays... dirty. Doing everything it can to insert seeds of darkness, doubt, fear, and the fostering self-centeredness into everything and everyone. For a long time the world has been descending into darkness, through a process of political corruption, greed, selfishness, the destruction of innocence, and spiritual corruption. The direct perception of God, the truth, divinity, and our amazing birthrights as children of the most high is possible for everyone while living. It is hidden beneath so much confusion and darkness manifesting in every area of our lives. That we have been losing our way more and more for a very long time. This is all part of God's plan. It is happening so each person can decide for themselves who they are going to be... or to make it more personal... who are you choosing to be. But the time for the turning is almost here. So in this book I will share some quite amazing things that will hopefully open your eyes to a world that

So if God is in your heart by inviting him in as often as you remember, and you love him and his kingdom with every fiber of your being, then you have nothing to fear. No matter how things may appear in any moment, never lose your faith. Stay focused on God's love, you are under his protection. We are all together. God is with us, here and now. Heaven is literally all around us at all times, just outside of our perception. Who Are You Choosing To Be

**Shattered Residue**-Anastasia Bratescu 2016-06-30 I was born in jail but that was just the beginning. I was going through unbearable things for the young age that I was. Feeling like my legs would give out from under me every step I made. Collecting the thoughts from my head with each side walk I walked, stopping at each street I crossed; because at the cross walk, we're taught from a young age to look both ways, that thought instinctively took over until I was safely across the street. I overcame obstacles that I thought would surely be what defeated me. During that, there was never an "Are you okay?," "Whats going on with you?," "Can I come see you?," "Is

there something I can do?," "So I heard one side, whats yours?" While I was screaming in my head, "I AM NOT OKAY! WHAT CAN BE DONE?! IS EVERYONE COMPLETELY OBLIVIOUS TO THIS PAIN OR HAVE I HIDDEN IT TOO WELL?" There was never a benefit of the doubt given, never some one to realize the difference between me doing okay and genuinely feeling okay. Never someone to help out if my environment was not conducive for my growth. No blanket of protection for me to be swaddled in. No way out of the Administration for Children Services (ACS) or the system. I've always had good intentions, even if my actions weren't agreed with, they were always justifiable. I was not selfish with love, time or care BUT that's what you get when you think you can save the world. You only end up more broken.

**Restore Me Now**-Angelo Moe 2018-07-10 LIFE is filled with swift transitions but how many of those transitions have been caused by our own doing? If we are all honest, with ourselves and those around us, we have all made mistakes that we wish we had another chance to rectify. However, life is only in 'play' mode and there is no rewind button for us to try again. This can be a discouraging fact for many who have fallen in the past, committed sin, made mistakes, was taken advantage of, or was robbed of significant opportunities. I am familiar with these experiences and am blessed to provide God-given revelation on how only HE can put broken pieces back together again. In this book, the journey to restoration is described with empathy and transparency and I am offering detailed wisdom I developed in my own moments of personal failure. When I was down and admitted it was of my own accord, I was able to ask God to Restore Me Now!
