The David Story: A Translation with Commentary of 1 and 2 Samuel

Robert Alter
2009-10-21 "A masterpiece of contemporary Bible translation and commentary."—Los Angeles Times Book Review, Best Books of 1999 Acclaimed for its masterful new translation and insightful commentary, The David Story is a fresh, vivid rendition of one of the great works in Western literature. Robert Alter's brilliant translation gives us David, the beautiful, musical hero who slays Goliath and, through his struggles with Saul, advances to the kingship of Israel. But this David is also fully human: an ambitious, calculating man who navigates his life's course with a flawed moral vision.

The consequences for him, his family, and his nation are tragic and bloody. Historical personage and full-blooded imagining, David is the creation of a literary artist comparable to the Shakespeare of the history plays.

She Reads Truth-Raechel Myers 2016-10-04 She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God

and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away.
