Life doesn't have to be that way. You can fool-proof your life...as this book shows. God's promise and pattern is for something better. In The Best Question Ever, Andy Stanley effectively teaches the practical and lasting value of simply asking this question about our actions in all of life's arenas: What is the wise thing for me to do, in light of my past experience, my present circumstances, and my future hopes and dreams? This book probes for honesty —it pushes us to open our eyes to reality and helps us expose the little (and big) self-deceptions we have. Prepare yourself. You are about to be introduced to a single question that will revolutionize the way you make decisions. Over the past twenty years, speaker and author Andy Stanley has shared the power of this question with thousands of students and adults all over the country. In this ground-breaking new book, Andy provides you with a filter through which to evaluate every decision in every arena of your life. As you are about to discover, the Best Question Ever will bring clarity to decisions involving your finances, your love life, your schedule, even your career.

**Smart Choices**-John S. Hammond 2015-07-21 Become confident in your choices. Where should I live? Is it time to get a new job? Which job candidate should I hire? What business strategy should I pursue? We spend the majority of our lives making decisions, both big and small. Yet, even though our success is largely determined by the choices that we make, very few of us are equipped with useful decision-making skills. Because of this, we often approach our choices tentatively, or even fearfully, and avoid giving them the time and thought required to put our best foot forward. In Smart Choices, John Hammond, Ralph Keeney, and Howard Raiffa—experts with over 100 years of experience resolving complex decision problems—offer a proven, straightforward, and flexible roadmap for making better and more impactful decisions, and offer the tools to achieve your goals in every aspect of your life. Their step-by-step, divide-and conquer approach will teach you how to: • Evaluate your plans • Break your potential decision into its key elements • Identify the key drivers that are most relevant to your goals • Apply systematic thinking • Use the right information to make the smartest choice Smart Choices doesn't tell you what to decide; it tells you how. As you routinely use the process, you'll become more confident in your ability to make decisions at work and at home. And, more importantly, by applying its time-tested methods, you'll make better decisions going forward. Be proactive. Don't wait until a decision is forced on you—or made for you. Seek out decisions that advance your long-term goals, values, and beliefs. Take charge of your life by making Smart Choices a lifetime habit.

**Irresistible**-Andy Stanley 2018-09-18 A book for anyone who cares deeply about the future of the church. Once upon a time there was a version of our faith that was practically . . . irresistible. But that was then. Today we preach, teach, write, and communicate as if nothing has changed. As if “The Bible says it,” still settles it. It's time to hit pause on much of what we're doing and consider the faith modeled by our first-century brothers and sisters who had no official Bible, no status, and humanly speaking, little chance of survival. What did they know that we don't? What made their faith so compelling, so defensible, so irresistible? Buckle up . . . you're about to find out. More importantly, Andy will invite you to embrace the version of faith that, against all odds, initiated a chain of events resulting in the most significant and extensive cultural transformation the world has ever seen. A version we must embrace if we are to be salt and light in an increasingly savorless and dark world. “More than any other book I've read in years, Irresistible has stretched my view of Scripture. I can't hear or read a passage from the Old or New Testaments without thinking about Andy's provocative insights. If you and I take this book seriously, our lives and our churches will never be the same.”—Kara Powell, PhD, executive director of the Fuller Youth Institute and coauthor of Growing Young “Irresistible is like a once-in-a-generation shot across the bow. Andy Stanley takes a lifetime of accumulated insight and wisdom about the Christian faith, history, and why the church isn't connecting with our current culture, and combines them together in a masterpiece work.” —Carey Nieuwhof, author and founding pastor, Connexus Church “Warning: This book will set you and your ministry back—back to the first century and the approach to advancing the gospel modeled by Jesus and the apostles. Andy reminds us that the resurrection was at the center of the first-century apologetic. Then he challenges twenty-first century believers to reclaim it as the center of ours as well. I agree with Andy—this approach changed the world once. I'm convinced it could do so again. Read and apply now!”—Frank Turek, Christian author, public speaker, and radio host “This book challenged me to rethink my thoughts about the Old Testament, discuss with fellow believers what I was learning, do more connecting and less correcting of others, and be salt and light, making things better and brighter. I love how Andy loves people . . . ALL of them.”—John Maxwell, author of The 360 Degree Leader “It's time for the church to rethink how it presents a timeless gospel to this generation. In Irresistible, Andy Stanley challenges us to make sure we handle the Scriptures with the kind of integrity that compels everyone to seriously consider following Jesus. Any Christian who reads this book will suddenly find themselves embracing the mission of Jesus with a new passion.”—Reggie Joiner, author; founder and CEO of Orange “Andy Stanley takes you on a historic journey to rediscover the first-generation passion of what it means to faithfully follow Christ. This book will knock you off center, push you out of complacency, and awaken an unshakable faith that cannot be ignored.”—Craig Groeschel, pastor of Life.Church and author of Hope in the Dark—Believing God Is Good When Life Is Not

foundation for true success. The Secret to a Life with No Regrets How important is your character? It determines everything about you! How much you will accomplish in life, and whether you are worth knowing. How you will respond to success, and how you will weather the inevitable storms of life. This is a book about uncompromised living. It is about choosing every day to be a man or woman of integrity, a person whose actions speak louder than words. Bestselling author Andy Stanley challenges you to become what you were meant to be: a person whose commitment to doing the right thing, whatever the cost, will inspire others and change your world. Story Behind the Book As a pastor, I spend a substantial amount of my time with people who are digging themselves out from personal environmental catastrophes—circumstances that were often years in the making but “took them by surprise.” Another group of people have faced, or are facing, storms of life that are not of their own making, storms created by the character deficits of others—storms that are a natural part of a fallen world. There, in the midst of unjust treatment and seemingly undeserved pain, the true character of a man or woman is revealed. What you see in such moments is what was really there all along. This book is about change. It’s about the process of taking raw materials and molding them, shaping them, and refining them into a finished product. Whether you know it or not, that process is happening in you. Your character, not your accomplishments or acquisitions, determines your legacy.

**The Art and Science of Making Up Your Mind**-Rex V. Brown 2019-07-09 The Art and Science of Making Up Your Mind presents basic decision-making principles and tools to help the reader respond efficiently and wisely to everyday dilemmas. Although most decisions are made informally (whether intuitively without deliberate thought, or based on careful reflection), over the centuries people have tried to develop systematic, scientific and structured ways in which to make decisions. Using qualitative counterparts to quantitative models, Rex Brown takes the reader through the basics, like ‘what is a decision’ and then considers a wide variety of real-life decisions, explaining how the best judgments can be made using logical principles. Combining multiple evaluations of the same judgment ("hybrid judgment") and exploring innovative analytical concepts (such as "ideal judgment"), this book explores and analyzes the skills needed to master the basics of non-mathematical decision making, and what should be done, using real world illustrations of decision methods. The book is an ideal companion for students of Thinking, Reasoning and Decision-Making, and also for anyone wanting to understand how to make better judgments in their everyday lives.

What do we want to be known for? Working with companies like Chick-fil-A and the Atlanta Braves, then serving as a pastor for 15 years at one of the country's largest and most influential churches, North Point, Jeff knows what success looks like for healthy organizations and healthy lives. **The Come Back Effect**-Jason Young 2018-07-31 The key to growth as a church, youth ministry, or a business is getting first-time guests to come back. And as any good manager of a hotel, a store, a restaurant, or an attraction knows, the key to getting guests to come back is not actually the rooms or the product or the food itself; it's how guests feel when they're there. It's about hospitality. No matter how much effort and time we spend on excellence--stirring worship time, inspiring sermons, a good coffee blend in the foyer--what our guests really want when they come to our churches is to feel welcome, comfortable, and understood. Written by a church consultant and a hospitality expert, The Come Back Effect shows church, ministry, and even business leaders the secret to helping a first-time guest return again and again. Through an engaging, story-driven approach, they explain how service and hospitality are two different things, show how Jesus practiced hospitality, and invite leaders to develop and implement changes that lead to repeat visits and, eventually, to sustained growth.

**The Last Days of Jesus**-Bill O'Reilly 2014-04-01 Two thousand years ago, Jesus walked across Galilee; everywhere he traveled he gained followers. His contemporaries are familiar historical figures: Julius Caesar, Caesar Augustus, Herod the Great, Pontius Pilate. It was an era of oppression, when every man, woman, and child answered to the brutal rule of Rome. In this world, Jesus lived, and in this volatile political and historical context, Jesus died—and changed the world forever. Adapted from Bill O'Reilly's bestselling historical thriller Killing Jesus, and richly illustrated, The Last Days of Jesus is a riveting, fact-based account of the life and times of Jesus.

**iMarriage Study Guide**-Andy Stanley 2010-04-14 Until Expectations May You Part Giddy with excitement and burning with love's fire, engaged couples are filled with desires and expectations! Wonder and eager anticipation propel them forward. Then comes the marriage and if they take the wrong approach, those unrealized expectations and unmet wants can turn a life-giving covenant relationship into a dead-end contractual agreement. Suddenly your marriage has no love, joy, or peace. In this marriage-makeover DVD and study guide from Northpoint Resources, Andy Stanley 's three key teachings help you transform your expectations and examine the "I's" of marriage: "Keeping My 'I' On You," "Putting Your 'I' Out," and "It Takes Three." Broken into six DVD sessions with discussion questions, this is one lesson your marriage won't survive without. Until Expectations Do Us Part Standing at the altar we all had a picture of what our marriage would look like. The problem is this picture of marriage ends up as expectations that we unload on our spouse. The weight of these expectations will rob your marriage of love and joy. As a spouse you never feel like you measure up and you never feel like you are good enough. So what are you to do with your expectations? You can't deny them because most expectations started out as God-given desires. In this six-session companion study guide to the DVD, Andy Stanley explains that you must instead learn to transform your expectations and look to God if you are to experience marriage as it was designed. This study guide is complete with a leader's guide and six lessons including conversation-starting exercises, discussion questions and application steps. Story Behind the Book Andy Stanley is the senior pastor of three North Point Ministries campuses, with a cumulative congregation of more than twenty thousand. As couples voiced their various marital struggles to him, the common root problem became undeniably clear. The "me" syndrome, or the "I" effect, was tearing apart husbands and wives who were once head-over-heels in love. To help couples step back from their immediate circumstances and realize the bigger picture, he preached a series called "iMarriage." This DVD and study guide will empower couples everywhere to transform their marriages into the one God intends for them.

**Deep and Wide**-Andy Stanley 2016-02-09 Andy Stanley's bestselling and award-winning vision for the local church now includes bonus content: a study guide, church staff helps, and an interview with Andy on the most frequently asked questions about Deep and Wide. With surprising candor and transparency pastor Andy Stanley explains how one of America's largest churches began with a high-profile divorce and a church split. But that's just the beginning... For the first time, Andy explains his strategy for preaching and programming to "dual audiences": mature believers and cynical unbelievers. He argues that preaching to dual audiences doesn't require communicators to "dumb down" the content. According to Stanley, it's all in the approach. You'll be introduced to North Point's spiritual formation model: The Five Faith Catalysts. Leaders responsible for ministry programing and production will no doubt love Andy's discussion of the three essential ingredients for creating irresistible environments. For pastors willing to tackle the challenge of transitioning a local congregation, Andy includes a section entitled: Becoming Deep and Wide. If your team is more concerned with who you are reaching than who you are keeping, the expanded edition of Deep & Wide will be more than a book you read; it will be a resource you come back to over and over! "Couldn't be prouder of my son, Andy. And I couldn't be more excited about the content of this book. I wish a resource like this existed when I was starting out in ministry." - Dr. Charles Stanley, Founder, In Touch Ministries "Deep and Wide pulls back the curtain for all of us to see what is required behind the scenes to build a prevailing church. I was both challenged and inspired by this book." - Bill Hybels, author of Just Walk Across the Room "The most common question I get from pastors is, 'How do I get the people in my church to be open to change?' From now on my answer will be, 'Read Deep and Wide by Andy Stanley'. Thanks Andy. Great book!" - Craig Groeschel, Pastor, LifeChurch.TV, author, It: How Churches and Leaders Can Get It and Keep It "It is completely false that churches must sacrifice quality to get quantity, must artificially choose between evangelism and discipleship, or cannot have depth and growth at the same time. Few prove this fact better than the ministry of Andy Stanley, who has grown North Point Community Church on purpose and with passion. No Christian leader can afford to miss this book." - Rick Warren, pastor, Saddleback Church; author, The Purpose Driven Church

In this deeply personal yet remarkably universal book, Sam Collier tells his inspiring story of abandonment, sacrifice, gratitude, and rescue, revealing how God is always doing something bigger and better than we might imagine. **Relational Intelligence**-Dharius Daniels 2020-01-28 Considering Jesus's relational model for choosing the twelve disciples, Relational Intelligence will walk you through how to assess your relationships, define them, discern them, align them, and finally activate your relationships to unlock your greatest potential. Years of ministry leadership experience and personal experience have convinced Dr. Dharius Daniels: there's no such thing as a casual relationship. All relationships are catalytic - either pushing us forward into our God-given purposes or holding us back. Our spiritual, physical, financial, emotional, and professional progress is greatly impacted by who we allow to be a part of our lives and what part we allow them to play. With our destiny on the line, relationships are too consequential to nonchalantly roll the dice in managing them. Relational Intelligence is your action plan for getting smart about your purpose partners. Relationships were God's idea, writes Daniels, and when we understand and apply what God has to say about them we end up avoiding unnecessary relational turmoil, advancing in all areas of our life, and accomplishing our God-given purpose. When your purpose is on the line, the cost of relational unintelligence is too great to pay. In this book, you will explore and learn how to activate the relational intelligence you need for the life of purpose you want.
