He gave them everything they needed. And with his own hands Shaddai built a protective wall around their village, rock by rock. He did all of this for just one reason—because he loved them. One day Paladin, the village’s most curious child, discovers something troubling about the wall. Something that makes him wonder about Shaddai’s love. Could there be a mistake? Young Paladin is about to discover the answer. And when he does, he will come to understand just how deeply he is loved. And so will you. Everything God does for your children, He does because of love. He protects them. He listens to their prayers. He provides for their needs. He even gives warnings and sets boundaries—for no other reason than love. As an adult you already know this. Now your children can know it too through this captivating tale, which was first published in the award-winning children’s bestseller Tell Me the Story. Let this timeless story of a curious boy’s choice and a caring man’s sacrificial response help you make the infinite love of their Heavenly Father as real to your kids as your own love. Expository Parenting-Josh Niemi 2017-10-08 There is much to be said for men and women who courageously evangelize on college campuses, in prisons, and near shopping centers. After all, the Bible indicates that disciples are primarily made by going out to meet lost people where they are. But make no mistake about it: if you’re a parent, The Great Commission has come to you—in a bassinet, a booster seat, or a bunk-bed. While other parenting philosophies rely on “what seems to work” (i.e. pragmatism), “what we’ve always done” (i.e. traditionalism), or “what’s right for us” (i.e. relativism), a better perspective is founded upon a biblical approach: teaching the full counsel of God and allowing Scripture to do its work in a child’s heart. How do we accomplish this? We must examine the Bible’s instructions for pastors, and then apply those principles in the home. In other words, just as the preacher must be committed to expository preaching, so too must the parent be committed to expository parenting.

Princess to Queen-Michael W. Simmons 2017-05-25 Elizabeth II, at the age of 91, is the longest-reigning monarch ever to sit on the throne of England. Most people living today have no memory of a time when she was not Queen. But when she was born, no one knew she was destined to rule. Her father, the Duke of York, was only the second son of George V. His dashing playboy brother was Prince of Wales and heir to the throne. It wasn’t until King Edward VIII abdicated his throne to marry Wallis Simpson in 1936 that the Princess Elizabeth, then ten years old, knew the course that her life was to take. From the unlikely romance that united her parents, to the abdication that nearly toppled the monarchy, this biography will introduce you to the Princess who came before the Queen. Set apart from other children and sheltered by her parents, her steadiness of character nonetheless enabled her to help fight the Nazis in World War II and overcome steep obstacles in order to marry the man she loved. These were the years that forged the character of the woman whose 65-year reign has seen her country through the second half of the 20th century and beyond.
