Digital Alchemy-Bonny Pierce Lhotka 2010-12-20 In Digital Alchemy, acclaimed printmaker Bonny Pierce Lhotka shows how to turn your standard inkjet printer into a seemingly magical instrument capable of transforming your printed images into true works of art. Using plenty of visuals and straightforward terms, Lhotka walks you step-by-step through over a dozen projects. Forget printing on boring old paper, in Digital Alchemy, you'll learn how to transfer and print images to a variety of surfaces including metal, wood, fabric, stone, and plastic using the techniques Lhotka's spent years developing. If you're a photographer looking for new ways to personalize your work or a digital artist who's ready to take your work to the next level, you'll find all of the tools, techniques, and inspiration you need in this book. Lhotka's enthusiasm for experimenting with unusual printing materials and processes has led her to create new and amazing transfer techniques, including one that resembles a Polaroid™ transfer on steroids. She also shows you how to make prints using unexpected, everyday materials such as hand sanitizer and gelatin. You'll even learn direct printing, the technique for sending your custom substrate through your printer almost as if it were paper. In Digital Alchemy, you'll learn how to: Transfer images to metal, wood, plastic, and other materials that will not feed through an inkjet printer Print directly on metal for a fraction of the cost of using a print service Simulate a print from an expensive UV flatbed printer using an inexpensive desktop printer Use carrier sheets and paintable precoats to print on almost any surface Achieve near-lithographic quality digital prints with transfer processes to uncoated fine art paper In addition to the tutorials in the book, you can watch Lhotka in action on the included DVD-ROM, which has over 60 minutes of video footage where you'll learn how to perform an alcohol gel transfer, transfer an image to a wooden surface, use your inkjet printer to achieve remarkable prints, and more. Simply insert the DVD-ROM into your computer's DVD drive. Note, this DVD-ROM will not work in TV DVD players.

Seizure-Kathy Reichs 2011-10-18 Lost treasure. Perilous adventures. Deadly foes. Tory and her friends are just starting to get a handle on their super-heightened wolf-like capabilities—contracted during a medical experiment gone horribly wrong—when they find out funding is being pulled from the institute where their parents work. The pack now faces its greatest fear—separation. So when Tory stumbles across ancient lore hinting at a lost pirate treasure, the Virals devise a risky plan that pits them against fiendish traps, headless corpses, and deep underground tunnels. But they're not the only ones looking, and the competition could be lethal. They'll need to work as one mystery-solving canine force if they to hope to uncover the lost fortune, save the institute, and stick together!

At the tree farm, however, amid all the excitement of finding the perfect specimen, George gets carried away, as usual—atop his favorite tree! Hiding in the tree's branches, George finds himself delivered to the local children's hospital, where his tree trimming antics cheer the children and he gets to meet a jolly man in a bright red suit.
The Last Layer -Bonny Pierce Lhotka 2013-04-09 In The Last Layer—the follow-up to Digital Alchemy, her successful book on alternative printmaking techniques—Bonny Lhotka teaches how to make prints that take their inspiration from early printmaking processes. In this book, Lhotka shows readers step-by-step how to create modern-day versions of anothotypes, cyanotypes, tintypes, and daguerreotypes as well as platinum and carbon prints. She also reinvents the photogravure and Polaroid transfer processes and explores and explains groundbreaking techniques for combining digital images with traditional monotype, collograph, and etching press prints. By applying these classic techniques to modern images, readers will be able to recreate the look of historical printmaking techniques and explore the limits of their creative voice. Best of all, the only equipment required is a desktop inkjet printer that uses pigment inks, and a handful of readily available materials and supplies—not the toxic chemicals once required to perform these very same processes. Leveraging her training as a traditional painter and printmaker, Bonny Lhotka brings new innovations and inventions that combine the best of centuries of printmaking technique with modern technology to create unique works of art and photography. After years of experimentation and development, these new processes allow alternative photographers, traditional printer makers, and 21st century digital artists to express their creative voice in ways never before possible.

The Emergency Zoo -Miriam Halahmy 2016-05-26 What happened to the animals before and during the war is glossed over. This book fills perfectly a gap in children's war literature and it's a subtle fable about asylum seekers. It is late August 1939: Britain is on the brink of war, and preparations are under way to evacuate London's children to the countryside. When twelve-year-old Tilly and her best friend Rosy find out that they will not be able to take their beloved dog and cat with them – and that, even worse, their pets will, along with countless other animals, be taken to the vet to be put down – they decide to take action. The two girls come up with the idea of hiding them in a derelict hut in the woods and, when other children find out and start bringing their rabbits, guinea pigs and hamsters, their secret den turns into an emergency zoo. Inspired by real events during the Second World War, Miriam Halahmy's novel is a touching tale of courage, resourcefulness and camaraderie in desperate times, as well as a stirring defence of animal welfare.

Snuff -Bonny Capps 2016-05-24 WARNING: This book is not just dark - it's horrific, depraved and disturbing. If you do not enjoy books containing blood, guts, taboo and more - this book is not for you Sofa: I remember the days when it was me and the ice. The jarring sounds that my skates would make when they'd slice through my frozen stage... remembering my mother's smiling face as she watched me perform. She was so proud. She was the best. Then she was taken suddenly. I never even got to say goodbye. It was her wish that I go to Russia to discover my roots, and I did. I never, in a million years, would foresee what would happen after that. In order to survive, sometimes you have to do things that you're not proud of. My entire life has been a performance. At first, it was the ice. And now... it's behind an 8 millimeter camera. The second book in this series will be released summer 2016.

The Long Night -Jessica Kantrowitz 2020-05-19 You've done what you can: you've seen your doctor, made an appointment with a therapist, picked up the prescription for the antidepressant and swallowed that first strange pill. But it can take four to eight weeks for the meds to start to work, and it might take two or more tries before you and your doctor find the ones that work best for you. When you're in the midst of terrible depression, those weeks can feel like an eternity. You just want to feel better now. This book is for those who are in the long night of waiting. It does not promise healing or deliverance; it is not a guide to praying away the depression. It is simply an attempt to sit next to you in the dark while you wait for the light to emerge. Drawing on the wisdom of spiritual figures from the past and present—including Henri Nouwen, Thomas Merton, Barbara Brown Taylor, Bunmi Laditan, and many others--The Long Night is a comforting and inspirational companion for anyone in the midst of depression. Writer, editor, and minister Jessica Kantrowitz has been where you are. As a mentor and friend, she will walk with you on this journey toward life and light.
Deathstroke Vol. 4: Family Business -James Bonny 2017-04-04 DEATHSTROKEËS LAST STAND! Slade Wilson, the unstoppable mercenary known as Deathstoke, has left more than his fair share of bodies in his wake. And now one of them has come back to return the favor. Five years ago, Deathstroke left his former partner Wardell Chambers for dead on a contract gone wrong in Kahndaq. Now calling himself Lawman, Chambers has returned, this time with the power to bend minds to his will, manipulating everyone around Slade in an elaborate game of deception in order to exact his revenge. With the lives of his children, Rose and Jericho, at stake, Slade is forced to form an alliance with the last person he ever thought possible—none other than RaËs al Ghul, leader of the League of Assassins. But RaËs al Ghul never makes a move without an ulterior motiveË Caught between the League of Assassins on one side and an army of mercenaries led by Lawman on the other, thereËs only one question left for Deathstroke to answer: Who will be the last killer standing? From writer James Bonny (THE SAVAGE HAWKMAN) and artists Tyler Kirkham (TEEN TITANS) and Paolo Pantalena (RED HOOD/ARSENAL), DEATHSTROKE VOL. 4: FAMILY BUSINESS brings the baddest villains in the DC Universe to the ultimate showdown! Legendary Pirates -Charles River Charles River Editors 2018-02-28 *Includes historic illustrations of Anne Bonny and important people in her life. *Includes a profile of Anne Bonny from the famous English pirate history "A General History of the Pyrates". *Discusses common legends about Anne Bonny and what is known and unknown about her. *Includes a Bibliography for further reading. "The Day that Rackam was executed, by special Favour, he was admitted to see her; but all the Comfort she gave him, was, that she was sorry to see him there, but if he had fought like a Man, he need not have been hang'd like a Dog." - Captain Charles Johnson, A General History of the Robberies and Murders of the most notorious Pyrates The people who have lived outside the boundaries of normal societies and refused to play by the rules have long fascinated the world, and nowhere is this more evident than the continuing interest in the pirates of centuries past. As the subjects of books, movies, and even theme park rides, people continue to let their imaginations go when it comes to pirates, with buried treasure, parrots, and walking the plank all ingrained in pop culture's perception of them. Charles River Editors' Legendary Pirates series covers the lives, piracy, legends, myths, and legacies of history's most famous pirates. One of the most famous pirates of all time, and possibly the most famous woman to ever become one, was Anne Bonny. The Irish-born girl moved with her family to the Bahamas at a young age in the early 18th century, which at that time was a hotbed for piracy by the likes of Blackbeard, but the redhead with a fiery temper would go on to forge her own reputation. After marrying a poor sailor who accepted clemency to give up piracy, Anne began a legendary affair with Calico Jack Rackam and became pregnant with his child, but that did not stop them from plundering the high seas aboard his pirate ship Revenge, at least until they were captured by British authorities. Anne avoided execution by "pleading her belly", getting a temporary stay of execution due to her pregnancy. It is at that point that Anne Bonny drops off the historical record and becomes the stuff of legends. It's unclear whether she was eventually executed or pardoned or even ransomed, and it's unclear what became of her child. Her relationship with Mary Read aboard the Revenge is also the stuff of legends, and people have been filling in the gaps ever since. Legendary Pirates: The Life and Legacy of Anne Bonny looks at the mysterious life and legends of the famous female pirate, attempting to separate fact from fiction while analyzing her lasting legacy. Along with pictures depicting Anne Bonny and important people in her life, you will learn about the famous pirate like you never have before, in no time at all.
The Big Horse -Joe McGinniss 2010-06-15 "The big horse," in racing vernacular, is the animal that brings fame and fortune to a stable. He's the heavyweight champion, the All-American quarterback, the four-legged Michael Jordan of the barn. Seabiscuit was once Tom Smith's "big horse." A generation ago, Secretariat was Lucien Lauren's. In 2003, Funny Cide was Barclay Tagg's. In sixty years as a trainer, P. G. Johnson had never had one -- until Volponi. P. G. Johnson was a blue-collar wizard, a hardscrabble tough guy who had come east from Chicago, determined to make his mark on New York. And he did. He became leading trainer at all three New York tracks -- Saratoga, Belmont, and Aqueduct -- as well as at Florida's Tropical Park. And he did it without ever winning a Triple Crown or Breeders' Cup event, or having "the big horse." "I never knew how to kiss rich people's asses, and I got too old to learn. If no owner was going to give me a big horse, I figured I'd have to find one myself," he said. He did that, in his seventies, buying a mare for \$8,000, breeding her to a \$20,000 stallion, and in 1998 producing Volponi, the horse that would change his life. In October 2002, weakened by surgery and radiation treatment for cancer, P. G. watched Volponi -- the longest shot in the field at 43 to 1 -- bring home more than \$2 million by winning the Breeders' Cup Classic, the richest race in America. The following summer at Saratoga, McGinniss -- journalist, investigative reporter, and horse racing obsessive -- began showing up, more Tuesdays with Morrie than Guys and Dolls, at P. G.'s barn in the predawn hours to listen to the inside racing stories and lore P. G. had gathered. McGinniss came to appreciate that Johnson was not only a stellar horseman but an American original whose wit and wisdom carried far beyond the confines of the racetrack. As for Volponi, the big horse had given P. G. the perfect Disney ending with the Breeders' Cup victory, and, indeed, Disney soon bought film rights to P. G.'s life story. "He'll be even better next year," P. G. had said, but by the time McGinniss got to Saratoga, Volponi had not won a race in nine months. His faith undiminished, P. G. continued to race Volponi against the best, at Saratoga and beyond, until in the end it came down to the 2003 Breeders' Cup Classic in Santa Anita, a race only one horse in history had ever won twice. As fires burned in the Southern California hills, Volponi -- with Funny Cide's jockey, Jose Santos, in the saddle -- ran the last race of his life. This book is about what happened that day, about what came after, and about much of what had come before. It's the most exciting, rewarding, and heartwarming story about the world of horse racing that you'll ever read, by one of America's finest writers, at the top of his form.

The Lord God Made Them All -James Herriot 2011-11-15 Adventures in the English countryside and beyond with the Yorkshire veterinarian and #1 New York Times–bestselling author of All Creatures Great and Small. When World War II ends and James Herriot returns to his wife and new family in the English countryside, he dreams mostly of Sunday roasts and Yorkshire puddings, but new adventure has a way of tracking him down. Soon Herriot finds himself escorting a large number of sheep on a steamer to Russia, puzzling through the trials of fatherhood, and finding creative ways to earn the trust of suspicious neighbors who rely on him for the wellbeing of their beloved animals. Herriot's winning humor and self-deprecating humanity shine through every page, and his remarkable storytelling has captivated readers for generations. “This is Herriot at his best,” said the Washington Post of this New York Times bestseller by the author of All Things Bright and Beautiful and Every Living Thing. The Lord God Made Them All is a true story of postwar England that, according to the Columbus Dispatch, “just explodes with the joy of living and loving and caring.”
