Homeopathy -Alan V. Schmukler 2006 Effective, safe, affordable, and free of chemical side effects-the benefits of homeopathy are endless! Already established in the national health care systems of England, France, and the Netherlands, homeopathic treatments are used by over five hundred million people worldwide. Alan Schmukler's Homeopathy discusses the history and science of this alternative medicine and provides a comprehensive list of proven remedies-safe for people and animals. Packed with homeopathic treatments for arthritis, colds, food poisoning, insomia, Lyme disease, morning sickness, wounds, and a host of other ailments and injuries, this handy reference guide also includes information on homeopathic immunization and first aid. Schmukler gives helpful instructions for matching remedies with symptoms, ingesting them correctly, making remedies at home, and stretching your supply. Praise: "This book is a joy to read, easy to understand, comfortable to use. Whether you are a neophyte or an old-hand in your knowledge of homeopathy, you will benefit from having this book in your library. It is one of the most comprehensive acute care books on the market." LILIPOH Magazine "Schmuckler's handbook is a comprehensive modern look at the 200 most commonly used remedies that should help satisfy everyone's health questions through homeopathy." Alive Magazine "Heaven forbid we should find ourselves responding to a life-threatening or cataclysmic event, but if we did, this book would be a godsend! Alan believes homeopathy is 'magical, exciting, and empowering.' Having his book, already dog-eared and visibly well-loved, certainly makes me feel empowered!" Homeopathy Today
Homeopathy -Andrew Lockie 2000 Intended as an introduction to homeopathy, this book provides step-by-step guidance to the methods used for the preparation of remedies. It includes tips on how to treat yourself when conventional solutions have failed.
Everybody's Guide to Homeopathic Medicines -Stephen Cummings 1986
The Parent's Guide to Homeopathy -Shelley Keneipp 2015-07-14 This book is the most comprehensive and easy-to-use guide available for parents who want to use homeopathy to treat their children's illnesses safely, gently, and effectively. Practical, concise, and user-friendly, The Parents' Guide to Homeopathy provides homeopathic remedies for more than 150 acute conditions, from annoying to threatening, that arise in the everyday lives of kids. Instructions on how to observe physical and emotional symptoms in kids from newborns to teens; succinct descriptions of gentle, safe, and nontoxic remedies; and sections on winter ailments, first-aid, enhancing healing, and travel put a wealth of knowledge at parents' fingertips. Remedy tables at the back of the book help decipher the correct treatment for each condition. Shelley Keneipp shares her wealth of knowledge and many years of experience to provide a clear, simple education concerning homeopathic remedies. She empowers parents who want to break the habit of relying exclusively on medical expertise and instead to use relatively economical over-the-counter remedies without worrying about harmful side effects. She suggests essential remedies to stock for any household first aid kit; provides background on common ailments such as coughs, colds, fevers, and digestive problems; and includes eye-catching sidebars that alert readers to conditions that demand immediate medical attention. Boxed entries clue readers to what symptoms to observe and how to differentiate between similar presentations. Taken together, these features make this book the gold standard for parents who want apply the gentlest possible cure in the shortest possible time with the fewest reasons for intervention.
Homeopathic Self-care -Robert Ullman 1997 Homeopathy Is Now as Easy as 1, 2, 3 Homeopathy is growing in popularity by leaps and bounds. More and more people are realizing that it really does work, and can be used to treat a wide range of common health problems. Now, thanks to a new book by best-selling authors Judyth Reichenberg-Ullman and Robert Ullman homeopathy can be used easily, safely, and effectively by anyone. InHomeopathic Self-Care:The Quick and Easy Guide for the Whole Family,readers will learn to recognize and treat more than 70 specific conditions using a clear, step-by-step approach. It really can be as easy as 1, 2, 3 if youlook, listen,andaskthe right questions. The book is clearly written, and organized in an easy-to-use format that will appeal to anyone interested in learning more about homeopathy. In addition, dozens of the most commonly used homeopathic medicines are listed; a glossary is included; and there are tips for obtaining a homeopathic self-care medicine kit.
The Complete Guide to Homeopathy -Andrew Lockie 1995 The Complete Guide to Homeopathy reveals the key principles of homeopathy, including the way we are categorized into "constitutional" types according to our physical and emotional characteristics. Self-assessment Questionnaire: A specially designed questionnaire, based on what a homeopath might ask during a first office visit, provides unique insight into the link between health and temperament and helps determine which constitutional type you most closely match. Index of Remedies: A photographic index of 150 remedies illustrates plant, mineral, and animal sources, ranging from common foods such as honey to toxic substances such as snake venom. A profile of each remedy gives its historical background, medicinal uses, and its corresponding constitutional type. Treating Common Ailments: Easy-to-use ailment charts show which remedies to take for everyday health problems such as insomnia, anxiety, eczema, and toothaches. Additional self-help treatments are recommended, and there is a quick-reference guide to homeopathic first aid.
Family Guide to Homeopathy -Andrew Lockie 1993-07-07 A comprehensive and authoritative guide for people seeking alternate health remedies that are natural, accessible and effective
The Consumer's Guide to Homeopathy -Dana Ullman 1995 A complete guide to homeopathic medicine details the principles of this powerful healing approach, explaining how to use trigger the body's own self-healing abilities, discussing remedies, dosages, and a wide range of treatment options. Original.
Principles and Practice of Homeopathy -David Owen 2015-05-21 This comprehensive textbook provides a detailed, practical and thorough basis for the understanding and application of the homeopathic process. Drawing on the experience and knowledge of a wealth of contributors, the book offers the foundations for the safe and broadest practice of modern homeopathy. Divided into 6 sections, this book takes the understanding of homeopathy from basic principles to the treatment of acute and chronic illnesses, the first prescription, and difficult, confused and hidden cases. Each section progresses through five themes broadly divided into philosophy, materia medica, case taking, case analyses and case management. Each theme is woven together through the text and, section by section, builds into an essential study guide for the homeopathic student. It provides opportunities for reflection, and invites all practitioners to engage in their own personal and professional development.
The Complete Family Guide to Homeopathy -Christopher Hammond 1995-01-01 A guide to homeopathic remedies shows how many common ailments can be treated at home using plants, herbs, and minerals

Your Natural Medicine Cabinet is an indispensable health resource that you can refer to time and time again.

Homeopathy-Christopher Day 2000 A guide to choosing and using tried-and-tested homeopathic remedies for horses and ponies, with treatment guidelines for a wide range of common ailments and first aid applications. The book presents the advantages of using homeopathic remedies while offering an alphabetical listing and description of common ailments, suggested remedies, and their properties, using the remedies - dosages, storage, how to administer, and most importantly, when to call the vet.

Practical Homeopathy-Vinton McCabe 2000-03-09 For the first time ever, glossaries of comprehensive symptoms and homeopathic remedies collected in one volume. This definitive gude is really two books in one: an introduction to the study and practice of homeopathy and a detailed reference book of symptoms and remedies. Vinton McCabe, a longtime educator of homeopathy practitioners and laypersons, begins with a brief history of the art and discusses the underlying philosophy of homeopathy as contrasted with conventional medicine. The bulk of the book is made up of well-organized, accessible sections covering such topics as symptoms for use in diagnosis, corrective measures for emergencies and/or other easily diagnosed complaints, and a detailed listing of sixty homeopathic remedies and their uses. Practical Homeopathy will appeal to newcomers to homeopathy as well as to enthusiasts.

Homeopathic Psychology-Philip M. Bailey 1995 "The most common personality types recognized by homeopathic practitioners are brought to life in this new book by an insightful physician and homeopath. These thirty-five typologies are described in light of common behaviors, primary emotional tendencies, internal conflicts, and spiritual issues that each of them face. This book is essential for serious students and practitioners of homeopathic medicine, and it will be of use as well to homeopathic patients or anyone interested in typology research." "Understanding these archetypal personalities enables us to better know ourselves, our family, and the people with whom we interact day-to-day."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. The Treatment Of Horses By Homeopathy-George Macleod 2011-07-31 This book is for anyone who is interested in the welfare of horses, and who wishes to know more about treating them with homeoeopathic remedies. Increasing numbers of horse owners and handlers today confirm that homeopathy is a speedy and effective treatment, which can often deal with so-called 'incurable' ailments. As this fascinating guide explains, homeoeopathic remedies are absolutely safe, easy to administer and have no side effects. This authoritative book includes advice on treating horses homeoeopathically for both specific diseases and common ailments.

The Complete Homeopathy Handbook-Miranda Castro 1996 A guide to the use of homeopathy in treating a wide range of complaints. The book includes treatments for: coughs, colds, flu and sore throats; childhood illnesses, such as mumps; food poisoning; a variety of accidents and injuries; and toothache, earache, headache and menstrual cramps.

Homeopathy For Children-Gabrielle Pinto 2008-12-16 Homeoeopathic remedies for all types of ailments and illnesses contracted by children, ideal for helping parents decide which medicine to use.

Emotional Healing with Homeopathy-Peter Chappell 2003 When an individual has not resolved a negative experience, the stored trauma may lead to such physical problems as high blood pressure, asthma, headaches, gastritis, addictive behavior, and learning disabilities. This book adds form and substance to homeopathic healing, aligning older theories in the Organon with modern psychological theory about how disease takes hold in our body.

What's The Remedy For That?-Kathleen K Fry 2017-04-04 Dr. Kathleen Fry explains in a clear, understandable way how you can act as "your own homeopath" to cure acute, common ailments with remedies easily found in your local health food store or pharmacy. You will gain the knowledge and confidence to treat your family with homeopathy to restore vitality, health and wellness, while avoiding or limiting use of costly drugs. This comprehensive reference book explains how homeopathy works, its history and how to choose and take the right remedy in acute situations. Dr. Fry includes helpful case studies from clients who've successfully treated their everyday ailments.

Impossible Cure-Amy L. Lansky 2003 A best-selling introduction to homeopathy for the general public that is also used as a first-year text in many homeopathic schools, Impossible Cure: The Promise of Homeopathy provides an in-depth and exciting account of the history, philosophy, and experience of homeopathic medicine. At the core of Impossible Cure is the amazing story of how the author's son was cured of autism with homeopathy. It also includes dozens of other testimonials of homeopathic cure, for a variety of physical, mental, and emotional conditions. Impossible Cure will serve as an invaluable guide to anyone interested in learning more about this intriguing form of health care. It has won endorsements from leading experts in alternative health care, including: Larry Dossey, MD (executive editor, Alternative Therapies in Health and Medicine, and author of Healing Words); Bernard Rimland, PhD (director, Autism Research Institute); Wayne Jonas, MD (director, Samuelli Institute, and former director, Office of Alternative Medicine, NIH); Michael Castleman (author of The New Healing Herbs and other consumer health books); Louis Klein, RSHom (president, Luminos Homeopathic Courses); and Richard Pitt, CCH, RSHom(NA) (director, Pacific Academy of Homeopathy). About the author: Amy Lansky received her doctorate in computer science from Stanford University in 1983. After many years working at various Silicon Valley research institutions, she made an unusual career move -- she became a student, writer, and promoter of homeopathic medicine. This was prompted by the miraculous cure of her son's autism with homeopathy. She serves on the board of the National Center for Homeopathy and has been active in the national health freedom movement. She is dedicated to helping others -- especially families with autistic children -- discover the curative powers of homeopathy.

Dogs: Homeoeopathic Remedies-George Macleod 2012-05-31 This book is written to satisfy the needs of the increasing numbers of dog lovers who are interested in alternative methods to treat their pets. This comprehensive guide introduces the principles of homeopathy and the nature of homeoeopathic remedies, explaining how remedies can be prepared and administered. There are informative sections on treating the different canine bodily systems and the specific diseases that dogs may suffer from. There is also helpful advice on canine virus and bacterial diseases, as well as the diseases of puppyhood, making this book a must for any dog owner.

Anti-Vaxxers-Jonathan M. Berman 2020 "A presentation of the scientific argument in favor of vaccination, which probes the consequences, origins and impact of the the anti-vaccination movement"--

The Practical Handbook of Homeopathy-Colin Griffith 2012-01-01 Increasingly, people are turning to homeopathy and they're eager to know more about what's safe and effective. They'll find the trustworthy, comprehensive, and user-friendly advice they're seeking in this supremely practical handbook. It answers all the most frequently asked questions, explaining exactly how homeopathic remedies work, which to choose for specific ailments, and when to call a professional. A huge section is devoted to different aspects of health, starting with accidents and emergencies, and proceeding through every facet of physical and psychological care. Of special interest: a list of 50 commonly needed remedies for acute conditions that can be safely kept in the house and how to store them. With information on diagnosis, treatment, prevention, and cure, this is an invaluable addition to every home.

Homeopathy in Practice-Iqbal Husain 2020-11-13 Homeopathy is an alternative, complementary, cost effective, and very safe Healing System for infants to old-age. During early period of 20th century, it was practiced parallel to the conventional (allopathic) System. It is widely practiced in Germany, UK, India, Bangladesh, and Pakistan. The classical books on Homeopathy, published before the 1900s, describe often in obsolete medical terms, the theory, philosophy and symptoms of provings (drug testing). They are deficient in application methods to find the correct homeopathic remedy easily. They have little reference to pathological changes in tissues. In practice, different patients express their symptoms in different words, even though suffering from same disease. It is often difficult to find the correct homeopathic remedy, based on the patient's symptoms alone. K. Robinson, MD, a contemporary expert, wrote in an editorial The Cutting Edge, "I suppose, the overwhelming drive in the practice of homeopathy is toward precision in prescribing. Because the accurate prescribing is so difficult, we find ourselves studying constantly, and yet we never feel complete." (J.A.I.H, vol. 79, #1, March, 1986). This book, Homeopathy in Practice - Clinical Insights into Homeopathy and Remedies, offers the practical aspects, and clinical keynotes on remedies related to various illnesses, backed by successful reports, from journals, books, personal discussions and experiences of others. This book will help to find the correct remedy easily. Just refer to the relevant Heading in the Contents. Go to the associate page(s), and glance through the keynotes of remedies. You will often spot the correct homeopathic remedy.

Handbook of Organic Food Safety and Quality-J Cooper 2007-07-26 Due to increasing consumer demand for safe, high quality, ethical foods, the production and consumption of organic food and produce has increased rapidly over the past two decades. In recent years the safety and quality of organic foods has been questioned. If consumer confidence and demand in the industry is to remain high, the safety, quality and health benefits of organic foods must be assured. With its distinguished editor and team of top international contributors, Handbook of organic food safety and quality provides a comprehensive review of the latest research in the area. Part one provides an introduction to basic quality and safety with chapters on factors affecting the nutritional quality of foods, quality assurance and consumer expectations. Part two discusses the primary quality and safety issues related to the production of organic livestock foods including the effects of feeding regimes and husbandry on dairy products, poultry and pork. Further chapters discuss methods to control and reduce infections and parasites in livestock. Part three covers the main quality and safety issues concerning the production of organic crop foods, such as agronomic methods used in crop production and their effects on nutritional and sensory quality, as well as their potential health impacts. The final part of the book focuses on assuring quality and safety throughout the food chain. Chapters focus on post-harvest strategies to reduce contamination of food and produce, and ethical issues such as fair trade products. The final chapters conclude by reviewing quality assurance strategies relating to specific organic food sectors. The Handbook of organic food quality and safety is a standard reference for professionals and producers within the industry concerned with improving and assuring the quality and safety of organic foods. Improve the safety, quality and health benefits of organic foods Discusses the latest research findings in this area Focuses on assuring quality and safety throughout the food chain
