Cat Massage-Maryjean Ballner 1997-06-15 A guidebook teaches cat lovers six massage strokes for a cat's pleasure, more than fifty therapeutic strokes for every part of a cat's anatomy, and techniques for creating "power purring" and a "mega meow moment." Original. 50,000 first printing.

Dog Massage-Maryjean Ballner 2013-08-13 Since we don't speak "Basic Bark," the best way to canine-communicate is through touch. Regular Dog Massage sessions give dogs the attention they crave and the affection they need, and the techniques explained in this book are designed to: - Relax tense, overworked muscles - Help puppies benefit from touch, especially during their prime socialization period - Aid early detection of health problems - Improve sociability and help calm a "Rowdy Rover" - Promote cooperation during grooming and visits to the vet - Enhance that loving bond between you and your dog Recommended by veterinarians and dog experts, massage is an essential part of your pet's health care. Dog Massage gives you all the skills you need, including: - Basic Massage Motions, Hand Positions, Speeds, Pressures and Moods - Over 50 Massage Techniques from Whiskers to Tail - Advanced Techniques and "White Glove Treatments" - How to "Voice Massage"

How to Massage Your Cat-Alice M. Brock 2003-07 As kitty gift books go, this is "the best, funniest, most inspiring" of them all, according to the Village Voice and tens of thousands of dedicated readers. Now out on the prowl with a new cover that's the cat's meow, it's ready to inspire a second wave of cats and their owners to relax into a catnap. Author and illustrator Alice M. Brock (of Arlo Guthrie's "Alice's Restaurant" fame) counsels cat owners to approach the cat quietly with palms "up and open." Beginning at the rear, the masseur works all the way around the cat using a "vigorous kneading motion," then rubs, presses, twists, and tugs the cat into a state of complete relaxation. We are assured that a well-massaged cat may remain in a state of prolonged calm "for some time." Brock's instructions are accompanied by charming illustrations sure to inspire a mischievous chuckle in both friends and foes of felines everywhere.

Planet Cat-Sandra Choron 2007 Presents more than four hundred lists on various information on cats, including cat breeds, training, and behavior, as well as such topics as famous cats in history, cat food recipes, and gifts for pampered cats.

The Healing Touch for Cats-Michael W. Fox 2010-05-01 Distinguished veterinarian and animal psychologist Dr. Michael W. Fox shares his pioneering 6-step massage technique through detailed illustrations, photos, and easy-to-read instructions, and provides information on how to understand your animal companion's anatomy, develop a massage routine, use massage to diagnose illness, and integrate it as part of an overall care for your cat. This proven massage program for cats helps affirm the human-animal bond by providing instruction on why cats need massage, how to understand your cat's body language, how to give a diagnostic or therapeutic massage, and how to keep your cat healthy.

The Latham Letter- 2005

Laxmi's Mooch-Shelly Anand 2021-03-02 A joyful, body-positive picture book about a young Indian American girl's journey to accept her body hair and celebrate her heritage after being teased about her mustache. Laxmi never paid much attention to the tiny hairs above her lip. But one day while playing farm animals at recess, her friends point out that her whiskers would make her the perfect cat. She starts to notice body hair all over--on

her arms, legs, and even between her eyebrows. With her parents' help, Laxmi learns that hair isn't just for heads, but that it grows everywhere, regardless of gender. Featuring affirming text by Shelly Anand and exuberant, endearing illustrations by Nabi H. Ali, Laxmi's Mooch is a celebration of our bodies and our body hair, in whichever way they grow.

Total Cat Mojo-Jackson Galaxy 2017 This cat care guide shows us how to eliminate feline behavioral problems by understanding cats' instinctive behavior. Cat Mojo is the confidence that cats exhibit when they are at ease in their environment and in touch with their natural instincts - to hunt, catch, kill, eat, groom, and sleep

The Original Cat Bible-Sandy Robins 2014-07-08 Following in the paw- and hoof-prints of I-5's best-selling The Original Dog Bible and The Original Horse Bible comes The Original Cat Bible, the ultimate resource for cat owners and lovers from the editors of Cat Fancy magazine. This new 500-page volume promises to be the most complete and authoritative book of its kind, authored by award-winning writer Sandy Robins with special veterinary chapters by Dr. Arnold Plotnick and an extensive breed section by Sarah Hartwell and Lorraine Shelton. The Original Cat Bible delves deeply into all things feline, from the domestication of cats and the development of pure breeds to the anatomy and genetics of felines. Between its two covers, it bequeaths a wealth of information to the cat fanciers, detailing all aspects of cat care and ownership, bejeweled with fun tidbits and trivia to entertain even the most discerning of feline lovers. The book begins with a detailed history of the modern cat, including the noble big cats of the wild and the small domesticated cats adored indoors by millions around the world. In her venture into the modern-day world of cats, the author discusses the genesis of cat welfare and rescue, as well as concerns about stray and feral cats in our communities, explaining the problems and offering practical solutions. From a more universal perspective, the text explores the feline's place in world religions, the cat-laden folklore of Asia, Europe and North America, cats in religion, popular culture through the ages (literature, art, cartoons, and movies), and contemporary social media (YouTube, blogs, and Facebook). The Original Cat Bible discusses the development of cat breeds and the genetics of purebred cats. While the establishment of purebred cats is a fairly modern development, some breeds have existed in a "pure form" for many centuries. In order to explain the significance of specific breeds, the author describes the essential physical characteristics of the cat, including body types, coat types, colors, and patterns. Guest authors Hartwell and Shelton, both highly regarded experts in the purebred cat world, present seventy-five breeds of cat from the familiar Siamese and Persian to the lesser known Australian Mist and Pixie Bob, describing their origins, breed standards, personalities, all accompanied by dazzling color photography. The book features expansive coverage of every recognized cat breed in the world, plus many experimental and new breeds that have come and gone. Robins resumes the discussion of cat ownership, covering important topics such as finding a kitten, choosing between breeders and shelters, achieving the right feline match for your family, bringing the cat into a new home, cat-proofing and safety around the house, and shopping for supplies for the new cat (accessories ranging from litter boxes and beds to harnesses and cat trees). New owners will value the information about introducing the cat to family and other pets, the importance of selecting a qualified veterinarian,

securing veterinary insurance, and establishing an immunization schedule with your vet. Information about kitten health concerns, including viral diseases and parasites, and complementary therapies and holistic medicine, diagnostic tests and new technologies available is thorough and detailed. A user-friendly, very readable chapter on grooming follows, offering advice on caring for the coats of kittens, adults and older cats, purchasing grooming tools, learning techniques, and establishing a regimen for brushing and bathing, nail, eye, ear and teeth care. The feeding chapter begins with a fascinating and entertaining history of pet food in America and then goes on to discuss such important topics as the nutritional requirements of cats at all life stages, the choice between commercial diets and natural foods, food allergies, and special care of obese and pregnant cats. In introducing the elaborate section on healthcare, renowned veterinarian Dr. Arnold Plotnick presents an overview of feline anatomy, including the basics of the body, skin, coat, ears, eyes, teeth, paws, and bodily systems. The chapter on external conditions, diseases and disorder covers over eighty specific feline diseases (categorized by anatomical region), followed by a chapters on infectious diseases and internal and external parasites; reproductive care, puberty, mating, and pregnancy; and serious life-threatening disorders (diabetes, cancer, and hyperthyroidism). A chapter on senior cats offers readers information on health issues with older cats (arthritis, cognitive dysfunction, vision and hearing loss), common behavior issues, as well grief counseling upon the loss of a beloved cat. A section on fun with cats includes the various activities and enrichment exercises owners can do with their cats, as well as cat agility and cat shows (covering both major American cat registries, the Cat Fanciers Association and The International Cat Association). Further topics in this expansive volume include traveling with cats, pet-care options for owners (kitty day care, pet sitters, and boarding), dealing with emergencies, first aid, and disaster planning, finding a lost cat, relocating with cats and preventing loss during a move. The Original Cat Bible offers the gospel on cat behavior and training, and preaches that cats can indeed be trained! The author offers a compendium on feline communication, including body language and vocalizations, and a training course that advocates socialization and positive-reinforcement training (remote control training, redirection, and clicker training). In addressing problem behaviors, the author puts forward solutions for dozens of commonly encountered nuisances, such as litter box messes, scratching, aggression, separation anxiety and pica. The final section of the book celebrates cats at work in the community, from therapy cats in nursing homes and rest-home facilities to cats working as greeters and library and book-store assistants. Readers will delight in the section about celebrity cats. Cats have made a splash working professionally as actors and models in the entertainment worlds of movies, television, and advertising. For readers wishing to work with cats themselves, the book discusses a variety of career paths as veterinarians, vet assistants, groomers, trainers and behaviorists, massage therapists, cat sitters, animal-control officers, and photographers. The book has an expansive resource section including websites, books, and periodicals, and is fully indexed.

The Video Librarian- 1999

The Pill Book Guide to Medication for Your Dog and Cat-Kate A. W. Roby 2009 An easy-to-follow guide written to help pet owners understand and take control of their animal's health features profiles of more than two hundred drugs and their side effects, the latest in alternative medicine, a directory of pet organizations, and much more. Library Journal- 2001 Includes, beginning Sept. 15, 1954 (and on the 15th of each month, Sept.-May) a special section: School library journal, ISSN 0000-0035, (called Junior libraries, 1954-May 1961). Also issued separately.

Tortitude-Ingrid King 2016-02-05 Explore the wonderful world of tortoiseshell cats and tortoiseshell cat behavior Tortie cat behavior: With about 2 million tortoiseshell cats in the United States, these special felines tend to be strong-willed, a bit hot-tempered, and often very possessive of their humans. Other words used to describe torties are fiercely independent, feisty and unpredictable. In Tortitude: The BIG Book About Cats With a BIG Attitude, cat expert Ingrid King (The Conscious Cat) brings her professional and personal experience to explore why these cats are so special. With expert insights combined with stunning photography and passages dedicated to the cats and their passionate guardians, King offers a

new perspective on these exceptional cats.

The Cat That God Sent-Jim Kraus 2013-04-01 Jake Wilkerson, a disillusioned young pastor who is an expert at hiding his fears, takes on a new assignment at a small rural church in Coudersport, Pennsylvania. It's a far piece from anywhere and full of curiously odd and eccentric people, including Emma Grainger, a single woman and a veterinarian who dismisses all Christians as "those people," and Tassy, a young runaway with a secret. His first day on the job, however, Jake is adopted by Petey - a cat of unknown origins and breed - but of great perception. Petey believes that he is on a mission from God to redeem Jake and bring him and his quirky friends back to the truth.

The Cat Who Cried for Help-Nicholas H. Dodman 1999 Explores behavioral problems of cats, identifying the underlying causes and offering advice for improving cat-human relationships

How to Say it to Your Cat-Janine Adams 2003 How to say it to your cat: solving behavior problems in ways your cat will understand.

The Cat who Robbed a Bank-Lilian Jackson Braun 2001-01-01 The residents of Pickax are thrilled to see the moldering Pickax Hotel restored and reopened under new ownership, but when one of the first guests turns up dead, the victim of foul play, Qwilleran and his snooping Siamese cats are soon prowling around for clues. Reprint.

I Am Maru-mugumogu 2011-08-23 Meet Maru! This round, adorable Scottish Fold cat may be an internet sensation, but he knows how to keep his celebrity status from going to his fluffy head . . . mostly. Maru and his owner, mugumogu, give readers a peek into the low-key life of the world's most famous cat. See all his favorite hiding places—trash cans, cupboards, cereal boxes . . . if it's cozy, he's there—meet his treasured toys, and learn what it means to wield just the right amount of cat-titude.

Aspca Complete Cat Care Manual-A. T. B. Edney 2008-08-11 Explores every aspect of tending to a feline with step-by-step photographs and text that cover the basics of feeding, grooming, health care, problem behavior, breeding, and first aid.

How to Speak Cat-Aline Alexander Newman 2015 Draws on the expertise of a Humane Society veterinarian and a National Geographic writer to reveal what cats are communicating with their body language and behavior, sharing educational scenarios and numerous photos of classic cat poses. Simultaneous.

Practical Feline Behaviour-Trudi Atkinson 2018-07-03 Practical Feline Behaviour contains all the relevant information that a veterinary nurse or technician needs to understand and handle the behaviour and welfare of house cats, and to offer safe and practical advice to clients. There have been ground-breaking advances in our understanding of feline behaviour in recent years and, to protect the welfare of cats, it is increasingly important that anyone involved with their care, especially those in a professional capacity, keep up to date with these developments. This approachable and down-to-earth text describes the internal and external influences on feline behaviour; on communication, learning, social behaviour, the relationship between behaviour and disease, and the cat - human relationship. It also provides practical advice on how the welfare of cats in our care may be protected and how behaviour problems should be addressed and how to avoid them. In this book Trudi Atkinson draws on her extensive experience as a veterinary nurse and a Certified Clinical Animal Behaviourist to provide a rapid reference and an intensely practical feline behaviour resource for owners, breeders, veterinary professionals, shelter and cattery workers and anyone involved in the care of our feline companions.

Cat Daddy-Jackson Galaxy 2013-05-02 Cat behaviorist and star of Animal Planet's hit television show "My Cat from Hell," Galaxy, a.k.a. "Cat Daddy," isn't what readers might expect for a cat expert. Yet his ability to connect with even the most troubled felines--not to mention their owners--is awe-inspiring.

The Lion in the Living Room-Abigail Tucker 2017-09-05 Originally published in hardcover in 2016 by Simon & Schuster.

Nine Lives to Die-Rita Mae Brown 2015 A busy holiday season for Harry, her husband, and her posse of pet detectives is interrupted by dark secrets from the community's past involving a cold case and a twenty-five-year-old love triangle.

Mr. Oats delivers a sidesplitting serving of cat humor in his new book, How to Tell If Your Cat Is Plotting to Kill You. If your cat is kneading you, that's not a sign of affection. Your cat is actually checking your internal organs for weakness. If your cat brings you a dead animal, this isn't a gift. It's a warning. How to Tell If Your Cat Is Plotting to Kill You is a hilarious, brilliant offering of comics, facts, and instructional guides about crazy cat behaviors from the creative wonderland at TheOatmeal.com. How to Tell If Your Cat Is Plotting to Kill You presents fan favorites, such as "Cat vs. Internet," "How to Pet a Kitty," and "The Bobcats," plus 17 brand-new, never-before-seen cat-themed comic strips. This Oatmeal collection is a must-have for cat-lovers from Mr. Oats!

Purrfect Murder-Nic Saint 2017-03-16 There's something special about Max. He may look like your regular ginger flabby tabby, but unlike most tabbies, he can actually communicate with his human, reporter for the Hampton Cove Gazette Odelia Poole. Max takes a keen interest in the goings-on in their small town, by snooping around with his best friends Dooley, a not-too-bright ragamuffin, and Harriet, a gorgeous white Persian. Their regular visits to the police station, the barbershop and the doctor's office provide them with those precious and exclusive scoops that have made Odelia the number one reporter in town. But when suddenly the body of a bestselling writer is discovered buried in the last Long Island outhouse, and a new policeman arrives in town to solve the murder, it looks like things are about to change in Hampton Cove. Detective Chase Kingsley doesn't take kindly to nosy reporters like Odelia snooping around his crime scene or interviewing his suspects. And to make matters worse, he's got a cat of his own in Brutus, a buff, black bully, who, just like his owner, likes to lay down the law. Soon Brutus isn't just restricting access to the police station, but he's putting the moves on Harriet, breaking up the band. Now it's all Odelia, Max and Dooley can do to try and solve the murder, in spite of Detective Kingsley's and Brutus's protestations, and show the overbearing cop and his bullyragging feline how things are done in Hampton Cove. Will Odelia find the killer before Detective Kingsley does? And will Max prevent Brutus from moving in on his territory and taking over the town? Find out in Purrfect Murder, the first book in the new Mysteries of Max series.

Dr. Michael Fox's Massage Program for Cats and Dogs-Michael W. Fox 1981

associations and feline clubs, animal welfare organizations and feline foundations, recommended cat books and kitten magazines, online kitten and cat products sources

Cat Wars-Peter P. Marra 2016-09-20 In 1894, a lighthouse keeper named David Lyall arrived on Stephens Island off New Zealand with a cat named Tibbles. In just over a year, the Stephens Island Wren, a rare bird endemic to the island, was rendered extinct. Mounting scientific evidence confirms what many conservationists have suspected for some time—that in the United States alone, free-ranging cats are killing birds and other animals by the billions. Equally alarming are the little-known but potentially devastating public health consequences of rabies and parasitic Toxoplasma passing from cats to humans at rising rates. Cat Wars tells the story of the threats free-ranging cats pose to biodiversity and public health throughout the world, and sheds new light on the controversies surrounding the management of the explosion of these cat populations. This compelling book traces the historical and cultural ties between humans and cats from early domestication to the current boom in pet ownership, along the way accessibly explaining the science of extinction, population modeling, and feline diseases. It charts the developments that have led to our present impasse—from Stan Temple's breakthrough studies on cat predation in Wisconsin to cat-eradication programs underway in Australia today. It describes how a small but vocal minority of cat advocates has campaigned successfully for no action in much the same way that special interest groups have stymied attempts to curtail smoking and climate change. Cat Wars paints a revealing picture of a complex global problem—and proposes solutions that foresee a time when wildlife and humans are no longer vulnerable to the impacts of free-ranging cats.

Pet Business- 1999

If Cats Disappeared from the World-Genki Kawamura 2019-03-12 The international phenomenon that has sold over a million copies in Japan, If Cats Disappeared from the World is a funny, heartwarming, and profound meditation on the meaning of life. The postman's days are numbered. Estranged from his family, living alone with only his cat Cabbage to keep him company, he was unprepared for the doctor's diagnosis that he has only months to live. But before he can tackle his bucket list, the Devil appears to make him an offer: In exchange for making one thing in the world disappear, our narrator will get one extra day of life. And so begins a very bizarre week... With each object that disappears the postman reflects on the life he's lived, his joys and regrets, and the people he's loved and lost. Genki Kawamura's timeless tale is a moving story of loss and reconciliation, of one man's journey to discover what really matters most in life.

How to Talk to Your Cat About Gun Safety-Zachary Auburn 2016-10-04 The cats of America are under siege! Long gone are the good old days when a cat's biggest worries were mean dogs or a bath. Modern cats must confront satanists, online predators, the possibility of needing to survive in a post-apocalyptic wasteland, and countless other threats to their nine lives. For over four decades, the American Association of Patriots have stood at the vanguard of our country's defense by helping to prepare our nation's cat owners for the difficult conversations they dread having with their pets. Written in a simple Q&A format, How to Talk to Your Cat About Gun Safety answers crucial questions such as, "What is the right age to talk to my cat about the proper use of firearms?" and "What are the benefits of my cat living a lifestyle of abstinence?" and especially "Why does my cat need to use the internet? Can't he just play with yarn like cats used to do?" Our country—and our cats—stand at a precipice. It will take courage, and it will take hard work, but armed with the knowledge within these pages, we can make our cats—and America—great again!

Feline Behaviour and Welfare-Andrew F. Fraser 2012 Cats are the world's most popular domestic pet, as well as being wild animals. This comprehensive book on feline behaviour explores both the familiar domesticated animal and wild relatives such as the leopard, tiger and lynx to examine the Felidae family as a whole, allowing for fascinating comparisons between wild and domestic species and explanations of behaviour in pet cats with evolutionary origins. Fraser's work helps increase readers' understanding of cat behaviour - why they behave as they do, for what purpose and why. The focus is on identifying normal behaviour from the cat's perspective.

Slay it with Flowers-Kate Collins 2005-03-01 Law school drop-out-turned-flower shop owner Abby Knight has been asked to be a bridesmaid by her cousin. But before the couple says "I do," a groomsman disappears-and

another member of the wedding party is found dead. Abby has to hurry down an aisle of suspects to unveil the truth-and make sure the bride still gets to the church on time.

Bowker's Complete Video Directory 2000- 2000

Night Whispers-Erin Hunter 2015-11-03 As tensions grow between the Clans, Jayfeather, Lionblaze, and Dovepaw realize that evil is sometimes no more than a whisker's length away. Meanwhile, one cat will make a stand for what is right and another may be lost forever.

Kaa's Hunting (The First Jungle Book)- Rudyard Kipling 2019-12-13 During the time Mowgli was with the wolf pack, he is abducted by the Bandar-log monkeys to the ruined city. Baloo and Bagheera set out to

rescue him with Kaa the python. Kaa defeats the Bandar-log, frees Mowgli, and hypnotises the monkeys and the other animals with his dance. Mowgli rescues Baloo and Bagheera from the spell. The Jungle Book (1894) is a collection of stories by English author Rudyard Kipling. The stories were first published in magazines in 1893-94. The original publications contain illustrations, some by Rudyard's father, John Lockwood Kipling. Kipling was born in India and spent the first six years of his childhood there. After about ten years in England, he went back to India and worked there for about six-and-a-half years. These stories were written when Kipling lived in Vermont. Famous stories of The Jungle Book Rudyard Kipling: Mowgli's Brothers, Kaa's Hunting, Tiger! Tiger!, The White Seal, Rikki-Tikki-Tavi, Toomai of the Elephants, Her Majesty's Servants.
