Coming Back Alive-Spike Walker 2002-10-11 When the fishing vessel La Conte sinks suddenly at night in one-hundred-mile-per-hour winds and record ninety-foot seas during a savage storm in January 1998, her five crewmen are left to drift without a life raft in the freezing Alaskan waters and survive as best they can. One hundred fifty miles away, in Sitka, Alaska, an H-60 Jayhawk helicopter lifts off from America's most remote Coast Guard base in the hopes of tracking down an anonymous Mayday signal. A fisherman's worst nightmare has become a Coast Guard crew's desperate mission. As the crew of the La Conte begin to die one by one, those sworn to watch over them risk everything to pull off the rescue of the century. Spike Walker's memoir of his years as a deckhand in Alaska, Working on the Edge, was hailed by James A. Michner as "masterful . . . will become the definitive account of this perilous trade, an addition to the literature of the sea." In Coming Back Alive, Walker has crafted his most devastating book to date. Meticulously researched through hundreds of hours of taped interviews with the survivors, this is the true account of the La Conte's final voyage and the relationship between Alaskan fishermen and the search and rescue crews who risk their lives to save them.

Bring 'Em Back Alive-Dave Burchett 2011-08-03 It was a story Jesus liked to tell. If a man owned a hundred sheep and one of them wandered away, he would, without hesitation, leave the ninety-nine and search for the one. And when he found that lost sheep he would celebrate with great joy. In the same way, Jesus concluded, our Father in heaven-like the shepherd-is unwilling for any of his sheep to be lost. Yet all too often God's sheep do wander from the flock. Sometimes, for reasons that are hard to discern, they stray on their own. Other times they're driven away, perhaps wounded by an unkind word or thoughtless deed. In Bring 'Em Back Alive author Dave Burchett shows us the importance of bringing these lost and wounded lambs back to the fold-or, when we're the ones who wandered, becoming willing to return. He explains, step-by-step, how to replenish the spiritual strength of Christ's body. And he reminds us that we, like the shepherd, can know the joy that comes when a lost sheep returns home. Every believer is a precious part of Christ's body. When even one is missing, the church lacks power and is less than whole. Whether we're victims, perpetrators, or innocent bystanders we're called by God to seek restoration. And when one of God's sheep goes missing we have no choice: We must Bring 'Em Back Alive. Includes questions at the end of each chapter for discussion and reflection.

Working on the Edge-Spike Walker 1993-03-15 The author combines his own story with those who survived the peak years of Alaskan crab fishing between 1976 and 1984 and recalls the unusual numbers of harvestable king crab that drew hundreds of men to risk the deadly waters of Alaska for a chance at being rich.

Alive-Piers Paul Read 2016-10-11 *The #1 New York Times bestseller and the true story behind the film: A rugby team resorts to the unthinkable after a plane crash in the Andes. Spirits were high when the Fairchild F-227 took off from Mendoza, Argentina, and headed for Santiago, Chile. On board were forty-five people, including an amateur rugby team from Uruguay and their friends and family. The skies were clear that Friday, October 13, 1972, and at 3:30 p.m., the Fairchild's pilot reported their altitude at 15,000 feet. But one minute later, the Santiago control tower lost all contact with the aircraft. For eight days, Chileans, Uruguayans, and Argentinians searched for it, but snowfall in the Andes had been heavy, and the odds of locating any wreckage were slim. Ten weeks later, a Chilean peasant in a remote valley noticed two haggard men desperately gesticulating to him from across a river. He threw them a pen and paper, and the note they tossed back read: "I come from a plane that fell in the mountains . . ." Sixteen of the original forty-five passengers on the F-227 survived its horrific crash. In the remote glacial wilderness, they camped in the plane's fuselage, where they faced freezing temperatures, life-threatening injuries, an avalanche, and imminent starvation. As their meager food supplies ran out, and after they heard on a patched-together radio that the search parties had been called off, it seemed like all hope was lost. To save their own lives, these men and women not only had to keep their faith, they had to make an impossible decision: Should they eat the flesh of their dead friends? A remarkable story of endurance and determination, friendship and the human spirit, Alive is the dramatic bestselling account of one of the most harrowing quests for survival in modern times.*

There's a big difference between being alive and knowing how to truly live. To be alive is something that happens to you. But to truly live is something you get to choose each day. As Robertson says, "When you truly learn to live the life God offers, your whole existence becomes a verb." In Live, Sadie Robertson inspires us to thrive in the life God gave us by making choices that will lead us into the fullness He has for us, not into the emptiness the world offers. With photography and captivating design, Live shows us how we can find a rich and rewarding life when we choose to wholeheartedly embrace God's ways and God's truth. Moments of decision greet everyone, sometimes on a more-than-daily basis. Some of those decisions are minor and others are life altering, but all serve as stepping-stones to peace, joy, and fullness or to disappointment and emptiness. Sadie is passionate about inspiring a generation to live in that fullness every day. The book includes material on overcoming jealousy, finding confidence, dealing with haters, waiting on God, living in the moment, discovering the power of words, and knowing how to tell the difference between what leads to life and what leads to death--so young people can make the best choices. Whether you have a long-time relationship with God or are new to faith, Live is a joyful encouragement to make the most of each moment, to make wise decisions, and to always seek the truth of God's Word.
